	thereby ORDERED that this Court does not have jurisdiction now to grant a monetary award adjusting the equities of the parties in any assets that would constitute marital property, except for the family home and the family use personal property. The Court after reviewing the monetary award section of the Family Code both in its text asit was in force as of March 1983 and also as later amended and now contained inthe Family Law Article believes it is uncertain whether that (90) day time restriction applies after the expiration of the use and possession order. Therefore, it is hereby ORDERED, this 28th day of October, 1985 that the Court does still have jurisdiction to consider whether the Plaintiff is entitled to a monetary award to adjust the equities of the parties inthe value of the family home and the family use personal property. The Court, however, reminds the Plaintiff that unless there are some special factors that would justify a different result, normally where the equity in the marital property subject to a use and possession order is divided equally between the parties, that equity would not likely be adjusted by a monetary award. The Plaintiff is entitled, however, at the hearing on this issue scheduled for November 5, 1985 to present evidence relevant to the factors set forth in Section 8-205 of the Family Law Article concerning that marital property which had been subject to the use and possession order. NO. 33,854 Equity

May 12, 1981 - Decree dated April 22, 1981 that Cyril Ford, his heirs and assigns, and his tenants, invitees and licensees have the right to use the Abbott lane for ingress and egress, and Marvin P. Abbott and Vera V. Abbott, their heirs and assigns, hereby enjoined from interfering with their access in any way. Mr. & Mrs. Abbott may establish farm gates as may be necessary, but if they are locked a key must be given to Mr. Ford. Mr. Ford may be charged with a proportionate share of the expenses for maintaining the lane in good condition. This Court further finds that Plaintiff has failed to prove that he has used the Resau lane for a sufficient period of time to establish an easement by prescription. The Court finds that some periods of use were permissive, so Plaintiff has no right to use the lane passing over the Resau property. This Court finds insufficient evidence on the issues of compensatory damages and punitive damages and therefore makes no award of damages. Court costs shall be shared equally by Cyril Ford and Marvin Abbott. No costs are to be paid by Mr. and Mrs Resau. (Judge Corderman

January 16, 1991	Order of Court, dated 1/11/91, (Judge Moylan), filed; Ordered that this child support amount is not based on the Maryland Child Support Guidelines for the following reasons: Due to extra-ordinary medical expenses as more particularly described in Supplemental ORder is incurring regarding his adult child, the court finds that is sufficient basis to relieve Defendant of any additional support obligation for the child who is the subject of these proceedings. Supplemental Order, dated 1/14/91, (Judge Moylan), filed; Ordered that the court has determined that the adult child of the Defendant born 11/21/70 is a destitute adulst child in need of care and assistance.
