Ms Lee heard, requested that if special account is permitted, that it be used for childrens current needs. Court feels that special account is appropriate in this case. Ms Lee asked if Mrs Williams would be relieved of obligation to pay 50% of college education. Court responded Yes. Court finds current support obligation to be the amount on Joint Ex#1 and addtl. \$308.31 to be placed in special account with sole beneficiaries & owners to be the children. Mr Price to prepare Order. Ms Lee asked about borrowing against the account. Court responded No. Court finds it inappropriate for money to be paid directly for present welfare and could jeopardize future welfare. Account to be approved by both parties and the money is child support and to be deposited as such. Annual verification of the account to be performed by Trust Clerk. Mr Williams to present Affidavit (under oath) and proof of account and current amount in the account within 30 days.
