Defendant/Counter-Plaintiff shall pay no child support to the Plaintiff/Counter-Defendant. The Maryland Guide Support Guidelines would call for child support in the amount of $7.69. However, most of the Defendant/Counter-Plaintiff's income is applied towards the health insurance benefits for the minor child, and it would be in the best interest of the minor child for child support to be waived so that the Defendant/Counter-Plaintiff has sufficient available funds to maintain her own residence for visitation purposes; and
