PUBLIC WORKS AGREEMENT

THIS AGREEMENT, by and between ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, hereinafter COMMISSION, and PARAGON BUILDERS, INC., a body corporate of the State of Maryland, hereinafter DEVELOPER.

WHEREAS, the COMMISSION is responsible for all water and sewerage projects in the Pine Hill Run Sanitary District No. 8 of St. Mary's County, Maryland, and

WHEREAS, the DEVELOPER is now about to develop a section of "Wildewood," being a part of the project known and described as the Wildewood Planned Unit Development, the Development Plan for which was approved by Resolution #78-166, duly passed by the County Commissioners of St. Mary's County on November 15, 1978, said Development Plan being incorporated herein by reference, and

WHEREAS, the DEVELOPER, whether by requirement of the County or by choice, desires to construct central water and sewer facilities, hereinafter "Facilities," to serve the aforementioned Planned Unit Development, and

WHEREAS, the Development Plan has been reviewed and approved by the COMMISSION, said approval being subject to the execution of this Agreement by the parties.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein contained, it is agreed by the parties as follows:

1. The COMMISSION shall, within a reasonable time, review and act upon site plans submitted to it by the DEVELOPER covering the Facilities to be constructed from time to time under this Agreement. Upon review and approval of final plans and specifications referred to in Paragraph 2 below, the COMMISSION shall issue a permit for the construction of the Facilities covered thereby and the DEVELOPER may thereafter begin construction of the Facilities as approved.

2. DEVELOPER shall design and submit to the COMMISSION plans and specifications of the Facilities to be constructed by the DEVELOPER, all in accordance with applicable St. Mary's County Standard Specifications for Water and Sewerage Construction, the Comprehensive Water and Sewerage Plan for St. Mary's County, and any other rules, regulations, directives, or special instructions issued by the COMMISSION or by State and Federal Governments through their respective agencies.

3. The aforesaid Development Plan shall govern construction of the Facilities as to capacities of the various system components subject to approved modifications and finalized site plan approval; provided, however, that should DEVELOPER increase requirements for

water or sewer service, or both, then such increased requirements shall govern and all plans, specifications and construction must accommodate the changed requirements, if approved by the COMMISSION, all at the sole expense of the DEVELOPER. If the COMMISSION requires changes in the sizes of lines or the capacities of various components of the system over and above those indicated in the schematics as approved, then it is understood and agreed that the COMMISSION shall bear any increased cost of such changes insofar as the changes result in any demonstrable increase over and above the costs of the originally approved Facilities. The DEVELOPER agrees to make available, upon request by the COMMISSION, all cost information relating to any such changes which may result in increased costs.

4. The DEVELOPER shall submit an itemized engineer's estimate of the total cost to complete the Facilities for each phase of construction as it occurs, such estimates also being subject to the approval of the COMMISSION.

5. The DEVELOPER shall pay to the COMMISSION the applicable fees, charges and assessments currently in effect and established by the COMMISSION from time to time on the due date or dates thereof, including review fees, connection charges, tap fees, ready-to-serve charges and service charges as and when incurred.

6. In addition to the Facilities to be constructed within the boundaries of Wildewood, the DEVELOPER, in order to connect the proposed development to a public interceptor sewer, must construct an eight-inch (8") force main from the southeasterly boundary of Wildewood Planned Unit Development to the COMMISSION'S public sewer at the intersection of Maryland Route #235 with Old Rolling Road, in, over and along certain easements, located within a 66-foot (66') wide strip of land (formerly the U. S. Government Railroad) granted to the COMMISSION by the County Commissioners of St. Mary's County and Southern Maryland Electric Cooperative, Inc., which force main and its appurtenances are included as part of the Facilities wherever that term is used herein. The COMMISSION hereby grants and relinquishes to DEVELOPER, its agents, servants and licensees, the right, privilege and license to enter upon the aforesaid easements, together with a contiguous construction easement for all purposes pertinent to the construction of the force main and its appurtenances; <u>provided, however</u>, that the ground entered upon and used by the DEVELOPER shall be restored by DEVELOPER to a condition not inferior to that existing prior to entry; that reasonable care be given by DEVELOPER to protect existing underground or overhead utilities, and that payment will be made for damages occurring to, or for the removal and relocation of said utilities, if necessary, by the DEVELOPER.

7. The DEVELOPER shall construct the Facilities in accordance with plans and specifications, and any amendments thereto, submitted to and approved by the COMMISSION from time to time. Construction of the Facilities by the DEVELOPER shall not be commenced prior to the time the COMMISSION shall have approved plans and specifications for same and the DEVELOPER has applied for and received from the COMMISSION a permit authorizing such construction.

8. The DEVELOPER shall make available the property being improved to any duly authorized representative of the COMMISSION at all reasonable times for the purpose of inspecting the construction of the Facilities.

9. In accordance with applicable Resolutions adopted by the County Commissioners of St. Mary's County and as provided in Chapter 113 of the Code of Public Local Laws of St. Mary's County, the DEVELOPER, as and when requested so to do by the COMMISSION, agrees to convey all of the Facilities, or any part thereof, with appropriate site or sites, easements and rights-of-way, to the COMMISSION for the nominal sum of One Dollar ($1.00) and to provide all documentation and assurances of title as are requested by the COMMISSION in connection with the conveyance or conveyances. It is agreed that, irrespective of completion of the transfer of the Facilities as required above, the COMMISSION, within thirty days of its approval of completed Facilities, shall commence operation of them.

10. As each segment of the Facilities are completed and approved, the DEVELOPER shall submit a statement of the actual cost to construct the same. When such cost statement has been reviewed and approved by the COMMISSION, the approved amount shall be used to adjust the inspection fee or fees previously paid by the DEVELOPER which were based upon the engineer's estimate or estimates required to be submitted by Paragraph 4 above.

