ADDITIONAL PROVISIONS

2. LEASE. LESSOR hereby leases to the LESSEE the above Equipment (hereinafter called "Equipment") for the number of months specified above at a lease rate as set forth above and on the terms and conditions stated herein AND ON THE REVERSE SIDE HEREOF. LESSEE agrees that if there is any inconsistency between the Terms and Conditions of this Lease and of any of the LESSEE'S written purchase orders, the terms of this Lease will govern. The Lease Payments shall commence when the LESSEE has received Equipment which is equal to fifty percent of the value at cost to the LESSOR of all the Equipment to be leased hereunder. The Lease Payments shall thereafter continue in accordance with and as provided in the schedule of Lease Payments as set forth herein. All Lease Payments by LESSEE shall be payable at the office of the LESSOR or at such other place as LESSOR may from time to time appoint. LESSEE hereby authorizes the LESSOR the use of the advance Lease Payments made by LESSEE under this Lease, provided that LESSOR accounts to LESSEE for said payments at the termination of the Lease.

3. LESSOR MAKES NO EXPRESS OR IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE WITH RESPECT TO SUCH LEASED EQUIPMENT AND HEREBY DISCLAIMS THE SAME. LESSEE has made the selection of the above Equipment from the Supplier based on its own judgment and expressly disclaims any reliance upon any statements or representations made by the SUPPLIER. LESSOR IS NOT RESPONSIBLE FOR ANY REPAIRS, SERVICE OR DEFECTS IN THE LEASED EQUIPMENT OR OPERATION THEREOF. In no event shall LESSOR be liable for any indirect special or consequential damages, and without limiting the generality thereof including for any loss, cost or damage to LESSEE or others arising from defects, negligence, delays, failure of delivery, or non-performance of the Equipment. Any undertaking by the Manufacturer or vendors, which is assignable, is herewith assigned to LESSEE by LESSOR without recourse. Such undertaking will not release LESSEE from its obligations to LESSOR to make Lease Payments and to keep, maintain, and surrender the Equipment in good condition.

4. DELIVERY AND ACCEPTANCE. The Equipment shall be shipped directly to the LESSEE by the Supplier. LESSEE agrees to accept such delivery and agrees that the validity of this Lease shall not be affected by any delay in shipment by the Supplier. In the event that LESSEE has not executed a Delivery and Acceptance Receipt upon installation of the Equipment, then LESSEE shall have 48 hours after receipt by LESSEE of the Equipment to give LESSOR written notice specifying any defect in the Equipment, and if said notice has not been received by LESSOR within this period of time, then it shall be conclusively presumed, as between LESSOR and LESSEE, that the Equipment is acknowledged to be in good condition and that LESSEE has accepted and is satisfied that the Equipment constitutes the Equipment specified in the Lease. In the event LESSEE does notify LESSOR as required herein, that LESSEE has not accepted the Equipment then notwithstanding any provisions to the contrary contained herein, LESSEE agrees that in consideration of the termination of this Lease by LESSEE, that LESSOR shall be entitled to retain all advance Lease Payments heretofore made by the LESSEE to the LESSOR.

5. USE. LESSEE shall use Equipment solely in the conduct of its business, and in a careful and proper manner, and will not assign this Lease or its interest hereunder. Additionally, the LESSEE, at its own cost and expense shall keep Equipment in good repair, condition and working order and shall furnish any and all parts and labor required for that purpose. LESSEE shall not make any material alterations to Equipment without the prior written consent of LESSOR. All Equipment, accessories, parts and replacements for or which are added to or become attached to equipment shall immediately become the property of LESSOR and shall be deemed incorporated in Equipment and subject to the terms of this Lease as if originally leased hereunder. LESSEE covenants that it will make lawful use of the Equipment.

By execution hereof, the signer hereby certifies that he has read this Lease consisting of the foregoing and INCLUDING THE REVERSE SIDE HEREOF, and that he is duly authorized to execute this Lease on behalf of the LESSEE, and hereby acknowledges receipt of a copy of this Lease. LESSEE UNDERSTANDS AND AGREES THAT NEITHER THE SUPPLIER NOR ANY SALESMAN OR OTHER AGENT OF THE SUPPLIER IS AN AGENT OF LESSOR. NO SALESMAN OR AGENT OF THE SUPPLIER IS AUTHORIZED TO WAIVE OR ALTER ANY TERM OR CONDITION OF THIS LEASE, AND NO REPRESENTATION AS TO THE EQUIPMENT OR ANY OTHER MATTER BY THE SUPPLIER SHALL IN ANY WAY AFFECT THE LESSEE'S OBLIGATIONS TO PERFORM INCLUDING THE PAYMENT OF THE LEASE PAYMENTS SET FORTH IN THIS LEASE. 18 NOTICES. All notices relating hereto shall be in writing and delivered in person to an officer of the party to which such notice is being given or mailed by certified mail to such party at the address specified above its signature hereto, or at such other address as may be hereafter specified by like notice by either party to the other.

19 CAPTIONS. Captions are inserted for reference or convenience only, and shall not be construed to alter or vary the text.

20 ACCESS. If Equipment is removed ... or without the consent of LESSOR, from the address specified above, LESSEE shall, whenever requested, advise LESSOR of its exact location. LESSOR may, for the purpose of inspection, at all reasonable times, enter upon any job, building or place where Equipment is located and may remove Equipment forthwith without notice to LESSEE, if Equipment is in the opinion of LESSOR being used beyond its capacity or in any manner improperly cared for, abused, or misused.

21 INDEMNITY. LESSEE shall and does hereby agree to indemnify and save LESSOR, successors and assigns harmless from any and all liability, damages, or loss, including reasonable counsel fees, arising out of the ownership, selection, possession, leasing, renting, operation (regardless of where, and how and by whom operated), ... condition (including but not limited to latent and other defects whether or not discoverable by LESSEE), maintenance, delivery and return of the Equipment, or in the event that the LESSEE shall be in default hereunder, arising out of the condition of any item of Equipment sold or disposed of after use by the LESSEE. The indemnities and obligations herein provided shall continue in full force and effect notwithstanding the termination of this Lease.

