(c) The Board of Directors shall have the power, subject to any limitations or restrictions herein set forth or imposed by law, to classify or reclassify any unissued shares of stock, whether now or hereafter authorized, by fixing or altering in any one or more respects, from time to time before issuance of such shares, the preferences, rights, voting powers, restrictions and qualifications of, the dividends on, the times and prices of redemption of, and the conversion of, such shares.

(d) The enumeration and definition of a particular power of the Board of Directors included in the foregoing shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other article of the Charter of the Corporation, or construed as or deemed by inference or otherwise in any manner to exclude or limit any powers conferred upon the Board of Directors under the General Laws of the State of Maryland now or hereafter in force.

SEVENTH: The following provisions are hereby adopted for
the purposes of defining, limiting and regulating, the powers of
the Corporation and of the Directors and Stockholders:

(a) The Board of Directors of the Corporation is
hereby empowered to authorize the issuance from time to time, of

authorized, or securities convertible into shares of its stock,
of any class or classes, whether now or hereafter authorized, for

subject to such limitations and restrictions, if any, as may be
set forth in the By-Laws of the Corporation.

(b) Shares of stock of this Corporation may be issued

(c) Notwithstanding any provisions of law requiring
any action to be taken or authorized by the affirmative vote of
the holders of a designated proportion of the number of shares of

by a vote of the stockholders, such action shall be effective if

taken or authorized by the affirmative vote of the holders of a majority of the total number of shares outstanding and entitled to vote thereon, except as otherwise provided for in these Articles of Incorporation.

(d) The Board of Directors shall have power, subject to any limitations or restrictions herein set forth or imposed by law, to classify or reclassify unissued stock, whether now or hereafter authorized, by fixing or altering in any one or more specified respects, from time to time, before the issuance of such stock, the preferences, voting powers, restrictions and qualifications of, the fixed annual dividends on, and the kinds and redemptions of any stock.

However, the person ascertaining the validity of the contract or transaction bears the burden of proving that the contract or transaction was fair and reasonable to the Corporation at the time it was authorized, approved, or ratified.

(f) The Articles of Incorporation of the Corporation may, from time to time, be amended for any purpose, including any amendment or amendments which change the terms of any of the outstanding stock by classification or reclassification, or otherwise, upon the affirmative vote of a majority of all of the shares of stock outstanding and entitled to vote.