11. No premises within the project to be connected to the Facilities shall be occupied or used, whether or not sold by the DEVELOPER to others, unless and until such time as the Facilities have been completed in accordance with the approved plans and specifications, have been inspected and approved by the COMMISSION, and the DEVELOPER so notified in writing by the COMMISSION; provided, however, that nothing herein contained shall preclude use by the DEVELOPER of any such premises for storage, sales, display, or other purposes not requiring an occupancy permit. It is understood and agreed that the DEVELOPER shall, in writing notify the COMMISSION when all Facilities covered by a construction permit have been completed; that the COMMISSION, within

thirty (30) days from the receipt of said notice shall, likewise in writing, either approve said Facilities or reject the same, specifying the reasons for such rejection. If, at the end of said thirty (30) day period, the COMMISSION has neither approved or rejected the said Facilities and so notified the DEVELOPER, then the foregoing restriction on occupancy and use shall not apply. Upon any rejection of said Facilities, the DEVELOPER shall immediately proceed to correct any deficiencies, again notifying the COMMISSION upon completion, and the foregoing provisions shall again be followed by the parties.

12. The Public Works Agreement previously entered into between COMMISSION and DEVELOPER, dated May 18, 1976, and the amendment thereto, as recorded among the Land Records of St. Mary's County, Maryland, in Metropolitan Commission Liber No. 1, Folios 219 through 224A, is superceded by this Agreement and, upon the execution hereof by the parties, shall no longer be of any force and effect. The facilities heretofore constructed by Paragon Builders, Inc. in Section I of Wildewood pursuant to the said former Public Works Agreement, as shown on Plats 1 through 5 of Wildewood Section One and a Plat of Wildewood Section Two, prepared by Larry Day & Associates, Inc., are all approved and accepted by the COMMISSION as having been constructed in accordance with final approved plans and specifications.

13. It is further understood and agreed between the parties that:

(a) The Facilities to be constructed by DEVELOPER under this Public Works Agreement, as well as those constructed under the May 18, 1976 Public Works Agreement above-mentioned, have been and will be designed and constructed with capacity levels intended only to meet sewer and water supply requirements of Wildewood and the Wildewood Planned Unit Development.

(b) Therefore, the COMMISSION, after assuming ownership and/or operation of the Facilities, or any part of them, agrees not to connect other users to said Facilities unless and until it has enlarged or augmented the capacity of such Facilities to the extent necessary to replace any water or sewer capacity that may be lost to Wildewood as a result of such connection or connections; it being the intention of the parties that the capacities of the Facilities constructed by the DEVELOPER to serve Wildewood and/or Wildewood Planned Unit Development shall not be reduced by any action of the COMMISSION in connecting other users unless prior agreement of the DEVELOPER to any connection is obtained. Any additional capacity needed because of the connection of others by the COMMISSION shall be constructed at the sole expense of the COMMISSION.

14. SPECIAL CONDITIONS.

Anything contained in this Agreement to the contrary notwithstanding, the following limitation upon the number of dwelling units to be connected to the COMMISSION'S public sewer system and its Pine Hill Run Wastewater Treatment Plant are applicable to all such construction in Wildewood and the Wildewood Planned Unit Development covered by this Agreement and the Development Plan which is a part hereof:

(a) The COMMISSION will approve connection permits authorizing connections to water and/or sewer facilities which have been designed, constructed and approved in accordance with this Agreement for a minimum of One Hundred (100) Dwelling Units in each calendar year, beginning with the year 1980 and continuing until a total of Nine Hundred (900) such Dwelling Units have been authorized for connection.

(b) For the purposes of this paragraph, DWELLING UNITS shall be calculated in accordance with the Dwelling Unit Table adopted by the COMMISSION, a copy of which is attached hereto and made a part hereof.

15. Connection permits for construction beyond the Nine Hundred (900) Dwelling Units above provided for shall require the execution of another Public Works Agreement between the parties.

16. This Agreement shall be binding upon and inure to the benefit of the heirs, successors, personal representatives and assigns of the parties hereto.

WITNESS the hands and seals of the parties hereto this 30th day of June, 1980.

PUBLIC WORKS AGREEMENT

THIS AGREEMENT by and between the ST. MARY'S COUNTY METROPOLITAN COMMISSION, hereinafter the "Commission" and EDWARD J. COOK hereinafter the "Developer".

WHEREAS, the Commission is responsible for all water and sewerage projects in St. Mary's County and in the Pine Hill Run Sanitary District No. 8, and,

WHEREAS, the Developer is developing certain real property within the said Sanitary District known and described as Forest Run, Section I, as shown on a Plat of same, dated May 23, 1980, prepared by Lorenzi, Dodds & Gunnill, Surveyors, Contract No. 803097, and,

WHEREAS, the Developer, whether by requirement of the County or by choice desires to construct central water and sewer facilities, hereinafter the "facilities", to serve the aforementioned property, and,

WHEREAS, the Developer seeks the approval of the Commission for the construction of such facilities, and,

WHEREAS, the Preliminary Plat for the aforementioned development has been submitted to and approved by the Board of County Commissioners of St. Mary's County or their duly appointed agent.

NOW THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein, it is agreed by the parties as follows:

FIRST: The Developer shall design the facilities in accordance with the St. Mary's County Standard Specifications for Water and Sewerage Construction, the Comprehensive Water and Sewerage Plan for St. Mary's County and any other rules, regulations, directives or special instructions issued by the Commission or the State and Federal Governments.

SECOND: The Developer shall submit statements to be included as Exhibits A and B of this document, setting forth a proposed phasing for the construction of the facilities and a proposed schedule of completion for said phase or phases, said statement to be subject to the approval of the Commission. The Developer shall also submit an itemized engineer's estimate of the total cost to complete the facilities for each phase of the development as it occurs, such estimates also being subject to the approval of the Commission.

THIRD: The Developer shall furnish a bond or bonds, the form and the surety or sureties thereof to be as approved by the Commission. Said bond or bonds shall be secured and submitted to the Commission by the Developer prior to the issuance by the Commission of written notice to proceed with the construction of the facilities covered thereby. Said bond shall be payable to the Commission, its successors and assigns in a sum equal to the aforesaid engineering estimate for the cost of constructing the facilities; plus ten percent for contingencies, or the amount of the contract price, whichever is higher, conditioned that the Developer shall well and truly perform and fulfill the covenants, conditions, stipulations and terms of this Agreement, such bond or bonds to be and remain in force until such time as the completed facilities have been inspected, approved and accepted by the Commission; it being understood that bonding may be accomplished incrementally in accordance with the phases and schedule established under Paragraph SECOND above; it being further understood that alternatives to bonding, such as irrevocable letters of credit or irrevocable commitments of funds may be approved by the Commission.