22 INDEMNIFICATION FOR LOSS OF TAX BENEFITS. LESSEE agrees that it and LESSOR have entered into this Lease on the assumption that LESSOR or any assignee of LESSOR shall be entitled to all deductions, credits, and other tax benefits which are provided by Federal, state or local income tax laws to an owner and LESSOR of new Personal property intended for domestic use by a person which is neither a governmental entity nor a tax-exempt organization (the "Tax Benefits"). In the event that LESSOR shall lose the right to claim, or there shall be disallowed or recaptured with respect to LESSOR all or any portion of the Tax Benefits with respect to any item of Equipment (any such loss being hereafter referred to as a "Loss"), and notwithstanding anything contained in this Lease to the contrary, LESSEE shall pay to LESSOR, within 30 days after written notice by LESSOR to LESSEE that a loss has occurred, an amount which, in the reasonable opinion of LESSOR will cause LESSOR'S net after-tax yield to remain what it would have been had such Loss not occurred. LESSEE shall not be obligated to indemnify LESSOR, pursuant to this section, if a Loss results from (i) a casualty event with respect to an item of Equipment if the Casualty Value of such item is paid by LESSEE to LESSOR, (ii) a voluntary sale or exchange of an item of Equipment by LESSOR; or (iii) an act of omission on the part of LESSOR, unless such act or omission is contemplated by this Lease. LESSOR agrees to give LESSEE prompt notice of any action on the part of any tax authority which could result in a Loss. After such notice is given, LESSOR agrees to consult with LESSEE and to take such action as LESSOR, in its sole discretion, deems appropriate to contest such action by the tax authority. This tax indemnification shall continue in full force and effect, notwithstanding termination of this Lease.

23 ENTIRE AGREEMENT; CHANGES. This Lease contains the entire agreement between the parties and may not be altered, amended, modified, terminated or otherwise changed except by a writing signed by an executive officer of the LESSOR.

24 MISCELLANEOUS. This Lease shall be binding when accepted in writing by the LESSOR in the State of Massachusetts and shall be governed by the laws of the State of Massachusetts.

25 OTHER COVENANTS AND WARRANTIES OF LESSEE. LESSEE agrees that this Lease is irrevocable for the full term hereof, that LESSEE'S obligations under this Lease are absolute and shall continue without abatement and regardless of any disability of LESSEE to use the Equipment or any part thereof because of any reason including, but not limited to, war, act of God, governmental regulations, strike, loss, damage, destruction, obsolescence, failure of or delay in delivery, failure of the Equipment properly to operate, termination by operation of law, or any other cause.

GUARANTY

In consideration of Eaton Financial Corporation ("LESSOR") entering into the above equipment lease agreement (the "Lease"), the Undersigned unconditionally guarantees to LESSOR the prompt payment in full, when due, of all of LESSEE'S obligations under the Lease including without limitation, every Lease Payment payable under the Lease. LESSOR shall not be required to proceed against LESSEE or the Equipment ... before ... any other remedy before proceeding against the Undersigned. The Undersigned agrees to pay all attorney's fees and other expenses incurred by the LESSEE. The Undersigned waives notice of acceptance hereof and all other notices or demands of any kind to ... that LESSOR may, without affecting Undersigned's liability, compromise or release, on terms satisfactory to it, or by ... against, and grant extensions of time of payment to LESSEE and other obligors and guarantors, and may consent to the ... This is a continuing Guaranty and shall not be discharged or affected by death of the Undersigned, shall bind the heirs, ... cessors and assigns, and may be enforced by or for the benefit of any assignee or successor of the LESSOR to the ... enforce it.

It is agreed that any amount to be retained by Holder and the balance to be paid by Buyer under this paragraph shall not be as a penalty but as liquidated damages for the breach hereof. The remedies provided for herein may be exercised, to the extent permitted by law, successively or concurrently and the exercise of one shall not bar the other. Buyer and Holder waive any and all right to a trial by jury in any action or proceeding based hereon. Buyer hereby irrevocably authorizes any attorney of any court of record to appear for and confess judgment against Buyer (except in any jurisdiction where such action is not permitted by law) for the Balance and other monies due to Holder, plus expenses and 20% added for attorney's fees, without stay of execution, and Buyer hereby waives and releases relief from any and all appraisement, stay or exemption laws then in force and further waives, with full knowledge of Buyer's rights and the effect of this waiver, any right to a hearing prior to any retaking of collateral by Holder. Holder is hereby authorized to file one or more financing statements or a reproduction hereof as a financing statement. All security interests shall attach to any proceeds. In its sole discretion Holder may apply and/or change applications of any sums paid and/or to be paid by or for Buyer under any agreements, to any obligations of Buyer to Holder, presently existing or otherwise. Each person signing this contract warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the Balance hereunder. Late charges shall be calculated at one fifteenth of 1% per day but not exceed any maximum permitted by applicable law.

This contract note contains the entire agreement of the parties and may not be modified except in writing. Seller shall not by acceptance of overdue payments or by any act or omission to act be deemed to have waived any right hereunder. A waiver on one occasion shall not operate as a waiver on a future occasion. As part of the consideration for Seller's entering into this contract, Buyer hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Buyer's true and lawful attorney-in-fact and agent for Buyer and in Buyer's name, place and stead to accept service of any process within the State of New York, Holder agreeing to notify Buyer, at Buyer's address shown herein, by certified mail, within three days of such service having been effected. The parties hereto agree to the venue and jurisdiction of any court in the State of New York regarding any matter arising hereunder. Any provision hereof violating the law of any jurisdiction shall when governed by the law of such jurisdiction, be deemed void to the extent of such prohibition, but without invalidating the remaining provisions hereof. The parties each warrant and agree that Buyer has not received possession of the property prior to the date hereof. Intending that each and every provision of this contract note be fully effective according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state of residence or principal place of business of the Buyer, Seller or Holder, whichever renders each such provision effective. This contract shall be binding upon the heirs, administrators, legal representatives and successors of the Buyer.

