

1 don't mind, Mr. Rice. As you remember this agreement  
2 or whatever it was, this settlement conference, he was  
3 supposed to build a fence?

4 A. That's what he agreed to.

5 Q. Where was that supposed to be?

6 A. Right around where I showed you where that line goes  
7 around there.

8 Q. But it was around the whole length of the line? It was  
9 to be the entire length of his line?

10 A. That's what I was to understand. He was going to  
11 build it between me and him.

12 Q. What were you going to give him in return?

13 A. I told him I was going to build a fence because I  
14 wanted the pasture in there and, "no, I don't want you to  
15 do it, I want to put up a good fence."

16 Q. Alright, now on the agreement as you remember it, or  
17 whatever it was, settlement conference, he was to build a  
18 fence along the line where you said the line was?

19 A. Where the surveyors, Mr. Rothenhoeffer and Mr. Newman  
20 agreed where the line was to go. I agreed to it but  
21 they're the ones that made the suggestion, I didn't.

22 Q. But it was on where you said the line went?

23 A. No, I didn't say where the line was. The man surveyed  
24 it and two (2) attorneys...

25 Q. Which one (1) surveyed it that you were relying on at  
26 that time?

27 A. This man right here.

28 Q. Weidner?