FOURTH: The Developer shall pay to the Commission such fees, charges, and assessments as may from time to time be established by the Commission, including, but not limited to, review fees, inspection fees, connection charges, tap fees, debt service charges, ready-to-serve charges and service charges, as applicable.

RECORDED
MARY C. SELL
CLERK OF COURT

'80 JUL 31 PM 2 39

FIFTH: The Developer shall construct all of the facilities set forth in Exhibits A & B of this document, according to the schedule and in the phase or phases of construction indicated therin, and that in the case of multi-phased projects, no phase beyond the first shall be commenced until the facilities constructed under all previous phases have been inspected, approved and accepted by the Commission.

SIXTH: The Developer shall construct the facilities in accordance with final plans and specifications, and any amendments thereto, submitted to and approved by the Commission. Further, no work in connection with the construction of the facilities shall be commenced prior to the time the Commission has approved said final plans and specifications and the Developer has applied for and received from the Commission its written notice to proceed with construction of said facilities.

SEVENTH: The Developer shall make available the property being improved to any duly authorized representative of the Commission at all reasonable times for the purpose of inspecting the construction of the facilities.

EIGHTH: Upon completion and acceptance by the Commission of the facilities as set forth in paragraph SECOND above, the Developer when requested so to do by the Commission, agrees to convey all of the facilities with the appropriate sites, easements, and rights-of-way to the Commission for the nominal sum of One Dollar ($1.00) and to provide all documentation and assurances of title as are requested by the Commission in connection with said proposed conveyances.

NINTH: The Developer shall submit a statement to the Commission, upon completion of each phase of the facilities as established in paragraph SECOND above, indicating his actual cost to construct the facilities to be deeded to the Commission pursuant to paragraph EIGHTH above. When such cost statement has been approved by the Commission, the approved amount shall be used to adjust the inspection fees originally paid by the Developer.

TENTH: No premises within the project to be connected to the facilities shall be occupied or used for any purpose whether or not sold by the Developer to others, unless and until such time as the facilities have been completed in accordance with the aforesaid plans, specifications and schedule and have been inspected, approved and accepted by the Commission and the Developer so notified in writing by the Commission.

ELEVENTH: In the event of a dispute between the parties as to the subject matter of this Agreement, the dispute can be submitted to arbitration pursuant to the Construction Industry Rules of the American Arbitration Association.

TWELFTH: This Agreement shall be binding on and inure to the benefit of the heirs, successors, personal representatives and assigns of the parties hereto.

PUBLIC WORKS AGREEMENT

THIS AGREEMENT, Made this 23rd day of July, 1980, by and between ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, hereinafter COMMISSION, and THE WINSTON CORPORATION, a Maryland corporation, hereinafter DEVELOPER.

WHEREAS, COMMISSION is responsible for all water and sewerage projects in St. Mary's County and in Indian Creek Sanitary District No. 10, and

WHEREAS, certain water facilities in Indian River Estates Section I and Section II have now been completed pursuant to Public Works Agreements between COMMISSION and The Winston Corporation and Orval B. Uphole, dated February 2, 1977, and between the COMMISSION and The Winston Corporation, dated August 3, 1978, and

WHEREAS, DEVELOPER holds legal title to Section Three (3) of said Indian River Estates, being part of the land described in a deed to Orval B. Upole dated September 25, 1972, and recorded among the Land Records of St. Mary's County, Maryland in Liber DBK No. 182, folio 13, and

WHEREAS, the DEVELOPER desires to continue construction of central water facilities, hereinafter "facilities", to serve said additional section of Indian River Estates, and

WHEREAS, the Concept Plan for the aforementioned development (Indian River Estates) has been submitted to and approved by the Board of County Commissioners of St. Mary's County or their duly appointed agent, and DEVELOPER seeks the approval of the COMMISSION for the construction of such facilities.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein, it is agreed by the parties as follows:

FIRST: The DEVELOPER shall design the facilities in accordance with the St. Mary's County Standard Specifications for Water and Sewerage Construction, the Comprehensive Water and Sewerage Plan for St. Mary's County and any other rules, regulations, directions or special instructions issued by the COMMISSION or the State and Federal Governments.

SECOND: The DEVELOPER shall submit a statement, to be included as Exhibit A of this document, setting forth a proposed phasing for the construction of the Facilities now being planned and a proposed schedule of completion for said phase or phases, said statement to be subject to the approval of the COMMISSION. The DEVELOPER shall also submit an itemized engineer's estimate of the total cost to complete the facilities for each phase of the development as it occurs, such estimates also being subject to the approval of the COMMISSION.

RECORDED
MARY R. BELL

THIRD: On or before the signing of this Agreement by the parties, the DEVELOPER shall furnish a bond or bonds, the form and surety and sureties thereof to be as approved by the COMMISSION. Said bonds shall be payable to the COMMISSION, its successors and assigns, in a sum equal to the aforesaid engineering estimate or estimates for the cost of constructing the facilities for which DEVELOPER is responsible, plus ten percent of the estimate for contingencies; or, in the amount of the contract prices, whichever is higher, conditioned that the Obligors shall well and truely perform and fulfill the covenants, conditions, stipulations and terms of this Agreement, such bond or bonds to be and remain in force until such time as the completed facilities have been inspected, approved and accepted by the Commission; it being understood that bonding may be accomplished incrementally in accordance with the phases and schedule established under paragraph SECOND above; it being further understood that alternatives to bonding, such as irrevocable letters of credit or irrevocable commitments of funds, may be approved by COMMISSION.

FOURTH: The Developer shall pay to the COMMISSION such fees, charges and assessments as may from time to time be established by the COMMISSION, including, but not limited to, review fees, inspection fees, connection charges, tap fees, debt service charges, ready-to-serve charges, as applicable.

