The purpose of this Agreement is to assist the Employee as an authorized Salesperson of the Company pursuant to the Employment Agreement between them dated 6/8/81 in financing the purchase of demonstration materials in accordance with paragraph 7 of the Employment Agreement.

NOW, THEREFORE

In consideration of the foregoing and the mutual agreements herein made, the parties hereto agree as follows:

In the event that the undersigned shall default in the payment of any obligation secured hereby, or the due performance of any condition of this Agreement or of the Employment Agreement on the Employee's part to be performed, or in the event of Employee's breach of either of such Agreements, or upon the occurrence of any event which would make the Promissory Note immediately due and payable, all debt of the Employee to the Company including but not limited to debt evidenced by any Promissory Note shall immediately become due and payable to the Company by the Employee. The Company shall in addition to any other rights it may have under the Employment Agreement, have all the rights of a secured party as provided by the Uniform Commercial Code or other applicable law, and, in addition, attorney's fees and disbursements incurred by the Company in connection with the enforcement of its rights and the Employee's obligations hereunder; and to this end the Company may enter upon any premises where the secured property may be located and remove the same, and to exercise its rights of a secured party under applicable law and to the extent allowed by law, the Company may purchase any part or all of the secured property at any public and private sale thereof.

Said equipment shall always remain and be deemed personal property even though attached to realty. All replacements, accessories or capital improvements made to or placed on said equipment shall become a component part thereof and title thereto shall be immediately vested in Lessor and shall be included under the terms hereof. The Lessee agrees that the Lessor, at its option, to file any financing statement(s) or amendments thereto without the signature of the Lessee with respect to any or all of the leased property or if a signature is required by law, then the Lessee appoints Lessor as Lessee's attorney-in-fact to execute any such financing statements (and further agrees to reimburse the Lessor for the expense of any such filing(s).

6. Lessor may assign this lease and its assignee may assign the same. All rights of Lessor hereunder shall be succeeded to by any assignee hereof and said assignee's title to this lease, to the rental herein provided for to be paid, and in and to said equipment shall be free from all defenses, setoffs or counter-claims of any kind which Lessee may be entitled to assert against Lessor. Lessee hereby waives the same as against such assignee; it being understood and agreed that any assignee of Lessor does not assume any obligations of the Lessor hereto named. It is further understood and agreed however, that Lessee may separately claim against Lessor as to any matters which Lessee may be entitled to assert against Lessor. Lessee shall not assign, mortgage or hypothecate this lease or any interest hereto or sublet said equipment without the prior written consent of Lessor. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to make claims for, receive payment of and execute all documents, checks or drafts for loss or damage or return premium under any insurance policy issued on said equipment.

8. Lessee does hereby agree to indemnify and hold Lessor free and harmless against all claim, loss, liability and expense (including attorney's fees) resulting from any loss or damage to the equipment and for injuries to or deaths of persons, and damage to property, howsoever arising, directly or indirectly, from or incident to the use, operation or storage of the equipment and whether such injury or death be of agents or employees of the Lessee or of third parties. It being specifically agreed to and acknowledged by the Lessee that the foregoing provision includes but is not limited to all claim, loss, liability and expense including attorney's fees) incurring by reason of any negligence (active or passive), omission, or other act or conduct of the Lessor or any third party acting for or on behalf of the Lessor.

9. Lessor may pay such taxes and other amounts and may file such returns on behalf of Lessee if Lessee fails to do so as provided herein. On written request from Lessor, Lessee agrees to reimburse Lessor for reasonable costs incurred in collecting any taxes, assessments or fees for which Lessee is liable hereunder and remitting the same to the appropriate authorities.

10. All advances made by Lessor to preserve said equipment or to pay insurance premiums for insurance thereon or to discharge and pay any taxes, assessments, fees, penalties, liens or encumbrances thereon shall be added to the unpaid rentals due hereunder and shall be payable by Lessee to Lessor immediately together with interest thereon at the rate of one and one-half (1½%) per cent per month, if not allowed by law, and if not allowed, then at the maximum rate of interest permissible in the applicable jurisdiction.

11. In the event Lessee shall default in the payment of any rent, additional rent, or any other sums due hereunder for a period of ten (10) days, or in the event of any default or breach of the terms and conditions of this lease between the parties hereto, or if any execution or other process shall be issued in any action or proceeding against the Lessee whereby the said equipment may be taken or, if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against the Lessee or if the Lessee shall enter into any agreement or composition with its creditors, breach any of the terms of any loan or credit agreement, or default thereunder, or if the condition of the Lessee's affairs shall so change as to, in the Lessor's opinion, impair the Lessor's security or injure the credit risk involved, then and in that event the Lessor shall have the right to: (1) retake immediate possession of its equipment without any Court Order or other process of law and for such purpose the Lessor may enter upon any premises where said equipment may be and may remove the same therefrom with or without notice of its intention to do same, without being liable to any suit or action or other proceeding by the Lessee. Lessor may at its option, sell the equipment at public or private sale for cash or on credit and may become the purchaser at such sale. The Lessee shall be liable for arrears of rent hereunder and under any other lease between the parties, if any; for any other charges due from Lessee hereunder and under any other lease between the parties, for the expense of retaking possession, and the removal of the equipment and court costs, in addition to the balance of the rentals provided for herein, or in any renewal hereof, as well as for the balance of rentals due and to become due under any other lease between the parties, after deducting all costs of taking, storage, repair and sale, and/or (2) accelerate the balance of rentals payable hereunder and under any other lease between the parties, thereby requiring pre-payment of this lease and any other lease and charges due and payable forthwith upon such notice of acceleration and demand for payment. The Lessee hereby waiving and being liable for the equipment and any loss or destruction of or injury to the equipment in the same manner as hereinabove provided. The foregoing rights shall be in addition to and in limitation of the rights of a Secured Party, as set forth in the Uniform Commercial Code of the applicable jurisdiction. Should Lessee fail to make such payment after this notice and demand, Lessor shall be entitled to institute appropriate legal proceedings against Lessee with the Lessee being responsible for said rentals, charges, expenses and attorneys fees in an amount equal to twenty percent (20%) of said balance of rentals, chattels and expenses due at the time it is placed with an attorney, if allowed by law. In the event Lessee shall exercise any of its rights as above set forth, Lessee shall be obligated to pay, as liquidated damages, a sum equal to one and one-half percent (1½%) per month, or any part thereof, on the aggregate unpaid rental payments due hereunder or under any other lease in default by reason hereof or otherwise, or such other sum as may be allowed by law, the maximum rate of interest permissible in the applicable jurisdiction. Lessee shall pay all costs of collection and attorneys fees and expenses incurred by Lessor in the event Lessee defaults in any of the terms and conditions of this lease. The rights granted the Lessor hereunder are cumulative and an election on one shall not be deemed to constitute an election or waiver of the other right of action to which Lessor may be entitled. All sums due as herein above stated shall become immediately due and payable in liquidated damages rather than a penalty provision. Lessee hereby waives trial by jury.

