RE: Equity #32,066
Frederick County
Maryland

Dear Mr. Hoblitzell:

The above-captioned is a tax sale foreclosure for a property in Frederick County, Maryland. I served notice on you as President of Maryland National Bank by registered mail because the record holder of the mortgage on the property, Westinghouse Credit Corp. notified me that the mortgage had been assigned to Maryland National Bank several years ago. Someone in your office accepted the mail, as shown on the enclosed green card, certified # 718667.

In order to document the service to the satisfaction of the Court, I need to identify the person who signed and state the fact that he or she was authorized to accept service. May I ask you to help me in this regard by signing the enclosed copy of this letter and returning it with the green card?

Thank you for your cooperation.

Yours very truly,

F. Theodore Elliot