FIFTH: The DEVELOPER shall constuct all of the facilities set forth in Exhibit A of this document, according to the schedule and in the phase or phases of construction indicated therein, and that in the case of multi-phase projects, no phase beyond the first shall be commenced until the facilities constructed under all previous phases have been inspected, approved and accepted by the COMMISSION.

SIXTH: The DEVELOPER shall construct the facilities in accordance with final plans and specifications, and any amendments thereto, submitted to and approved by the COMMISSION. Further, no work in connection with the construction of the facilities shall be commenced prior to the time the COMMISSION has approved said final plans and specifications and the DEVELOPER has applied for and secured from the COMMISSION a permit authorizing such construction.

SEVENTH: Upon completion and final acceptance by the COMMISSION of the facilities referred to in Paragraph SECOND above, or facilities constructed in future sections of Indian River Estates pursuant to this Agreement, the DEVELOPER, when requested so to do by the COMMISSION, agrees to convey all of the completed and accepted facilities with appropriate sites, easements and rights-of-way to COMMISSION for the nominal sum of One Dollar ($1.00) and to

provide all documentation and assurances of title as are requested by COMMISSION in connection with said proposed conveyances.

EIGHTH: The DEVELOPER shall submit a statement to the COMMISSION, upon completion of each phase of the facilities as established in paragraph SECOND above, indicating his actual cost to construct the facilities to be deeded to COMMISSION pursuant to paragraph EIGHTH above. When such cost statement has been approved by COMMISSION, the approved amount shall be used to adjust the inspection fees originally paid by DEVELOPER.

NINTH: No premises within the project to be connected to the facilities shall be occupied or used for any purpose, whether or not sold by the DEVELOPER to other, unless and until such time as the facilities have been completed in accordance with the aforesaid plans, specifications and schedule and have been inspected, approved and accepted by the COMMISSION and the DEVELOPER so notified in writing by the COMMISSION.

TENTH: In the event of a dispute between the parties as to the subject matter of this Agreement, the dispute can be submitted to arbitration pursuant to the Construction Industry Rules of the American Arbitration Association.

ELEVENTH: This Agreement shall be binding upon and insure to the benefit of the heirs, successors, personal representatives and assigns of the parties hereto.

PUBLIC WORKS AGREEMENT

THIS AGREEMENT by and between the ST. MARY'S COUNTY METROPOLITAN COMMISSION, hereinafter the "Commission: and LEXWOODS APARTMENTS LIMITED PARTNERSHIP, hereinafter the "Developer".

WHEREAS, the Commission is responsible for all water and sewerage projects in St. Mary's County and in the Pine Hill Run Sanitary District, No. 8, and

WHEREAS, the Developer is developing certain real property within the said Sanitary District known and described as Lex Woods Apartments, as shown on a Site Plan thereof prepared by Pekunias & Associates, Engineers, dated February 4, 1980, and,

WHEREAS, the Developer, whether by requirement of the County or by choice desires to construct central Water and Sewer facilities, hereinafter the "facilities", to serve the aforementioned property, and,

WHEREAS, the Developer seeks the approval of the Commission for the construction of such facilities, and,

WHEREAS, the Concept Plan for the aforementioned development has been submitted to and approved by the Board of County Commissioners of St. Mary's County or their duly appointed agent.

NOW THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein, it is agreed by the parties as follows:

FIRST: The Developer shall design the facilities in accordance with the St. Mary's County Standard Specifications for Water and Sewerage Construction, the Comprehensive Water and Sewerage Plan for St. Mary's County and any other rules, regulations, directives or special instructions issued by the Commission or the State and Federal Governments.

SECOND: The Developer shall submit a statement to be included as Exhibits A and B of this document, setting forth a proposed phasing for the construction of the facilities and a proposed schedule of completion for said phase or phases, said statement to be subject to the approval of the Commission. The Developer shall also submit an itemized engineer's estimate of the total cost to complete the facilities for each phase of the development as it occurs, such estimates also being subject to the approval of the Commission.

THIRD: The Developer shall pay to the Commission such fees, charges, and assessments as may from time to time be established by the Commission, including, but not limited to, review fees, inspection fees, connection charges, tap fees, debt service charges, ready-to-serve charges and service charges, as applicable.

FOURTH: The Developer shall construct all of the facilities set forth in Exhibits A and B of this document, according to the schedule and in the phase or phases of construction indicated therein, and that in the case of multi-phased projects, no phase beyond the first shall be commenced until the facilities constructed under all previous phases have been inspected, approved and accepted by the Commission.

FIFTH: The Developer shall construct the facilities in accordance with final plans and specifications, and any amendments thereto, submitted to and approved by the Commission. Further, no work in connection with the construction of the facilities shall be commenced prior to the time the Commission has approved said final plans and specifications and the Developer has applied for and received from the Commission its written notice to proceed with construction of said facilities.

RECORDED
MARY R. BELL
CLERK, CIRCUIT COURT
'80 OCT 30 AM 11 22

SIXTH: The Developer shall make available the property being improved to any duly authorized representative of the Commission at all reasonable times for the purpose of inspecting the construction of the facilities.

SEVENTH: Upon completion and acceptance by the Commission of the facilities as set forth in paragraph SECOND above, the Developer when requested so to do by the Commission, agrees to convey that portion of the facilities lying in the roadbed of Lex Woods Drive as shown on the aforementioned Site Plan and leading from Great Mills Road to the development, and to provide all documentation and assurances of title as are requested by the Commission in connection with said proposed conveyances.

EIGHTH: The Developer shall submit a statement to the Commission, upon completion of each phase of the facilities as established in paragraph SECOND above, indicating his actual cost to construct the facilities to be deeded to the Commission pursuant to paragraph SEVENTH above. When such cost statement has been approved by the Commission, the approved amount shall be used to adjust the inspection fees originally paid by the Developer.

NINTH: No premises within the project to be connected to the facilities shall be occupied or used for any purpose whether or not sold by the Developer to others, unless and until such time as the facilities have been completed in accordance with the aforesaid plans, specifications and schedule and have been inspected, approved and accepted by the Commission and the Developer so notified in writing by the Commission.