For valuable consideration, the receipt whereof is hereby acknowledged, the undersigned ("Seller") hereby sells, assigns, endorses, transfers and sets over to CREDIT ALLIANCE CORPORATION ("Assignee"), its successors and assigns, the within conditional sale contract note (the "contract") and all right, title and interest in and to the property therein described (the "property"), and all rights and remedies therein, including the right to collect installments due thereon, and the right either in Assignee's own name, or in Seller's name, to take such legal proceedings or otherwise as Seller might have taken save for this assignment and endorsement, and warrants the payment when due of each sum payable thereunder and the payment on demand of the entire unpaid balance, in the event of nonpayment by the Buyer therein named ("Buyer") of any payment at its due date, or of any other default by Buyer without first requiring Assignee to proceed against Buyer. Seller will reimburse Assignee for all expenses not paid by Buyer, in connection with enforcing its rights hereunder, including but not limited to, attorneys' fees, court costs, expenses of repossession and sale and interest on overdue payments. In consideration of Assignee accepting this assignment/endorsement, Seller hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Seller's true and lawful attorney-in-fact and agent for Seller and in Seller's name, place and stead to accept service of any process within the State of New York, Assignee agreeing to notify Seller at its address shown in the contract by certified mail within three days of such service having been effected. Assignee may at any time, without prior notice or demand to Seller, appropriate and apply toward the payment of any of Seller's obligations to Assignee, any and all balances, sums, property, credits, accounts, reserves, collections, checks or instruments belonging or payable to Seller in Assignee's possession, and for such purposes endorse the name of Seller on any instrument payable to Seller. Seller agrees that Assignee may audit Seller's books and records relating to all paper sold to it and agrees that without notice to and without releasing the liability of Seller hereon Assignee may release any rights against, grant extensions of time of payment to, and compromise claims with Buyer or any other obligor on the contract and repossess and resell any property, and Seller waives presentment and demand for payment, protest and notice of protest hereof and as to any other note or notes endorsed or hereafter to be endorsed by Seller, and Seller expressly waives the benefits of any present or future provisions of law which might extend the obligation of Seller as the result of any extension obtained by Buyer in any proceedings under any present or future provisions of law.

Seller warrants that the contract is genuine and in all respects what it purports to be; that all statements therein contained are true; that the contract is fully enforceable and the only contract and note executed for the property; that at the time of the execution of this assignment and endorsement Seller had good title to the property and the right to transfer title thereto; that the property has been duly delivered and accepted in accordance with the terms of the contract; that all parties to the contract have capacity to contract; that Seller has no knowledge of any facts which impair the validity of said contract or render it less valuable or valueless; that there is unpaid and owing thereon the whole of the balance due and Seller warrants against all liens, claims, defenses and counterclaims, real or claimed; Seller warrants compliance with all filing and recording requirements and all Federal, State and Municipal laws and rules, orders or regulations regarding conditional sale contracts, security agreements, notes and installment paper, hereby agreeing that any filing or recording or renewals thereof which Assignee may undertake at Seller's request, or otherwise, shall be at Seller's expense and without any responsibility whatsoever on Assignee's part for any omission or invalid accomplishment thereof, whether through Assignee's failure, neglect or for any reason, and such omission or invalid accomplishment shall not relieve Seller of any responsibility to Assignee. Assignee is hereby authorized to file one or more financing statements against or in the name of Seller. Seller expressly represents and warrants that the contract arises out of a bona fide sale in the first instance of the property by Seller to Buyer and that title to the property originated with Seller and not with Buyer and that prior to the execution of the contract, Buyer did not either directly or indirectly have any interest in the property, and that an actual delivery to and acceptance by Buyer has been made for Buyer's proper uses and purposes, and that any down payment was made by Buyer in cash and not its equivalent unless otherwise specifically stated in the contract and that no part thereof was loaned directly or indirectly by Seller to Buyer. Seller will not advance, give, or loan to Buyer directly or indirectly any part of the unpaid purchase price; that Buyer has not and will not either directly or indirectly receive from or through Seller any part of the consideration for this assignment and that Seller shall be fully liable for payment of all of Buyer's obligations in the event Buyer fails to pay its obligation under the contract in full immediately upon the sale, transfer, assignment or conversion of the property. Seller shall have no authority without Assignee's prior written consent to accept collection and/or repossess and/or consent to the return of the property and/or modify the terms of the contract. Pay to the order of Credit Alliance Corporation.

Notice of the acceptance hereof is hereby waived, and none of the terms hereof shall be modified except by a writing signed by an officer of Assignee. This assignment and endorsement has been executed and delivered to Assignee pursuant to and in furtherance of an existing agreement, if any, between Seller and Assignee. All representations, warranties and agreements therein contained are incorporated herein by reference and are deemed repeated by Seller as as to induce Assignee to accept this assignment and endorsement.

(e) Mortgagor shall comply (so far as may be necessary to protect the Mortgaged Property and the lien of this Mortgage thereon) with all of the terms and conditions of leases covering the premises wherein the Mortgaged Property is located and with any orders, ordinances, laws or statutes of any city, state or other governmental department having jurisdiction with respect to the premises or the conduct of business thereon, and, where requested by Mortgagee, will correct any informalities or execute any written instruments and do any other acts necessary to more fully effectuate the purposes and provisions of this instrument.

If Mortgagor shall default in the performance or fulfillment of any of the terms, conditions, promises, covenants, provisions and warranties on Mortgagor's part to be performed or fulfilled under or pursuant to this Mortgage, Mortgagee may, at its option, without waiving its right to enforce this Mortgage according to its terms, immediately or at any time thereafter, and without notice to or demand upon Mortgagor, perform or fulfill the same, or cause the performance or the fulfillment of the same, for the account and at the sole cost and expense of Mortgagor, and the cost and expense thereof (including reasonable attorneys' fees) shall be a lien on the Mortgaged Property, added to the amount of the Mortgage Obligations, and shall be payable on demand with interest at the rate specified in Paragraph 3 hereof. This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale. Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate, however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns, and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, successors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective, however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.

TERMS AND CONDITIONS OF LEASE

1 LEASE LESSOR hereby leases to LESSEE and LESSEE hereby hires and takes from LESSOR, the personal property set forth on the EQUIPMENT Schedule above with all replacement parts, additions, accessories incorporated therein and/or affixed thereto, hereinafter referred to as EQUIPMENT

2 RENTALS During and for the original term hereof LESSEE hereby agrees to pay LESSOR as and for rental of the EQUIPMENT the amounts specified above as monthly or other calendar period rental multiplied by the number of months or periods specified above. The first rental payment shall be made on the effective date as set forth above. In the event the effective date is omitted when the LEASE is executed by the LESSEE, the LESSOR shall insert the effective date of this LEASE which shall be the expected date of delivery of EQUIPMENT. Subsequent monthly or other period rental payments shall be due on the same day of subsequent months or other calendar periods as the effective date of this LEASE. All payments shall be made at the office of the LESSOR at 3000 Dundee Road, Northbrook, Illinois 60062, or as otherwise directed by the LESSOR in writing.

