Maryland Rail Co. of
Cumberland, Md.

Minutes of Stockholders' Meeting and Certificate
Increase of Stock-
Filed & Recorded- Aug. 15" 1904 at 3:20, A.M.
August 13" 1904-

Pursuant to a notice of a meeting of the stockholders of the Maryland Rail Company, of Cumberland Maryland, given by L. C. Millholland, H. H. Dickey, H. E. Weber, and W. C. Dickey, they being a majority of the Board of Directors of said Company, which notice was in the following words to wit:

"Maryland Rail Company of Cumberland, Md. Notice of Increase of Capital Stock .

Notice is hereby given by the Maryland Rail Company of Cumberland, Md., that a meeting of the stockholders of said Company will be held at the office of the Company at its works in South Cumberland, Md., on Monday, the 15th day of August 1904, at 11 o'clock a.m. for the purpose of taking action at said meeting on the proposed increase of the capital stock of said Company from $50,000.00 to $75,000.00 and such other business as shall come before the meeting. All stockholders are requested to attend said meeting."

Which notice was published in the Evening Times, a newspaper published in the City of Cumberland, on the 16th day of July 1904, and a copy of which was mailed to each stockholder of said Company more than three weeks before this 15th day of August 1904, the stockholders of said Company at said hour and place met for the consideration of said business:-

Whereupon, on motion, H. H. Dickey, one of the Directors of said Company was chosen chairman of said stockholders' meeting, and H. E. Weber was chosen secretary of the meeting, there being present and voting, either by the owners and holders thereof, or by proxies duly representing the owners, three hundred fifty four shares of the stock of said Company out of a total issue of five hundred shares, or much more than a two-thirds majority of all said stock:-

And it appearing to the said meeting of stockholders that through inadvertence the aforesaid notice, although actually given to each stockholder more than three weeks before this meeting, and published once in said Evening Times, had not been published once a week for four successive weeks before this meeting, in order to correct said irregularity as to notice the following waiver, signed by each and every stockholder in said Company was filed with the secretary of said meeting in the words following to wit:--

"Whereas on the 15th day of July 1904 L. C. Millholland, H. H. Dickey, H. E. Weber and W. C. Dickey, a majority of the Directors of the Maryland Rail Company of Cumberland Md., published a notice in the Evening Times a newspaper published in the City of Cumberland on the 16th day of July 1904, to the effect that a meeting of the stockholders of said Company would be held at the office of said Company at its works in South Cumberland, Md. on Monday the 15th day of August 1904, at 11 o'clock a. m., for the purpose of taking action at said meeting on the proposed increase of the capital stock of said company from $50,000.00 to $75,000.00 and such further business as should come before the meeting; and;-

Whereas by inadvertence said notice was only published once in said newspaper,

Cert Copy made & sent to State Tax Commissioner Aug. 18th 1904

instead of for four successive weeks as required by law, and whereas on or about said 16th day of July 1904, each of the undersigned stockh olders of said Company received a copy of said notice of said meeting and were each and all duly notified of said meeting-

Now, therefore, in order to obviate the defect in said publication, the undersigned, being each and every stockholder and all the stockholders holding or owning stock in said Rail Company of Cumberland Md., do hereby waive said defect in said publication of notice, and do admit that they were each and all duly notified of said meeting as fully and completely as though said publication had been made according to law".

Whereupon the following proposition to increase the capital stock of said Company was laid before said stockholders' meeting, namely:--

"That the capital stock of the Maryland Rail Company of Cumberland Md., be and the same shall forthwith be increased from fifty thousand dollars ($50,000.00) total capital stock, to seventy five thousand dollars ($75,000.0 0) total capital stock, and from five hundred (500) shares of the par value of one hundred dollars ($100) per share, to seven hundred and fifty (750) shares of the par value of one hundred dollars ($100) per share, or a total increase in capital stock of twenty-five thousand dollars ($25,000,00) "

Whereupon said proposition and motion was discussed by the meeting and passed by the unanimous vote of all the stock and stockholders present at said meeting, being much more than two thirds of the shares of all the stock of said Company issued and outstanding.

There being no further business brought before said stockholders' meeting it thereupon adjourned.

H. E. Weber,
Secretary of said stockholders' meeting of the
Maryland Rail Company of Cumberland, Maryland.

I, H. H. Dickey, Chairman of the stockholders' meeting of the Maryland Rail Company of Cumberland, Md., held at its office at its works in South Cumberland, Md., at 11 o'clock a. m. on Monday the 15th day of August 1904, do hereby certify that I was present at said meeting and was elected and acted throughout the same as Chairman of said stockholders' meeting; that H. E. Weber was elected and acted as Secretary of said stockholders' meeting; that a printed notice of said meeting, a copy of which is set out in the proceedings of said meeting, hereunto annexed as part of this certificate, specifying the time and place where such meeting should be held and the amount to which it was proposed to increase the capital stock of said Company, was mailed in the postoffice, signed by a majority of the directors of said Company, and addressed to each stockholder or member of said Company at his usual place of residence at least three weeks before the date fixed for holding the said

meeting, and that said notice was published once in the Evening Times, a newspaper published in the City of Cumberland, (said city being the place of the principal office of said Company) on the 16th day of July 1904, that through inadvertence said publication was not continued for four successive weeks before the date of said meeting, and that in order to obviate said irregularity under the law, each and every stockholder of said Company, owning and holding each and every share of the stock of said Company that had been issued, to wit, five hundred (500) shares of the par value of one hundred dollars ($100.00) per share, signed and filed with the secretary of said meeting at said meeting an agreement waiving the irregularity of said notice and admitting receipt of said notice in due time; a copy of which waiver is set out as part of the minutes of said meeting hereunto annexed; and I further certify that at said meeting there was represented by the holders and owners of the stock of said Company in person or by duly executed proxies the number of 354 shares of the stock of said Company , and that after the said meeting was organized the increase of said capital stock was proposed in the following words, to wit:--

"That the capital stock of the Maryland Rail Company of Cumberland Md., be and the same shall forthwith be increased from fifty thousand dollars ($50,000.00) total capital stock, to seventy-five thousand dollars ($75,000.00) total capital stock, and from five hundred (500) shares at the par value of one hundred dollars ($100) per share, to seven hundred and fifty (750) shares at the par value of one hundred dollars ($100) per share, or the total increase in capital stock of twenty-five thousand dollars ($25,000.00) "

Which after being discussed was passed and adopted by the unanimous vote of all the stock at said meeting, to wit, by the vote of 354 shares, that number being much more than two thirds of all the shares of the stock of said Company issued and outstanding.

I further certify that the amount of capital which has been actually paid in to said Company on its stock already issued is the sum of fifty thousand dollars, and that the amount to which the capital stock shall be increased in pursuance of said resolution adopted at said meeting is an increase from five hundred (500) shares of the par value of one hundred dollars ($100) per share to seven hundred and fifty shares of the par value of one hundred dollars ($100) per share, or an increase of from fifty thousand dollars ($50,000.00) to seventy-five thousand dollars($75,000.00) of capital stock.