TENTH: In the event of a dispute between the parties as to the subject matter of this Agreement, the dispute can be submitted to arbitration pursuant to the Construction Industry Rules of the American Arbitration Association.

ELEVENTH: This Agreement shall be binding on and inure to the benefit of the heirs, successors, personal representatives and assigns of the parties hereto.

THIS EASEMENT AGREEMENT, Made this 19th day of May, 1981, by and between Frank T. and Theresa A. Abell

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 28 - 29, Block 25, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

'81 OCT 27 PM 2 19

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 17,18,19,20,21,22, Block 16, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 6th day of April, 1981, by and between James V. Higgs and Barbara Higgs, his wife, GRANTOR(S), and the ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE.

WHEREAS, GRANTOR(S) siesed in fee simple of a parcel of land situate in the 3rd Election District of St. Mary's County, Maryland, and fully described in a Deed to said GRANTOR(S) from St. Clement Shores, Inc. dated May 18, 1979, and from James Vincent Higgs dated December 1, 1972., and recorded among the Land Records of St. Mary's County, Maryland, in Liber MRB, No. 43, Folio 77, and Liber CBG No. 184, Folio 241, respectively, and

WHEREAS, the GRANTEE desires and intends to construct a sewer force main and appurtenances in, over, and along, Lady Baltimore Avenue and desires to use the hereinafter described strip of land of the GRANTOR(S) for the period of time during which the said forcemain is under construction adjacent to GRANTOR'S(S') property, and the said GRANTOR(S) is (are) willing to grant such right.

NOW THEREFORE, in consideration of the sum of $1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, the said GRANTOR does hereby grant, remise, and relinquish unto ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, its successors and assigns, the right, privilege, and easement to use and occupy temporarily, during the initial construction of the forcemain in, over, and along, Lady Baltimore Avenue upon which the aforesaid property abuts, the hereinafter described strip of land for the accomodation of construction equipment, materials, excavated earth and for other purposes pertinent to said construction:

EASEMENT AGREEMENT

LIBER 0102 PAGE 49

THIS EASEMENT AGREEMENT, Made this 26th day of June, 1981, by and between Nancy J. Harris, widow of William Edgar Harris, deceased, GRANTOR(S), and the ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE.

WHEREAS, GRANTOR(S) siesed in fee simple of a parcel of land situate in the 3rd Election District of St. Mary's County, Maryland, and fully described in a Deed to said GRANTOR(S) from William S. Harris and Inez E. Harris, his wife, , dated March 1, 1965, and recorded among the Land Records of St. Mary's County, Maryland, in Liber CBG, No. 118, Folio 347, and

WHEREAS, the GRANTEE desires and intends to construct a sewer force main and appurtenances in, over, and along, Lady Baltimore Avenue and desires to use the hereinafter described strip of land of the GRANTOR(S) for the period of time during which the said forcemain is under construction adjacent to GRANTOR'S(S') property, and the said GRANTOR(S) is (are) willing to grant such right.

NOW THEREFORE, in consideration of the sum of $1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, the said GRANTOR does hereby grant, remise, and relinquish unto ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, its successors and assigns, the right, privilege, and easement to use and occupy temporarily, during the initial construction of the forcemain in, over, and along, Lady Baltimore Avenue upon which the aforesaid property abuts, the hereinafter described strip of land for the accomodation of construction equipment, materials, excavated earth and for other purposes pertinent to said construction:

A strip of land 10 feet in width adjacent to and binding on the northerly right-of-way line of Lady Baltimore Avenue.

GRANTOR(S) hereby authorizes and permits the GRANTEE, its agents, servants, successors and assigns, to enter upon, to clear of obstruction wherever necessary to its purposes and to use as aforesaid the strip of land described above; provided, however, that following the initial construction above referred to, GRANTEE hereby agrees that it will cause to be removed from the property described all debris, surplus material and construction equipment and will leave the premises in a neat and presentable condition.

GRANTOR(S) hereby agrees not to erect any structure upon or otherwise use the aforesaid strip of land in any manner or for any purposes which will obstruct or hinder the rights and privileges hereby granted to the GRANTEE. It is hereby agreed that the right, privilege, and easement for temporary construction use granted herein shall cease and terminate upon the completion of construction, final inspection and approval by the GRANTEE of the removal work hereinabove referred to.

This instrument shall inure to the benefit of and be binding upon the heirs, personal representatives, successors and assigns of the respective parties.

AS WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 16th day of ~~September~~ October, 1981, by and between James Harden Brown, GRANTOR(S), and the ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE.

WHEREAS, GRANTOR(S) siesed in fee simple of a parcel of land situate in the 3rd Election District of St. Mary's County, Maryland, and fully described in a Deed to said GRANTOR(S) from T. Scott Moury, and wife, dated April 2, 1966, and recorded among the Land Records of St. Mary's County, Maryland, in Liber CBG, No. 126, Folio 40, and

WHEREAS, the GRANTEE desires and intends to construct a sewer force main and appurtenances in, over, and along, Maryland Route 243 and desires to use the hereinafter described strip of land of the GRANTOR(S) for the period of time during which the said forcemain is under construction adjacent to GRANTOR'S(S') property, and the said GRANTOR(S) is (are) willing to grant such right.

NOW THEREFORE, in consideration of the sum of $1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged, the said GRANTOR does hereby grant, remise, and relinquish unto ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, its successors and assigns, the right, privilege, and easement to use and occupy temporarily, during the initial construction of the forcemain in, over, and along, Maryland Route 243 upon which the aforesaid property abuts, the hereinafter described strip of land for the accomodation of construction equipment, materials, excavated earth and for other purposes pertinent to said construction:

A strip of land 10 feet in width adjacent to and binding on the southerly right-a-way line of Maryland Route 243 along the remainder of GRANTOR(S) property a distance of approximately 420 feet; and also a strip of land 30 feet in width adjacent to and binding on the southerly boundary of the aforesaid 10 foot strip of land for a distance of 50 feet, and beginning 20 feet from the westerly boundary of John Harden Brown described in Liber No. 126, Folio 40.

