This mortgage is executed to secure part of the

35-203

Together with all buildings and improvements now and hereafter on said land, and the rents, issues, and profits of the above described property, (provided, however, that the Mortgagor shall be entitled to collect and retain the said rents, issues, and profits until default hereunder); and all fixtures now or hereafter attached to or used in connection with the premises herein described and in addition thereto the following described household appliances, which are, and shall be deemed to be, fixtures and a part of the realty, and are a portion of the security for the indebtedness herein mentioned:

To HAVE AND TO HOLD the above described property and improvements unto the said Mortgagee, its successors and assigns, in fee simple forever.

PROVIDED, That this conveyance shall be null and void upon the performance of all conditions and stipulations mentioned herein and upon the full payment of the principal debt secured hereby, and the interest thereon, and all moneys advanced or expended, and all other proper costs, charges, commissions and expenses as herein provided. When this mortgage shall have been fully paid off in accordance with its terms and tenor, it will be duly released by the Mortgagee at the request and expense of the Mortgagor, but in the event of default in the payment of any installment of principal or interest as above provided (it being agreed that the default shall exist only if not made good prior to the due date of the next such installment), or if there be a default in any of the conditions, stipulations or covenants of this mortgage, then the Mortgagee may exercise the option of treating the remainder of the mortgage debt hereby secured due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise it at any other time.

The Mortgagor, in order more fully to protect the security of this mortgage, covenants and agrees as follows:

1. Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the mortgage debt hereby secured, the Mortgagor will pay to the Mortgagee, on the first day of each month until the said debt is fully paid, the following sums:

- (a) A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagee, and of which the Mortgagor is notified) less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by Mortgagee in trust to pay said ground rents, premiums, taxes and special assessments.
- (b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:
 - (I) ground rent, if any, taxes, special assessments, fire and other hazard-insurance premiums;
 - (II) interest on the mortgage debt secured hereby; and
 - (III) amortization of the principal of said debt.

Any deficiency in the amount of such aggregate monthly payment shall, unless made good by the Mortgagor prior to the due date of the next such payment, constitute an event of default under this Mortgage. The Mortgagor agrees to pay a "late charge" not to exceed an amount equal to four per centum (4%) of the installment which is not paid within fifteen (15) days of the due date thereof, to cover the extra expense involved in handling delinquent payments.

2. If the total of the payments made by the Mortgagor under (a) of paragraph 1 preceding shall exceed the amount of payments actually made by the Mortgagee for ground rents, taxes, assessments or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the Mortgagor for such items. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency. Such payments shall be made within thirty (30) days after written notice from the Mortgagee stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagee, in accordance with the provisions of the mortgage debt secured hereby, full payment of the entire indebtedness, the Mortgagee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any balance remaining in the funds accumulated under the provisions of (a) of paragraph 1 hereof. If there shall be a default under any of the provisions of this mortgage resulting in a public sale of the premises covered hereby, or if the Mortgagee acquires the property otherwise after default, the Mortgagee shall apply, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the amount then remaining in the funds accumulated under (a) of paragraph 1 preceding, as a credit on the interest accrued and unpaid and the balance to the principal then remaining unpaid under the mortgage debt.

3. The lien of this instrument shall remain in full force and effect during any postponement or extension of the time of payment of the indebtedness or any part thereof secured hereby.

4. He will pay all taxes, assessments, water rates and other governmental or municipal charges, fines, or

impositions, and ground rents for which provision has not been made hereinbefore, and will promptly deliver the official receipts therefor to the Mortgagee. In default of such payment by the Mortgagor, the Mortgagee may pay the same, and any sum or sums so paid by the Mortgagee shall be added to the mortgage debt hereby secured, shall be payable thirty (30) days after demand, shall bear interest at the rate of four per centum (4%) per annum from date of payment and shall be secured by this mortgage.

5. Upon the request of the Mortgagee the Mortgagor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Mortgagee for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at four per centum (4%) per annum and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the creditor and debtor. Failing to agree on the maturity, the sum or sums so advanced shall be due and payable 30 days after demand by the creditor. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

6. He will keep the said premises in as good order and condition as they are now and will not commit or permit any waste thereof, reasonable wear and tear excepted.

7. He will continuously maintain fire and such other hazard insurance as the Mortgagee may require on the improvements now or hereafter on said premises, but shall not be required to maintain amounts in excess of the aggregate unpaid indebtedness secured hereby, and except when payment for all such premiums has theretofore been made under (a) of paragraph 1 hereof, will pay promptly when due any premiums therefor. All insurance shall be carried in companies approved by the Mortgagee and the policies and renewals thereof shall be held by the Mortgagee and have attached thereto loss payable clauses in favor of and in form acceptable to the Mortgagee. In event of loss Mortgagor will give immediate notice by mail to the Mortgagee, who may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the Mortgagee instead of to the Mortgagor and the Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by the Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this mortgage, or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.