3 SECURITY DEPOSIT At the LESSOR'S option any security deposit made hereunder may be applied by LESSOR to cure any default of LESSEE in which event LESSEE shall promptly restore the security deposit to its full amount as set forth above. IF ALL THE CONDITIONS HEREIN ARE FULLY COMPLIED WITH THE SECURITY DEPOSIT SHALL BE REFUNDED TO THE LESSEE WITHIN 30 DAYS AFTER THE RETURN OF THE EQUIPMENT TO THE LESSOR AT THE TERMINATION OF THE ORIGINAL TERM HEREOF OR OF ANY RENEWAL TERM.

4 WARRANTIES LESSOR will request the supplier to authorize LESSEE to enforce in its own name all warranties, agreements or representations, if any, which may be made by the supplier to LESSEE or LESSOR, BUT LESSOR ITSELF MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION THE CONDITION OF EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE. NO DEFECT OR UNFITNESS OF THE EQUIPMENT SHALL RELIEVE LESSEE OF THE OBLIGATION TO PAY RENT OR OF ANY OTHER OBLIGATION UNDER THIS LEASE. The Lessee also acknowledges that the Lessor has made no representation or warranty of any kind, nature or description, express or implied, with respect to the Equipment.

5 TERM AND RENEWAL The original term of this LEASE shall commence on the effective date as set forth above and shall terminate upon the expiration of the number of months, or other calendar periods, set forth above from said date. Provided LESSEE has carried out all the terms and conditions of this LEASE on LESSEE'S part to be kept and performed, LESSEE shall have the option to renew this LEASE for additional periods of one year each beginning the day following the date of termination of the original term of this LEASE and ending one year thereafter. Rentals during any such yearly renewal period shall be as indicated above and shall be payable in advance. During any such renewal period, all of the provisions of this LEASE shall govern except original term rental rates. Notice in writing of renewal shall be addressed to LESSOR at least 60 days in advance of the expiration of the original term hereof or of any subsequent renewal term.

THIS LEASE IS SUBJECT TO THE TERMS AND CONDITIONS PRINTED ABOVE AND ON REVERSE SIDE WHICH ARE MADE PART THEREOF AND WHICH LESSEE ACKNOWLEDGES THAT IT HAS READ.

6 EQUIPMENT AND LIABILITY. LESSOR, at the request of LESSEE, has ordered or shall order the EQUIPMENT described above from a supplier selected by LESSEE. LESSOR shall not be liable for specific performance of this LEASE or for damages, if, for any reason, supplier fails to accept such order or delays or fails to fill the order. LESSEE agrees to accept such EQUIPMENT and authorizes LESSOR to add the serial number of the EQUIPMENT to this LEASE.

LESSOR shall not be liable to LESSEE for any loss, damage or expense of any kind or nature, caused directly or indirectly by any EQUIPMENT leased hereunder or the use or maintenance thereof, the repair, servicing or adjustment thereto, or for any delay or failure to provide any thereof, any interruption of service or loss of use of the EQUIPMENT, or for any loss of business or damage whatsoever and howsoever caused.

7 ERRORS IN ESTIMATED COST. As used herein, "actual cost" means the cost of LESSOR of purchasing and delivering the EQUIPMENT to LESSEE, including taxes, transportation charges and other charges. The amount of each rent payment, the security deposit, and the renewal rental initially set forth above are based on the total cost initially set forth, which is an estimate, and each shall be adjusted proportionally if the actual cost of the EQUIPMENT differs from said estimate. LESSEE hereby authorizes LESSOR to correct the figures set forth above when the actual cost is known, and to add to the amount of each rent payment any sales or other tax that may be imposed on or measured by rent payments. If the actual cost of the EQUIPMENT differs from the estimated cost by more than ten per cent (10%) thereof, however, either party at its option may terminate this LEASE by giving written notice to the other party within fifteen (15) days after receiving notice of the actual cost or the corrected rent.

8 PLACE OF USE. LESSEE shall keep the EQUIPMENT at its place of business as specified above. LESSEE covenants and agrees not to allow the use of the EQUIPMENT by other than the employees of the LESSEE and covenants and agrees not to rent or sublet the EQUIPMENT or any part thereof to others for their own use.

9 USE AND RETURN OF EQUIPMENT. The LESSEE shall exercise due and proper care in the use, repair and servicing of the equipment and at all times and at its expense shall keep and maintain the leased property in good working condition, order, and repair. The LESSEE shall make no alteration to the leased property without the prior written consent of the LESSOR. Upon the expiration or termination of this LEASE, LESSEE at its sole expense shall forthwith properly pack and return the EQUIPMENT to LESSOR, at such place designated by LESSOR within the Continental United States, in the same condition as when received by LESSEE, reasonable wear and tear alone excepted. All replacement parts, additions and accessories incorporated in or affixed to the EQUIPMENT after the commencement of this LEASE shall become the property of LESSOR.

10 INSURANCE. LESSEE shall at its own expense keep the EQUIPMENT insured against such risks, in such amounts, including the amount of the replacement value of the EQUIPMENT, in and with such companies as LESSOR shall determine. Said insurance shall provide for loss, if any, payable to the LESSOR. LESSEE shall have no Pro Rata interest in any such policies or the proceeds thereof. Subject to the provisions of paragraph 19 with regard to risk of loss, and without limiting such provisions in the case of any loss or damage covered by insurance, and only to the extent that such loss or damage is covered by such insurance, the proceeds of such insurance shall be applied, at the option of LESSOR, (a) toward the replacement, restoration or repair of EQUIPMENT which may be lost, stolen, destroyed or damaged or (b) toward the obligations of LESSEE for rent hereunder. In the event the LESSOR elects to apply insurance proceeds to the repair or to the replacement of the damaged EQUIPMENT, this LEASE shall continue in full force and effect. In the event the LESSOR elects to apply insurance proceeds to the payment of LESSEE'S obligations for rent hereunder, the LESSEE'S obligations for or the rent hereunder shall be reduced by the amount of such insurance proceeds, but the LESSEE shall be liable for any additional rents due. Such reduction of rents shall be allocated solely to the item or items lost, stolen, damaged or destroyed.