GRANTOR(S) hereby authorizes and permits the GRANTEE, its agents, servants, successors and assigns, to enter upon, to clear of obstruction wherever necessary to its purposes and to use as aforesaid the strip of land described above; provided, however, that following the initial construction above referred to, GRANTEE hereby agrees that it will cause to be removed from the property described all debris, surplus material and construction equipment and will leave the premises in a neat and presentable condition.

GRANTOR(S) hereby agrees not to erect any structure upon or otherwise use the aforesaid strip of land in any manner or for any purposes which will obstruct or hinder the rights and privileges hereby granted to the GRANTEE. It is hereby agreed that the right, privilege, and easement for temporary construction use granted herein shall cease and terminate upon the completion of construction, final inspection and approval by the GRANTEE of the removal work hereinabove referred to.

This instrument shall inure to the benefit of and be binding upon the heirs, personal representatives, successors and assigns of the respective parties.

EASEMENT AGREEMENT

THIS EASEMENT AGREEMENT, Made this 15th day of October, 1981, by and between John Hanson Briscoe, Substitute Trustee, GRANTOR, and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, by virtue of an Order of the Circuit Court for St. Mary's County in Equity No. A-1922, dated April 16, 1964, the GRANTOR herein was named Substitute Trustee, in the place and stead of one John C. G. Boyce, of the estate of Sophia Howard Briscoe with authority to sell real estate contained in the Trust, including land situate in the Third Election District of St. Mary's County and described in a Deed to the said Sophia Howard Briscoe (a/k/a Sophie H. Briscoe) dated October 30, 1963, and recorded in the Land Records of said County at Liber CBG No. 15, folio 400, and

WHEREAS, Grantee plans and intends to construct and operate a sewer force main and appurtenances, hereafter "Facilities", in, under, and along the bed of Bayside Road, upon which the aforesaid property abuts.

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor does hereby GRANT and CONVEY unto St. Mary's County Metropolitan Commission, a body politic and corporate, a permanent easement and right-of-way, in through, under, and across the land of the Grantor, lying in the bed of Bayside Road, and described as follows, that is to say:

> A strip of land 15 feet in width within the right-of-way of Bayside Road, a 40-foot wide County road, adjacent to and binding on the westerly right-of-way line of Bayside Road.

TO HAVE AND TO HOLD the permanent easement and right-of-way hereby granted unto the St. Mary's County Metropolitan Commission, a body politic and corporate, its successors and assigns, forever.

AND the Grantor herein does hereby agree that the Grantee, its agents, servants, successors and assigns, shall have the right to enter upon the aforesaid easement whenever it may be necessary for any or all of the purposes aforesaid,

FURTHER, the said Grantor does hereby grant unto the Grantee herein, the right and privilege to enter upon and to use temporarily the strip of land hereinafter described:

> A strip of land 10 feet in width in, over, and across the property of the Grantor, adjacent to and binding on the westerly right-of-way line of Bayside Road.

for the accommodation of construction equipment, materials, excavated earth and for other purposes pertinent to and during the initial construction of the Facilities.

GRANTEE hereby agrees that following completion of the initial construction of the Facilities and the testing and acceptance thereof, it will cause to be removed all equipment, debris and surplus materials from the strip of land described above and will restore the same to a condition not inferior to that existing prior to the temporary use thereof.

FURTHER, wherever necessary during construction, vehicular access shall be maintained over driveway entrance or entrances to Grantor's property, if any, and any such entrance to State Highway Administration property shall be restored in accordance with the State Highway Administration permit.

THIS EASEMENT AGREEMENT, Made this 23rd day of May, 1981, by and between Nancy E. Bradburn

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 11, 13, 15, Block 19, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 5th day of May, 1981, by and between John J. and Anna S. Brooks

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 12,13,14,15,16 17,18,19,20,21,22, Block 22, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 9 day of April, 1981, by and between John H. Bowling

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (is) (are) the Owner(s) of a tract of land situate in the Third Election District of St. Mary's County, Maryland, particularly described in a Deed to the said GRANTOR(S) from M. Ethel Joy, surviving joint tenant, dated June 20, 1973, 1981, and recorded among the Land Records of said County in Liber DBK No. 193, folio 14, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, John H. Bowling do(es) hereby GRANT and CONVEY unto ST. MARY'S COUNTY METROPOLITAN COMMISSION, its successors and assigns a permanent easement and right-of-way, hereinafter described, in, under, over and across the above-described land of the GRANTOR(S) for the installation, construction, reconstruction, maintenance, repair, operation and inspection of a pressure sewer, sewage grinder pump, and all necessary appurtenances thereto within said easement and right-of-way, which is described as follows:

> A strip of land ten feet (10') wide, the centerline of which is defined as the centerline of the pressure sewer as planned or as constructed extending for the entire length of said pressure sewer, including a circular parcel of land ten feet (10') in diameter at the end of the pressure sewer within which the sewage grinder pump shall be installed, together with a ten feet (10') wide strip of ground for the installation of underground electrical cable leading from the sewage grinder pump to a Junction Box on an exterior wall of Grantor's (s') dwelling; the general location of the pressure sewer, sewage grinder pump and junction box being as shown on the drawing attached hereto and made a part hereof.

Nothing in this instrument shall be construed so as to grant any right to the GRANTEE which will interfere with the safe and unrestricted use by GRANTOR(S) of the land contiguous and adjacent to said pressure sewer, grinder pump and electrical appurtenances, except that GRANTOR(S) shall not erect any building or structure or otherwise use said property in any manner which will obstruct, hamper or interfere with GRANTEE'S use of the easement and rights hereby granted for all purposes pertinent thereto, and all equipment, facilities and appurtenances installed within the easement by the GRANTEE shall be and remain the property of the GRANTEE. GRANTOR(S) shall be responsible for (1) building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) shall provide adequate electric service to the junction box, said sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of GRANTEE.

GRANTOR(S) do(es) hereby agree that the GRANTEE, its successors, assigns, agents and servants shall have the right and privilege to enter upon the aforesaid easement whenever it may be necessary to make openings and excavations and to lay, construct, operate, inspect, repair, maintain or replace the aforesaid pressure sewer, sewage grinder pump, its electrical connection, and appurtenances to any of them; provided, however, that any area so entered upon shall be restored to a condition not inferior to that existing prior to any such entry.