8. Upon a default in any of the covenants or conditions of this mortgage, the Mortgagee shall be entitled, without notice to the Mortgagor, to the immediate appointment of a receiver of the property covered hereby, without regard to the adequacy or inadequacy of the property as security for the mortgage debt. Until there is a default under this mortgage the Mortgagor shall have the right to possession of the said property.

9. He specially warrants the property herein mortgaged, and he will execute such further assurances thereof as may be required.

In case of default in any of the payments, covenants or conditions of this mortgage continuing for the space of Sixty (60) days, the whole mortgage debt intended hereby to be secured shall become due and demandable; and it shall be lawful for the said Mortgagee, its successors and assigns, or George R. Hughes, its Attorney or Agent, at any time after such default to sell the property hereby mortgaged, or so much thereof as may be necessary to satisfy and pay said debt, interest and all costs incurred in making such sale, and to grant and convey the said property to the purchaser or purchasers thereof, his, her or their heirs or assigns; and which sale shall be made in the following manner, viz: upon giving twenty days' notice of the time, place, manner and terms of sale in some newspaper printed in Allegany County, and such other notice as by the said Mortgagee or the party making the sale, may be deemed expedient; and in the event of a sale of said property, under the powers hereby granted, the proceeds arising from such sale, to apply: first to the payment of all expenses incident to such sale, including a counsel fee of Fifty Dollars (\$ 50.00) and a commission to the party making the sale of said property equal to the commission allowed trustees for making sale of property by virtue of a decree of a Court having equity jurisdiction in the County aforesaid; second, to the payment of all claims of the said Mortgagee under this mortgage, whether the same shall have matured or not; third to reimbursement of the Veterans Administration for any sums paid by it on account of the guaranty or insurance of the indebtedness secured hereby; and the surplus (if any there be) shall be paid to the said Mortgagor, or to whoever may be entitled to the same.

AND the said Mortgagor hereby covenants and agrees that immediately upon the first insertion of the advertisement or notice of sale as aforesaid under the powers hereby granted, there shall be and become due by him to the party inserting said advertisement or notice, all expenses incident to said advertisement or notice, all court costs and all expenses incident to the foreclosure proceedings under this mortgage and a commission on the total amount of the mortgage indebtedness, principal and interest, equal to one-half of the percentage allowed as commissions to trustees making sale under orders or decrees of the Circuit Court for Allegany County, in Equity, which said expenses, costs and commission the said Mortgagor hereby covenants and agrees to pay; and the said Mortgagee, or its said Attorney, shall not be required to receive the principal and interest only of said mortgage debt in satisfaction thereof, unless the same be accompanied by a tender of the said expenses, costs and commission, but said sale may be proceeded with unless, prior to the day appointed therefor, legal tender be made of said principal, interest, costs, expenses and commission.

If the indebtedness secured hereby be guaranteed or insured under the Servicemen's Readjustment Act, as amended, such Act and Regulations issued thereunder and in effect on the date hereof shall govern the rights, duties and liabilities of the parties hereto, and any provisions of this or other instruments executed in connection with said indebtedness which are inconsistent with said Act or Regulations are hereby amended to conform thereto.

The covenants herein contained shall bind, and the benefits and advantages shall inure to, the respective heirs, executors, administrators, successors and assigns of the parties hereto. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall be applicable to all genders, and Mortgagee shall include any payee of the indebtedness hereby secured or any transferee thereof whether by operation of law or otherwise.

The Mortgagor covenants to maintain all buildings, structures and improvements now or at any time on said premises, and every part thereof, in good repair and condition, so that the same shall be satisfactory to and approved by Fire Insurance Companies as a fire risk, and from time to time make or cause to be made all needful and proper replacements, repairs, renewals, and improvements, so that the efficiency of said property shall be maintained.

Together with the buildings and improvements thereon, and the rights, roads, ways, water, privileges and appurtenances thereunto belonging or in anywise appertaining.

To have and to hold the above described land and premises unto the said mortgagee, its successors and assigns, forever, provided that if the said mortgagor or their heirs, executors, administrators or assigns, do and shall pay to the said mortgagee, its successors or assigns, the aforesaid indebtedness together with the interest thereon, as and when the same shall become due and payable, and in the meantime do and shall perform all the covenants herein on their part to be performed, then this mortgage shall be void.

And it is Agreed that until default be made in the premises, the said mortgagors may hold and possess the aforesaid property, upon paying in the meantime, all taxes, assessments and public liens levied on said property, all which taxes, mortgage debt and interest thereon, the said mortgagors hereby covenant to pay when legally demandable.

And the said mortgagors, as additional security for the payment of the indebtedness hereby secured, do hereby set over, transfer and assign to the mortgagee, its successors and assigns, all rents, issues and profits accruing or falling due from said premises after default under the terms of this mortgage, and the mortgagee is hereby authorized, in the event of such default, to take charge of said property and collect all rents and issues therefrom pending such proceedings as may be necessary to protect the mortgage under the terms and conditions herein set forth.
