Order of Office of Public Defender to enter the appearance of William P. Fennell, Esquire, as attorney for above defendant. June 16, 1972. Hearing held before Judge George B. Rasin, Jr. Mrs. Connie Bennett reporting. Court will hold Application for Writ of Habeas Corpus, filed April 7, 1972, sub curia 4-This action/being taken in light of the unfortunate circumstances that attended the defective delinquency proceeding, as well as the petition for post conviction relief filed in this Court July 30, 1970. From the record of this case, and from the report from Patuxent Institution, and from the attitude of Mr. McDonald himself, it appears to the Court that it is in the best interest, first, of Mr. McDonald as well as in the interest of society that he receive treatment at Patuxent Institution. Therefore, the Court believes that it would not be in the interest of either Mr. McDonald or society if the Court were to grant relief on his application for a writ of habeas corpus, in spite of the fact that there has been inordiate and unexcusable delays in bringing to trial the petition for post conviction, as well as the defective delinquency proceedings. In order to afford Mr. McDonald immediate access to the Court, if there are further delays, the Court has determined to hold the application sub-curia. 5-Filed Jan. 18, 1974. Memorandum and Order of Court that the Petition for Writ of Habeas Corpus of Robert Kenneth Mc Donnell be and it is hereby denied and the proceedings are dismissed. Copies of Memorandum and Order mailed to Robert K. McDonnell and Patuxent Institution.
