COPY

NOTICE TO PERSON AWARDED RESTITUTION BY DISTRICT COURT

- 1.) The District Court has awarded you a judgment of restitution.
- 2.) The judgment of restitution is not a money judgment until it is recorded and indexed in the civil judgment records of the District Court.
- 3.) On your written request and without charge, the Clerk of the District Court will record and index the judgment of restitution as a money judgment. Then, without charge, the Clerk of the District Court will also send a notice of lien to the circuit court for the county, and, without charge, the notice of lien will be recorded and indexed in the circuit court for the county.
- 4.) On your further written request, the Clerk of the District Court will send a notice of lien to the circuit court for any other county that you specify.

Note: If probation or other supervision of the Defendant is terminated and complete restitution and interest has not been paid, the clerk will automatically index and record the judgment and file the notice of lien. However, if you wish to protect your interest now please read the important information below.

IMPORTANT INFORMATION ABOUT RECORDATION AND SATISFACTION OF JUDGMENT

If a circuit court awarded you a judgment of restitution, the judgment will be recorded and indexed in the county of entry automatically and upon your request will be recorded and indexed in any other county that you specify.

The "Request to Record and Index Judgment of Restitution" provided below can be used as your written request to the Court that awarded you the judgment of restitution asking to record and index the judgment and/or place a lien now. Complete and return the request to the Court that awarded the judgment. Keep a copy for your records. There is no filing fee or charge for this service.

Recording and indexing your judgment of restitution as a money judgment constitutes a lien against the defendant's present or future interest in land located in that county, from the date of recording. (Exception: A money judgment entered, recorded and indexed in Baltimore City constitutes a lien from the date of entry.) Having a lien may assist you in collecting the full amount ordered plus interest at the legal rate if the Restitution Obligor does not pay. You may wish to consult an attorney to find out how to enforce the money judgment.

The notice of lien provides legal notice in the judgment records within the county/city in which it is filed until the judgment of restitution has been satisfied in full. Once payment is made in full to a person, that person must file a statement of satisfaction with this Court. If the statement is not filed, the Restitution Obligor may petition this Court to enter an order of satisfaction. A money judgment expires twelve (12) years after the date of entry or most recent renewal. As the judgment holder, you may file a notice of renewal prior to the expiration of the judgment.