11 TAXES. The LESSEE shall pay all taxes and assessments (and interest and penalties, if any, thereon) which may be levied, directly or indirectly, against the EQUIPMENT or any interest therein or with respect to the ownership, possession or use thereof, whether such taxes are levied against the LESSOR or the LESSEE. Such taxes to be paid by the LESSEE shall include, without limitation, property, sales, rent, lease, and use taxes and any other tax measured by the gross rent payable hereunder, but shall not include net income or franchise taxes payable by the LESSOR. If such taxes are levied against the LESSOR, it shall notify the LESSEE of such fact. The LESSOR shall have the right, but not the obligation, to pay any such taxes, whether levied against the LESSOR or the LESSEE. In such event the LESSEE shall reimburse the LESSOR therefor within five days after receipt of invoice and for the failure to make such reimbursement when due the LESSOR shall have all remedies provided herein with respect to the nonpayment of the rental hereunder.

12 TITLE. All said EQUIPMENT shall remain personal property and the title thereto shall remain in the LESSOR, exclusively. LESSEE shall keep the EQUIPMENT free from any and all liens and encumbrances. LESSEE shall give LESSOR immediate notice of any attachment or other judicial process, liens or encumbrances affecting the EQUIPMENT and shall indemnify and save LESSOR harmless from any loss or damage caused thereby.

13 FILING. LESSEE hereby authorizes LESSOR to file this LEASE, any financing statements or security agreements with respect to the EQUIPMENT or any collateral provided by LESSEE to LESSOR prior to or following LESSOR'S acceptance of this LEASE, in any state of the United States. LESSEE further authorizes LESSOR to file such LEASE, financing statement or security agreement without the signature of LESSEE thereon. LESSEE shall execute such supplemental instruments and financing statements if LESSOR deems such to be necessary or advisable and shall otherwise cooperate to defend the title of the LESSOR by filing or otherwise.

14 RIGHT OF INSPECTION. The LESSOR, its agents, dealers, and representatives, shall have the right at any time during usual business hours to inspect the EQUIPMENT and for that purpose to have access to the location of the EQUIPMENT.

15 NON-WAIVER. LESSOR'S failure at any time to require strict performance by LESSEE of any of the provisions hereof shall not waive or diminish LESSOR'S right thereafter to demand strict compliance therewith or with any other provision. Waiver of any default shall not waive any other default. LESSOR'S rights hereunder are cumulative and not alternative.

16. POSSESSION. LESSOR covenants to and with LESSEE that LESSOR is the lawful owner of said EQUIPMENT free from all encumbrances, and that, conditioned upon LESSEE performing the conditions hereof, LESSEE shall peaceably and quietly hold, and use the EQUIPMENT during said term without hindrance.

17 DEFAULT. If LESSEE fails to pay any rent or other amount herein provided within Five (5) days after the same is due and payable, or if LESSEE fails to observe, keep or perform any other provision of this LEASE required to be observed, kept or performed by LESSEE, or if LESSEE ceases doing business as a going concern, or if a petition is filed by or against LESSEE under the Bankruptcy Act or any amendment thereto (including a petition for reorganization or an arrangement), or if a receiver is appointed for LESSEE or its property, or if LESSEE commits an act of bankruptcy, becomes insolvent, makes an assignment for the benefit of creditors, or offers a composition or extension of any or its indebtedness, or if LESSEE, without LESSOR'S prior consent, attempts to remove or sell or transfer or encumber or sublet or part with the possession of said EQUIPMENT, or if LESSOR deems itself insecure, then LESSOR or its agents shall have the right to exercise any one or more of the following remedies: (a) To declare the entire amount of rent hereunder immediately due and payable without notice or demand to LESSEE, (b) To sue for and recover from the LESSEE an amount equal to the unpaid balance of the rent due and to become due during the term of this LEASE, as well as all attorneys' fees and other expenses incurred by LESSOR in an attempt to enforce the provisions of this LEASE, (c) To sue for and recover damages for the LESSEE'S default, or (d) To take possession of any or all items of EQUIPMENT without demand or notice wherever same may be located without any Court Order or other process of law. Upon retaking possession of any or all items of EQUIPMENT, the LESSOR at its option may (i) lease repossessed EQUIPMENT or any part thereof to any third party on such terms and conditions as the LESSOR may determine or (ii) sell the EQUIPMENT or any part thereof to the highest bidder at public auction or at private sale and may credit the amount so realized less all expenses, including attorney's fees, incurred in connection with such disposition to the unpaid balance of rent due and to become due and hereunder. LESSEE hereby waives any and all damages occasioned by such taking of possession. Any said taking of possession shall not constitute a termination of this LEASE and shall not relieve LESSEE of its original obligation hereunder unless LESSOR expressly so notifies LESSEE in writing. In addition, the LESSOR shall have upon default such other and further remedies and rights as may be available at law by reason of the LESSEE'S default.

18 ASSIGNMENTS. Neither this LEASE or the LESSEE'S rights hereunder shall be assignable by the LESSEE herein except with LESSOR'S written consent. LESSOR shall have the right to assign this LEASE or any part thereof. If LESSOR assigns the rents reserved herein or all or any of the LESSOR'S other rights hereunder, or amounts equal thereto, the right of the Assignee to receive the rentals as well as any other right of the Assignee shall not be subject to any defense, setoff, counterclaim or recoupment which may arise out of any breach or obligation of LESSOR or by reason of any other indebtedness or liability at any time owing by LESSOR to LESSEE. for the state where accepted by Lessor, or as otherwise limited by Lessor in writing. Should Lessor pay taxes on account of the equipment any sums must then thirty days prior to the next commencement date Lessee will pay Lessor as additional rent along with the first rent payment due after the rent commencement date an amount equal to 7% of such sums paid for each day from the date of payment to the rent commencement date, except where such additional rent would not be permitted by applicable law, in which event said additional rent shall be the maximum permitted by law.

7. Lessor may, but is not obligated to, apply any advance rent toward any default of Lessee hereunder, in which event Lessee shall promptly restore the advance rent to the full amount specified herein. Any advance rent shall be held by Lessor without charge for interest and may be applied by Lessor, in its sole discretion, against the latest installments of rent hereunder in the inverse order of their respective maturities, but Lessor shall not be obligated to do so.