GRANTOR(S) further convenant(s) and agree(s) that (he)(she)(they) will warrant specially the said easement and will execute such other and further assurances of same as may be requisite.

IN WITNESS WHEREOF, the parties have executed this agreement as of the date above mentioned.

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 41 thru 50, Block 30, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 13 day of Oct, 1982, by and between Lucille Drake

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 30 - 34 Pt 2, Block 24, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (is) (are) the Owner(s) of a tract of land situate in the Third Election District of St. Mary's County, Maryland, particularly described in a Deed to the said GRANTOR(S) from Campbell College, Inc. ----------, dated November 9, 1976, ~~1980~~, and recorded among the Land Records of said County in Liber DBK No. 263, folio 06, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the said Josh Eldridge and Phyllis Eldridge do(~~es~~) hereby GRANT and CONVEY unto ST. MARY'S COUNTY METROPOLITAN COMMISSION, its successors and assigns a permanent easement and right-of-way, hereinafter described, in, under, over and across the above-described land of the GRANTOR(S) for the installation, construction, reconstruction, maintenance, repair, operation and inspection of a pressure sewer, sewage grinder pump, and all necessary appurtenances thereto within said easement and right-of-way, which is described as follows:

> A strip of land ten feet (10') wide, the centerline of which is defined as the centerline of the pressure sewer as planned or as constructed extending for the entire length of said pressure sewer, including a circular parcel of land ten feet (10') in diameter at the end of the pressure sewer within which the sewage grinder pump shall be installed, together with a ten feet (10') wide strip of ground for the installation of underground electrical cable leading from the sewage grinder pump to a Junction Box on an exterior wall of Grantor's (s') dwelling; the general location of the pressure sewer, sewage grinder pump and junction box being as shown on the drawing attached hereto and made a part hereof.

Nothing in this instrument shall be construed so as to grant any right to the GRANTEE which will interfere with the safe and unrestricted use by GRANTOR(S) of the land contiguous and adjacent to said pressure sewer, grinder pump and electrical appurtenances, except that GRANTOR(S) shall not erect any building or structure or otherwise use said property in any manner which will obstruct, hamper or interfere with GRANTEE'S use of the easement and rights hereby granted for all purposes pertinent thereto, and all equipment, facilities and appurtenances installed within the easement by the GRANTEE shall be and remain the property of the GRANTEE. GRANTOR(S) shall be responsible for (1) building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) shall provide adequate electric service to the junction box, said sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of GRANTEE.

THIS EASEMENT AGREEMENT, Made this 13th day of June, 1981, by and between Stephen B and Amelia Farrell

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 2,3,4,33,34,1, Block 37, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 3 day of Nov, 1981, by and between Lowell L. & Betty A. Gallion

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 14,15,16,17,18, Block 26, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 9th day of July, 1981, by and between James F. Handley

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 5 and 6, Block 19, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 4th day of May, 1981, by and between EDGAR C. and DIARGARET A. KNOPE

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 1,2,3,4,+5, Block 38, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

ST. MARY'S CO.

PUBLIC WORKS AGREEMENT

THIS AGREEMENT by and between the ST. MARY'S COUNTY METROPOLITAN COMMISSION, hereinafter the "Commission" and Mayjack, Inc.

hereinafter the "Developer".

WHEREAS, the Commission is responsible for all water and sewerage projects in St. Mary's County and in the Pine Hill Run

Sanitary District, and,

WHEREAS, the Developer is developing certain real property within the said Sanitary District known and described as Valley Drive Estates

and,

WHEREAS, the Developer, whether by requirement of the County or by choice desires to construct central water and sewer facilities, hereinafter the "facilities", to serve the aforementioned property, and,

WHEREAS, the Developer seeks the approval of the Commission for the construction of such facilities, and,

WHEREAS, the Concept Plan for the aforementioned development has been submitted to and approved by the Board of County Commissioners of St. Mary's County or their duly appointed agent.

NOW THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein, it is agreed by the parties as follows:

FIRST: The Developer shall design the facilities in accordance with the St. Mary's County Standard Specifications for Water and Sewerage Construction, the Comprehensive Water and Sewerage Plan for St. Mary's County and any other rules, regulations, directives or special instructions issued by the Commission or the State and Federal Governments.

SECOND: The Developer shall submit a statement to be included as Exhibit A of this document, setting forth a proposed phasing for the construction of the facilities and a proposed schedule of completion for said phase or phases, said statement to be subject to the approval of the Commission. The Developer shall also submit an itemized engineer's estimate of the total cost to complete the facilities for each phase of the development as it occurs, such estimates also being subject to the approval of the Commission.

THIRD: The Developer shall furnish a bond or bonds, the form and the surety or sureties thereof to be as approved by the Commission. Said bond or bonds shall be secured and submitted to the Commission by the Developer prior to the issuance by the Commission of written notice to proceed with the construction of the facilities covered thereby. Said bond shall be payable to the Commission, its successors and assigns in a sum equal to the aforesaid engineering estimate for the cost of constructing the facilities; plus ten percent for contingencies, or the amount of the contract prices, whichever is higher, conditioned that the Developer shall well and truly perform and fulfill the covenants, conditions, stipulations and terms of this

Agreement, such bond or bonds to be and remain in force until such time as the completed facilities have been inspected, approved and accepted by the Commission; it being understood that bonding may be accomplished incrementally in accordance with the phases and schedule established under Paragraph SECOND above; it being further understood that alternatives to bonding, such as irrevocable letters of credit or irrevocable commitments of funds may be approved by the Commission.

FOURTH: The Developer shall pay to the Commission such fees, charges, and assessments as may from time to time be established by the Commission, including, but not limited to, review fees, inspection fees, connection charges, tap fees, debt service charges, ready-to-serve charges and service charges, as applicable.

FIFTH: The Developer shall construct all of the facilities set forth in Exhibits A&B of this document, according to the schedule and in the phase or phases of construction indicated therein, and that in the case of multi-phased projects, no phase beyond the first shall be commenced until the facilities constructed under all previous phases have been inspected, approved and accepted by the Commission.

