DeVincent in Civil 89-01790 is to be refiled by consent in Civil 89-01983 as is the request for hearing on that motion filed on the same day and the response filed on 12/28/89. granted and the appeal is dismissed for the reason it was an appeal from a noncognizable Order of the Workers Compensation Commission because it was rendered at a time when the matter was already on appeal in this Court.

Request For Order directing Appellant to pay T.T. benefits filed in CV 1790 is denied for the reason that the request is based upon the theory that the Order of 7/5/89 is valid and the Court holds that it is not valid and not cognizable in this case.

Motion to Consolidate filed on 1/8/90 is moot because case CV 1983 has been dismissed.

Open costs in CV 1983 to be paid by the Appellant, Bay Resins, Inc. and New Hampshire Ins. Co.

November 2, 1989 -- Record Transmittal and Case Record form the Workers' Compensation Commission filed.

January 8, 1990 -- Claimant/Appellee, Ronald J. DeVincent, by his attorneys, David A. Castro and Bruce Ezrine, P.A., copies of Appellee's Motion For Consolidation and Line with attachment filed.

January 11, 1990 -- Copy of correspondence from Michael S. Levin, attorney for Employer/Insurer, expressing consent to the Motion for consolidation filed by the Claimant, filed. Original filed in CV 89-01790.

February 28, 1990 -- HEARING - John W. Sause, Jr., Judge; Anne Bond, Court Reporter.

Mr. Castro was heard on motion to dismiss.

Motion to dismiss the appeal filed 11/2/89 by Ronald J. DeVincent in Civil 89-01790 is to be refiled by consent in Civil 89-01983 as is the request for hearing on that motion filed on the same day and the response filed on 12/28/89. The Motion (which was just refiled in CV 1983) is granted and the appeal is dismissed for the reason it was an appeal from a noncognizable Order of the Workers Compensation Commission because it was rendered at a time when the matter was already on appeal in this Court.

Request For Order directing Appellant to pay T.T. benefits filed in CV 1790 is denied for the reason that the request is based upon the theory that the Order of 7/5/89 is valid and the Court holds that it is not valid and not cognizable in this case.

Motion to Consolidate filed on 1/8/90 is moot because case CV 1983 has been dismissed.

Open costs in CV 1983 to be paid by the Appellant, Bay Resins, Inc. and New Hampshire Ins. Co.

February 28, 1990 -- Motion To Dismiss Appeal (originally filed in CV 1970) refiled in CV 1983.

February 28, 1990 -- Request For A Hearing (originally filed in CV 1970) refiled in CV 1983.