8. If, upon the expiration of the original or any renewal term hereof, Lessee is not then and has not been in default in any of Lessee's obligations to Lessor and this lease specifies a Renewal Rent amount, Lessee may renew this lease for one year at the Renewal Rent so specified by giving Lessor written notice of renewal at least sixty days prior to the expiration of the original or any renewal term and payment along with such notice of the Renewal Rent amount. If this lease is not renewed under the terms of the immediately preceding sentence for any reason whatsoever, Lessor may notify Lessee prior to the expiration of the original or any renewal term hereof, that if Lessee fails to return the equipment as herein provided at the end of the then current term hereof, this lease shall be renewed for an additional one year term at the same rent provided for in this lease for the initial term. All of the terms and conditions of this lease shall apply and be in full force and effect during any and all renewal terms.

9. Unless Lessee gives Lessor written notice of such defect or other proper objection to an item of equipment within three business days after receipt thereof, it shall be conclusively presumed, as between Lessee and Lessor, that the item was delivered in good repair and that Lessee accepts it as an item of equipment described in this lease. Lessee warrants and represents that no item of equipment has been delivered to Lessee prior to the date of Lessor's acceptance hereof, which shall be deemed the date of this lease. Lessee will deliver to Lessor a delivery/installation receipt (Lessor's form) for each and every item immediately upon Lessor's request.

10. Lessee shall use equipment in a careful manner and shall comply with all laws relating to its possession, use and maintenance. The equipment shall be delivered and thereafter kept at the location specified above or, if none is specified, at Lessee's address as set forth above, and shall not be removed therefrom without Lessor's prior written consent.

11. If Lessor supplies Lessee with labels stating that equipment is owned by Lessor, Lessee shall affix and keep same in a prominent place on each item of equipment. Lessor is hereby authorized to file one or more financing statements and may sign same as agent and attorney in fact for Lessee. Lessee, at its expense, shall keep equipment in good repair and furnish all parts, mechanisms and devices required therefor. Lessee shall not make any alterations, additions or improvements to equipment without Lessor's prior written consent. All additions and improvements made to equipment shall belong to Lessor. Upon the expiration or earlier termination of this lease, Lessee, at its sole expense, shall return equipment in good repair, ordinary wear and tear resulting from proper use thereof alone excepted, by delivering it to such place as Lessor may specify. If Lessor, for any reason, does not receive the equipment immediately upon the expiration of the term hereof and there is no renewal under section 8 hereof, Lessor will receive as use and occupancy of the equipment or any portion thereof for each month or portion thereof, between the date of expiration and the date of return of equipment, an amount equal to 150% of the monthly rent specified for the initial lease term and the provisions hereof shall remain in effect and bind Lessee until such return of equipment.

12. Lessee shall bear the entire risk of loss, theft, damage or destruction of equipment from any cause whatever, and no loss, theft, damage or destruction of equipment shall relieve Lessee of the obligation to pay rent or of any other obligation under this lease. In the event of damage to any item of equipment, Lessee shall immediately place same in good repair. If Lessor determines that any item of equipment is lost, stolen, destroyed or is damaged beyond repair, Lessee at the option of Lessor, shall (a) replace same with like equipment in good repair, or (b) pay Lessor in cash all of the following: (i) all amounts then due and payable by Lessee to Lessor under this lease, (ii) an amount equal to twenty percent of the cost of said item, and (iii) the unpaid balance of the Total Rent for the initial term of this lease attributable to said item. Upon Lessor's receipt of such payment, Lessee shall be entitled to whatever interest Lessor may then have in said item, in its then condition and location, without warranty, expressed or implied. The parties hereto agree that the sum of the amounts mentioned in (ii) and (iii) equals the fair value of said item on the date of such loss, theft, damage or destruction.

13. Lessee shall provide and maintain insurance against loss, theft, damage or destruction of equipment in an amount acceptable to Lessor but not less than the Total Rent payable hereunder, with loss payable to Lessor. Each policy shall be delivered to Lessor and shall expressly provide that said insurance as to Lessor and its assigns shall not be invalidated by any act, omission or neglect of Lessee. Lessor may apply the proceeds of said insurance to replace or repair equipment and/or to satisfy, in whole or in part, Lessee's obligations to Lessor. Lessee hereby irrevocably appoints Lessor as Lessee's attorney in fact to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts received in payment for loss or damage under any of said insurance. Lessor may at any time, with or without exercising any of the rights or remedies available to it and without prior notice or demand to Lessee, appropriate and apply toward the payment of any of Lessee's obligations to Lessor any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Lessor's possession and belonging or owing to Lessee and for such purposes, endorse Lessee's name on any such instrument made payable to Lessee for deposit, negotiation, discount or collection. Such applications may be made and/or any monies paid to Lessor may be applied and/or previous application changed to apply, without notice to Lessee, partly or entirely to any of Lessee's obligations to Lessor arising hereunder or otherwise as Lessor in its sole discretion may elect. If Lessee fails to procure and maintain insurance as herein provided or to pay any charges and taxes, Lessor shall have the right, but shall not be obligated to effect such insurance and/or pay such charges and taxes, and Lessee shall repay to Lessor the cost thereof as additional rent hereunder with the next payment of rent. Lessee shall also provide and maintain paid public liability (personal injury and property damage) insurance, naming lessor as additional insured.

14. Lessee shall hold harmless and indemnify Lessor against any and all claims, actions, proceedings, expenses, attorneys' fees, damages and liabilities, arising in connection with the equipment, its manufacture, selection, purchase, delivery, possession, ownership, leasing, renting, control, maintenance, delivery, use, operation and/or return and/or recovery of claims under insurance policies thereon. Lessee shall pay promptly when due all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, renting, sale, purchase possession or use of equipment, and shall save Lessor harmless against any actual or asserted violations and pay all costs, expenses, penalties, interest and charges of every kind in connection therewith or arising therefrom. The obligations of Lessee shall survive termination of this agreement. In any jurisdiction where the Uniform Commercial Code is in effect Lessee grants to Lessor a security interest in any and all goods, chattels, fixtures, furniture, equipment, assets and property of every kind wherever located, now and/or hereafter belonging to Lessee and in which Lessee has any interest and agrees that any security interest created by this agreement secures any and all obligations of Lessee and those of any affiliate of Lessee to Lessor and to any affiliate of Lessor, whether hereunder or otherwise.

