In the matter of the Estate of Gabriel S. Clark deceased In the Orphans Court of Baltimore City.

In the matter of the petition of Mary E. Polk and Gabriel Clark Polk filed on December 24, 1905, to which separate answers were filed by Helen A. Lenthicum and Gabriel S. Clark Jr. Executors of the Last Will of Gabriel S. Clark deceased the answer of Mrs. Lenthicum being in her individual capacity as well having been heard and fully argued by the respective counsel as are now called upon to pass upon the matter in controversy.

By the said petition it is prayed that the above named Executors be required to distribute the certain right articles therein mentioned and appraised at the sum of \$7500 to the said Mary E. Polk Trustee and to Gabriel S. Clark Jr. jointly and that Mrs. Lenthicum (formerly Mrs. Clark and the widow of the deceased) be required to receive from the petitioners a sum of money equal to one third of the appraised value of said articles, and a tenth of the sum of \$3400 as made in open Court before the trial had begun by the counsel of the petitioners to the counsel of the Mrs. Lenthicum which order was declined. All the parties in interest being in Court or having notice of these proceedings and all the papers and records affecting the Estate of the decedent having been offered and received in evidence, the Court is apprised of the now condition of the Estate and as the time required for the statement of another account by the Executors has elapsed. We have the power and jurisdiction to order the settlement of such account which we will accordingly do.

It appears from the Administration account last stated by the Executors that there remains undistributed in their hands a few on the Emmanuel P. E. Church of Baltimore and the sum of twenty dollars these two items will be included in the distribution to be ordered.

By the 11th clause of his Will Gabriel S. Clark left the lot and improvements thereon known as No 705 St Paul Street in Baltimore City and the household furniture, plate, pictures and other articles therein contained unto my Wife Helen A. Clark during the term of her natural life if she should so long continue my widow and from and of the death or marriage of my said wife --- one half of the property mentioned.

to Trustee herein after mentioned, upon the same trusts and with the same. And for the same purpose as one limited and set forth in the 13th clause of this my last Will --- the other half unto Gabriel S. Clark Jr.

May 1, 1906.

Mrs Lenthicum having renounced the provisions of and refused to be bound by the terms of the will is entitled to receive one third of the personal estate of her husband which shall remain after the payments of just claims. (Cide Article 93 Section 95).

In the case of Raykendall vs executors of his will 3 Md. 373 the Court said Executors and Administrators in Maryland are required to divide specifically or in other words retained between the legatee and the distributee of the deceased except so far as a sale may have been necessary etc. it is provided by the Cide Article 93 Section 97 that the legatee or devisee may appoint two disinterested persons to make distribution amongst the parties entitled to receive a distribution of such articles as to be made etc.

Being of the opinion that Mrs Lenthicum is not required to accept the sum limited by the will in lieu of her one third interest in her husband's estate (personal) but is entitled to receive the same in kind if such disposition will operate equally with the other articles, we will appoint two Commissioners as provided by Article 93 Section 137 above referred to make the distribution of the cash and money undistributed as well as of the real estate mentioned in the petition in these proceedings.

It is therefore this first day of May 1906 ordered by the Orphans Court of Baltimore City that Arthur G. Gibson and William H. Johns are appointed Commissioners to value and make distribution of the following articles and property to wit a certain box in the Emanuel P. E. Church of Baltimore, a musical bench, Gaborstuck (a painting) a black marble granite clock, an old style black marble clock, the gray mare picture, an iron table inlaid, Razors a diamond and garnet ring with name of Margard engraved and twenty dollars in money belonging to the estate of Gabriel E. Clark deceased among the persons entitled by their will to Mrs A. Lenthicum, Mrs Mary A. Cook Trustee and David E. Clark Jr. as to them shall seem met and proper or if in their opinion upon reviewing the said property and articles no distribution among them can be made, which would operate equally, but a sale would be advantageous to them, they shall return their opinion to that effect together with their findings hereunder in writing.

May 25, 1916

In the matter of the Estate of George S. Slack deceased In the Orphans Court of Baltimore City.

The matter of the petition of Charles M. Miller praying the revocation of the letters of administration de bonis non on the Estate of George S. Slack deceased heretofore granted by the Court to George S. Davis, having been set for hearing on May 22nd, 1916, the Court in the matter was had by the reading of the petition and answer of the respondent by the Council. On the petition and argument was thereafter made by the same Council and authorities were called by them and authorities were taken and authorities were taken by counsel for the respondents, and upon the intimation by the Court that the petition would be dismissed, counsel for the petitioner asked leave to offer testimony which was refused.

The facts with respect to the said estate are that Charles M. Slack who was the administrator of the personal Estate of George S. Slack deceased died on the 21st day of February, 1914, and on the 21st day of April, 1914, forty eight days after his death, letters of administration de bonis non on the Estate of George S. Slack, deceased, were being applied for that day for the executor of his will.

The answer of Mr. Davis filed herein shows him to be one of the parties on the administration bond of Mrs. Slack on the matter of the Estate of her deceased husband George S. Slack and interested in having the administration of that Estate completed.

There are no charges of fraud or misconduct made against Mr. Davis on the petition filed and the only cause alleged for his removal and the revocation of his letters is that he was not the next of kin of George S. Slack and is not entitled to have the letters. We do not understand this allegation as sufficient to warrant the revocation of his letters.

Article 9, Section 14, of the Code provides that the Orphans Court has the right and power to grant letters de bonis non in the discharge of the same before the persons entitled if he shall actually apply for the same. It is not contended in this case that the petitioner is any other person other than Mr. Davis, made such application and the Court has judicial knowledge that no other application had been made. It is moreover not contended that the petition was not filed before the grant of letters to any one, he not being of the class of persons entitled to notice under the law. In the case of *James Adams vs. Northburgh*, 73 Maryland Page 373, the Court says "There being no one who was entitled to notice under the statute a Letter of Administration may be granted at the discretion of the Court, Code Art. 93, Section 37, so in the absence of fraud or mistake the applicant could not have had the letters revoked

May 25, 1916.

if he had applied on the ground that he was first entitled. Following this decision and the Statute as contained in Article 93 Sec. 69 Code of 1904 we see no reason why the letters granted to Mr. Davis should be revoked and will therefore dismiss the petition with costs.