SIXTH: The Developer shall construct the facilities in accordance with final plans and specifications, and any amendments thereto, submitted to and approved by the Commission. Further, no work in connection with the construction of the facilities shall be commenced prior to the time the Commission has approved said final plans and specifications and the Developer has applied for and received from the Commission its written notice to proceed with construction of said facilities.

SEVENTH: The Developer shall make available the property being improved to any duly authorized representative of the Commission at all reasonable times for the purpose of inspecting the construction of the facilities.

EIGHTH: Upon completion and acceptance by the Commission of the facilities as set forth in paragraph SECOND above, the Developer when requested so to do by the Commission, agrees to convey all of the facilities with the appropriate sites, easements, and rights-of-way to the Commission for the nominal sum of One Dollar ($1.00) and to provide all documentation and assurances of title as are requested by the Commission in connection with said proposed conveyances.

NINTH: The Developer shall submit a statement to the Commission, upon completion of each phase of the facilities as established in paragraph SECOND above, indicating his actual cost to construct the facilities to be deeded to the Commission pursuant to paragraph EIGHTH above. When such cost statement has been approved by the Commission, the approved amount shall be used to adjust the inspection fees originally paid by the Developer.

TENTH: No premises within the project to be connected to the facilities shall be occupied or used for any purpose whether or not sold by the Developer to others, unless and until such time as the facilities have been completed in accordance with the aforesaid plans, specifications and schedule and have been inspected, approved and accepted by the Commission and the Developer so notified in writing by the Commission.

ELEVENTH: In the event of a dispute between the parties as to the subject matter of this Agreement, the dispute can be submitted to arbitration pursuant to the Construction Industry Rules of the American Arbitration Association.

TWELFTH: This Agreement shall be binding on and insure to the benefit of the heirs, successors, personal representatives and assigns of the parties hereto.

THIS EASEMENT AGREEMENT, Made this 27th day of May, 1981, by and between Jack R. and Sharon M. Beckwith

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 11 thru 17, Block 11, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginnino the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 20 day of MAY, 1981, by and between CHARLES C. PENNISI & PRISCILLA A. PENNISI

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 6,7&8, Block 38, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 11, 12, 13, and 14, Block 20, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4.. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 23rd day of June, 1981, by and between Mary Carol Russell

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 43-47 & part 48, Block #1, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 11th day of May, 1981, by and between Herbert S. and Mildred R. Seek

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 27 & 28, Block 36, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 14th day of May, 1981, by and between Frank R. and Thelma Stricker

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 27 thru 31, Block 4, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 3rd day of May, 1981, by and between Raymond P. and Marjorie A. Weigand

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 10-10, Block 7, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

. NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 22nd day of April, 1981, by and between Michael G. Weiler

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered S-67, Block #22, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 1st day of May, 1981, by and between Francis E. and Mary E. Williams

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 3 thru 5, Block 34, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.

THIS EASEMENT AGREEMENT, Made this 21st day of April, 1981, by and between James R. Spalding

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered 9 through 19, Block 25, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

THIS EASEMENT AGREEMENT, Made this 12th day of May, 1981, by and between Edna B. Gibson, Trustee for Donald and Ronald Phetteplace

GRANTOR(S), and ST. MARY'S COUNTY METROPOLITAN COMMISSION, a body politic and corporate, GRANTEE, WITNESSETH:

WHEREAS, GRANTOR(S) (IS) (ARE) the Owner(s) of a tract or parcel of land situate in the Third Election District of St. Mary's County, known and described as Lot(s) Numbered Parcel 5 and Part of Block 4, of St. Clements Shores Subdivision as per Plat of said subdivision recorded among the Land Records of St. Mary's County, Maryland in Liber J.M.M., No. 4, folio 145, and

WHEREAS, GRANTOR(S) desire(s) to participate in the St. Clement Shores Sewerage System Program, in Dukehart Creek Sanitary District No. 2, which participation requires the granting of an easement by the GRANTOR(S) for the construction of a pressure sewer facility to provide needed sewer service to the property of the GRANTOR(S).

NOW, THEREFORE, in consideration of the sum of One Dollar ($1.00), the receipt of which is hereby acknowledged, and in consideration of the mutual benefits and promises herein, the GRANTOR(S) do (es) hereby grant unto the said St. Mary's County Metropolitan Commission, its successors and assigns, the right to construct, operate, maintain, repair, inspect and remove and replace a sewage system consisting of a pressure sewer, sewage grinder pump and all necessary appurtenances thereto, including an underground electrical cable from the sewage grinder pump to a junction box on an exterior wall of GRANTOR(S) dwelling, upon, under and across the aforesaid lot or lots of the GRANTOR(S). The general location of pressure sewer, sewage grinder pump and junction box upon the property aforesaid, subject to change necessitated by conditions encountered during construction, is as shown on the drawing attached hereto and made a part hereof.

The said right and easement is granted subject to the following conditions:

1. All equipment, facilities and appurtenances installed as aforesaid shall be and remain the property of the GRANTEE.

2. GRANTOR(S) shall be responsible, at GRANTOR'S(S') expenses, for (1) construction and maintenance of the building sewer line for the conveyance of sewage from the dwelling to the sewage grinder pump, and (2) the installation and maintenance of adequate electric service from within the dwelling to the aforesaid junction box on an outer wall of the dwelling, said building sewer line and electric service to be constructed and the connections made in accordance with all applicable specifications, regulations, permit or permits, and subject to the approval of the GRANTEE.

3. Upon completion of construction, maintenance, repair or replacement, GRANTEE shall restore the area to a condition not inferior to that existing prior to beginning the work.

4. GRANTOR(S) shall not erect any building or similar structure over the pressure sewer line, sewage grinder pump or electrical cable; otherwise, GRANTOR(S) may use said property in any manner and for any purpose which will not interfere with the rights hereby granted.

5. GRANTEE shall save the GRANTOR(S) harmless from any and all liability caused by the said GRANTEE, or its agents, in the exercise of the rights granted herein.

WITNESS the due execution hereof.