15. Without Lessor's prior written consent, Lessee shall not (a) assign, transfer, pledge, hypothecate or otherwise dispose of this lease or any interest therein, or (b) sublet or lend equipment or any part thereof, or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor and its assignee may assign this lease and/or mortgage the equipment, in whole or in part, without notice to Lessee. Each such assignee and/or mortgagee shall have all of the rights but none of the obligations of Lessor hereunder. Lessee hereby recognizes each such assignment and agrees to pay the balance of Total Rent to any assignee and not to assert against any assignee any defense, counterclaim, or set off that Lessee may have against Lessor. Subject to the foregoing, this lease inures to the benefit of and is binding upon the heirs, legatees, personal representatives, survivors, successors and assigns of the parties hereto.

16. Should Lessee fail to pay when due any part of the rent herein reserved or any other sum required to be paid to Lessor by Lessee, Lessee shall pay to Lessor a late charge of 1/15th of 1% per day on such delinquent payment, but not to exceed, however, the maximum permitted by applicable law, from the date when such payment was due until paid, and expenses of collection, including attorneys' fees. Lessee hereby irrevocably authorizes any attorney of any court of record to appear for and confess judgment against Lessee (except in any jurisdiction where such action is not permitted by law) for all unpaid amounts due hereunder, plus expenses and 15% added for attorneys' fees, without stay of execution, and Lessee hereby waives the issue of process, all rights of appeal and relief from any and all appraisement, stay or exemption laws then in force.

17. If Lessee fails to pay any rent or other amount herein provided when due, or if Lessee fails to perform any other provision hereof within five (5) days after Lessor shall have demanded in writing performance thereof, or if any proceeding in bankruptcy, receivership, liquidation or insolvency be commenced by or against Lessee or any of its property, or if Lessee makes any assignment for the benefit of its creditors, or if Lessee is in default under any other lease or agreement heretofore or hereafter held by Lessor, (any one or more of the foregoing being a default hereunder) then, if and to the extent permitted by applicable law, the full amount of Total Rent then unpaid hereunder and all other obligations of Lessee to Lessor shall become due and payable forthwith at the election of Lessor and Lessor may, at its option: (A) without notice or demand and without legal process, take possession of equipment (Lessee waiving any and all rights to any judicial hearing prior to any such retaking) wherever same may be located (with all additions and substitutions), but Lessee shall be required to assemble the equipment and make it available to Lessor at such place as Lessor may designate, whereupon all rights of Lessee in equipment shall terminate absolutely (but Lessee shall not be released from its obligations under this agreement until the full amount of unpaid Total Rent and all other sums payable hereunder have been paid in full) and Lessor may retain all payments of rent and (i) retain the equipment; or (ii) sell the equipment (applying net proceeds of such sale less 20% of the Actual Cost to the unpaid balance of Total Rent), or (iii) retain equipment and attempt re lease of same (applying 80% of the reasonable re rental value of the equipment, as determined by Lessor, for the unexpired initial term hereof to the unpaid balance of Total Rent), Lessee remaining unconditionally liable for any deficiency under (ii) and (iii) above, (B) pursue the recovery of unpaid balance of Total Rent and other amounts due hereunder, (C) pursue any other remedy at law or in equity. All remedies are cumulative and may, to the extent permitted by law, be exercised concurrently or separately and exercise of one shall not be an election or preclude the exercise of any other. Notwithstanding any action that Lessor may take, including taking possession of any or all of equipment, Lessee shall remain liable for the full performance of all its obligations hereunder. In addition to the foregoing, Lessee shall pay Lessor all costs and expenses, including reasonable attorneys' fees and costs of collection efforts, incurred by Lessor in exercising any of its rights or remedies hereunder. Lessee and Lessor hereby waive any and all rights to a trial by jury in any action based hereon or arising hereunder.

18. All notices relating hereto shall be in writing and delivered in person to an officer of the party to which such notice is being given or mailed by certified mail to such party at its address specified above or at such other address as may hereafter be specified by like notice by either party to the other. If more than one lessee is named in this lease, the liability of each hereunder shall be joint and several.

19. The equipment is and shall remain the property of Lessor. Lessee, at its own cost and expense, shall protect and defend the title of Lessor. Lessee shall at all times keep equipment free and clear from all liens, attachments, levies, encumbrances and charges or other judicial process, shall give Lessor immediate written notice thereof and shall indemnify and save Lessor harmless from any loss or damage caused thereby. Lessee shall have no right, title or interest in or to equipment, except as expressly set forth in this lease, nor shall Lessee have any equity nor be deemed to develop any equity in the equipment by virtue of this agreement or any payment made by Lessee or otherwise; Lessee's interest in the equipment being that of a lessee only. This equipment shall remain personal property even though installed in or attached to real property. No invoice issued prior to complete performance of this lease shall operate to pass title to Lessee. All equipment and any proceeds thereof, accessories, parts and replacements for or which are added to or become attached to equipment shall immediately become the property of Lessor and shall be deemed incorporated in equipment and subject to the terms of this lease as if originally leased hereunder. As part of the consideration for each of the parties hereto to enter into this lease, each party hereto, Lessor and Lessee, and any guarantor signing hereinbelow, hereby jointly and severally designate and appoint Stuart B. Glover, Esquire, New York, New York and C-A Credit Corp., New York, New York, or either of them, as each of such party's true and lawful attorney in fact and agent for each of such party and in each party's name, place and stead to accept service of any process within the State of New York, the party bringing any such action agreeing to notify the other party at its address shown herein or their last known address, by certified mail, within three days of such service having being effected and such parties and any guarantors do hereby agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder. If it should appear that any provision hereof is in conflict with any statute or rule of law of any jurisdiction wherein it may be sought to be enforced then such provision shall be deemed null and void to the extent that it may conflict therewith, but without invalidating the remaining provisions hereof.

20. This instrument constitutes the entire agreement between Lessor and Lessee. No agent or employee of the supplier is authorized to bind Lessor to this lease, to waive or alter any term or condition printed herein or add any provision hereto. Except as provided in section 3 hereof, a provision may be added hereto or a provision hereof may be altered or varied only by a writing signed by an authorized officer of Lessor. Waiver by Lessor of any provision hereof in one instance shall not constitute a waiver as to any other instance.

GUARANTORS SIGN HERE:

The undersigned, jointly and severally, hereby unconditionally guaranty and warrant the full and complete payment and performance of the above Equipment Lease Agreement in accordance with the terms thereof and any and all renewals, continuations, modifications, extensions, compromises, supplements and amendments thereof, without deduction by reason of set-off, defense or counterclaim. Notice of acceptance hereof and all notices of any kind to which we may be entitled is hereby waived. The liability of each of the undersigned is direct and unconditional and may be enforced without requiring Lessor to first resort to any other right, remedy or security and shall survive any repossession of Equipment, whether or not such constitutes an election of remedies against Lessee, nothing shall discharge or satisfy our liability hereunder except the full performance and payment of the above lease which has been read and is hereby ratified and confirmed.

The schedules shall be of form and tenor satisfactory to Allstate. Each payment of money to Borrower, and each assignment and delivery of Collateral pursuant to such payment covered by each schedule shall constitute and be a single transaction, separate from and independent of every other schedule, but the provisions of this agreement shall apply to each and every such transaction. Any representations, warranties, guaranties or other undertakings of Borrower contained in said schedules or endorsed on any Collateral or otherwise entered into by or on behalf of Borrower by any of its officers or agents shall be binding on Borrower and shall not limit any of Borrower's warranties, guaranties, or other undertakings contained in this agreement, but all such warranties, guaranties and undertakings and all rights and remedies of Allstate hereunder or under said schedules, endorsement or other undertakings shall be cumulative and none is exclusive. d. Failure of Allstate to demand or require Borrower to include any items of Collateral in any schedule, to execute any schedule, to assign and deliver any schedule, or to deliver physical possession of any instruments, documents, or writings related to the Collateral shall not relieve Borrower of its duty to do so.

e. After the occurrence of any event of default, as defined in Paragraph 6 hereof, and until such default is either cured or waived by Allstate in writing, Allstate may, without prior notice to Borrower, apply all or any part of the proceeds of any advance or advances thereafter made upon any schedule or schedules to reduction of Borrower's loan account or payment of any Borrower's obligations.

f. All purchases and advances by Allstate to Borrower under this agreement and under all other future agreements constitute one transaction, and all indebtedness and obligations of Borrower to Allstate under this and under all other agreements, present and future, constitute one general obligation secured by collateral and security held and to be held by Allstate hereunder and by virtue of all other agreements between Borrower and Allstate, now and hereafter existing. It is distinctly understood and agreed that all of the rights of Allstate contained in this agreement shall likewise apply insofar as applicable to any modification of or supplement to this agreement and to any other agreements, present and future, between Allstate and Borrower.

g. Without the written consent of Allstate, Borrower will not allow any Financing Statement or Notice of Assignment of Accounts Receivable other than those executed or filed by Borrower or Allstate as a result of purchases or advances hereunder to be on file in any public office covering any of Borrower's accounts receivable, proceeds thereof or other matters subject to the security interest granted to Allstate in this Paragraph 5 of this agreement.

6. *Default.* If Borrower defaults in the performance of any provision of this agreement, suspends business voluntarily or involuntarily, makes an assignment for the benefit of creditors, or if a receiver is appointed for the property of Borrower, or if a petition in bankruptcy, or in equity for receivership, or for reorganization under the Bankruptcy Act or any amendment thereof, is filed by or against Borrower, or a creditors' committee is named for Borrower, or in the event of occurrence of any act whatsoever amounting to a business failure by Borrower, or if there is any change in officers, directors or stockholders of Borrower not occasioned by death, Allstate shall have all the rights and remedies provided in this agreement and in the Uniform Commercial Code in force in the State of Borrower's chief place of business at the date of this agreement and, in conjunction with or addition to those rights and remedies, Borrower will on demand repurchase from Allstate all the outstanding and unpaid accounts, and will pay Allstate therefor the aggregate principal amount owing thereon, plus charges accrued thereon, attorneys' fees, interest at the prime rate in effect on date of default at the McLean Bank, McLean, Virginia, all expenses of collection, and other charges or expenses paid or incurred by Allstate in respect of accounts, debtors, Borrower, or guarantors, or in the prosecution or defense of any actions in respect of this agreement, or accounts purchased hereunder, less any amounts payable by Allstate to Borrower hereunder; and upon failure so to do, Allstate may liquidate accounts by sale at public or private sale, on ten days' notice by registered mail to Borrower, or on such notice as may be required by law, at which sale Allstate may bid for and purchase accounts free from any right or equity of redemption of Borrower, and the net proceeds of such sale shall be applied against the repurchase price, and the Borrower shall be entitled to any surplus, or shall pay any deficiency.

7. *Modifications.* Allstate may, without notice to Borrower, grant extensions to, or adjust claims, or make compromises, compositions, or settlements with debtors with respect to any accounts, or securities or insurance applying thereon, without affecting the liability of Borrower hereunder.

8. *Waiver.* Borrower waives notice of nonpayment, protest, and demand, or notice of protest and demand, of any accounts, or of any securities or instruments relating to any such accounts. The waiver by Allstate of any breach of this agreement, or any warranty or guaranty herein, shall not be construed as a waiver of any subsequent breach. The failure to exercise any right hereunder by Allstate shall not operate as a waiver of such right. All rights and remedies herein are cumulative and not alternative.

9. *Guaranty.*

(a) Guarantor is a party to this agreement for the purpose of inducing Allstate to advance monies to or purchase accounts from Borrower.

(b) Guarantor hereby guarantees the prompt and complete performance by Borrower of all the covenants and conditions of this Security Agreement, and payment of all damages, costs and expeses that by virtue of this agreement might be recoverable by Allstate from Borrower.

(c) This guaranty shall continue until all terms of this Security Agreement have been performed by Borrower or discharged by Allstate.

(d) Guarantor's obligations hereunder are derived from Borrower and Guarantor shall be entitled to, and shall not assert any defense to which Borrower is not entitled.

(e) This guaranty shall extend to all present and future advances or purchases by Allstate to or from Borrower.

(f) Allstate shall not be required to exhaust its remedies against Borrower before proceeding against Guarantor; but, Allstate may, at its discretion, proceed against either or both in any order it chooses.

(g) Any indebtedness of Borrower now or hereafter held by Guarantor is hereby subordinated to the indebtedness of Borrower to Allstate.

(h) This guaranty shall not be discharged or in any way affected by the death of Guarantor.