12. In the event payment is not made when due hereunder and remains unpaid for a period of 15 days, and Lessor has not exercised its rights pursuant to Paragraph 11 hereof, the Lessee promises to pay Lessor as its assigns an additional one month's rental, an amount calculated at the rate of five cents per $1.00 of each such delayed payment (2) interest to the Lessor upon such delayed payment calculated at the rate of one and one-half (1½%) per (month) month, or any part thereof, commencing one month after the due date of the delayed payment. The late charge and or the interest payments set forth in this paragraph shall apply only when permitted by law and, if not permitted by law, the late charge and or interest payment shall be calculated at the maximum rate permissible in the applicable jurisdiction.

13. The omission by the Lessor at any time or times hereafter to enforce prompt payment of any of the terms, covenants or provisions hereof by the Lessee at any time designated, shall not be a waiver of any such default or right to which the Lessor is entitled, nor shall it in any way affect the right of the Lessor to enforce such provisions thereafter. The Lessor may exercise all remedies simultaneously, pursuant to the terms hereof, and any such action shall not operate to release the Lessee until the full amount of the rentals due and to become due and all other sums to be paid hereunder have been paid.

14. If the equipment or the Lessee is located in the States of California, Florida or Texas this lease at the option of Lessor, is performable and payable in the City of Beverly Hills, California, Dade County, Florida or Dallas County, Texas respectively, and in the event that suit is brought to enforce the terms hereof the parties hereto agree that any court of competent jurisdiction situated in the aforesaid cities, counties and states shall have venue of such action, otherwise the parties agree that the interpretation and legal effect of this lease shall be governed by the laws of the State of New York.

On written request from Owner, Customer agrees to reimburse Owner for reasonable costs incurred in collecting any taxes, assessments or fees for which Customer is liable hereunder and remitting the same to the appropriate authorities.

11. **ADVANCES.** All advances made by Owner to preserve said equipment or to pay insurance thereon or to discharge and pay any taxes, assessments, fee, penalties, liens or encumbrances thereon shall be added to the unpaid balance of rentals due hereunder and shall be repayable by Customer to Owner immediately together with interest thereon at the rate of two (2%) per cent per month, if allowed by law, and if not allowed, then at the maximum rate of interest permissable in the applicable jurisdiction.

12. **DEFAULT.** In the event Customer shall default in the payment of any rent, or any other sums due hereunder for a period of fifeen (15) days, or in the event of any default or breech of the terms and conditions of this agreement, or any other agreement between the parties hereto, or if any execution or other process shall be issued in any action or proceeding against the Customer, whereby the said equipment may be taken or distrained, of if a proceeding in bankruptcy, receivership or involvency shall be instituted by or against the Customer or its property, or if the Customer shall enter into any agreement or composition with its creditors, breach any of the terms of any loan or credit agreement or default thereunder, or if the condition of the Customer's affairs shall so change as to, in the Ownar's opinion, impair the Owner's security or increase the credit risk involved, then and in that event the Owner shall have the right to (1) retake immedate possession of its equipment without any Court Order or toher process of law and for such purposes the Owner may enter upon any pramises where said equipment may be and may remove the same therefrom with or without notice of its intention to do same, without being liable to any suit or action or other proceeding by the Customer. Owner may, at its option, sell the equipment at public or private sale for cash or on credit and mey become the purchaser of such sale. The Customer shall be liable for arrears of rent hereunder and under any other agreement between the parties, if any; for any other charges due from Customer heraunder and under any other agreement between the parties, for the expense of retaking possession, and the removal of the equipment, and court costs, in addition to the balance of the rentals provided for herein, or in any renewal hereof, as well as for the balance of rentals due and to become due under any other agreement between the parties, less the net proceeds of the sale of said equipment, after deducting all costs of taking, storage, repair and sale; and/or (2) accelerate the balance of rentals payable hereunder and under any other agreement between the parties, thereby requiring prepayment of this rental and any other agreement between the parties with all such rentals and charges due and payable forthwith upon such notice of acceleration and demand for payment, the Customer nevertheless remaining and being liable for the return of the equipment any any loss or destruction of, or injury to, the equipment in the same manner as herein provided. In addition to any amounts due and owing under this agreement and in the event of a default by Customer, there shall also be due and owing as rent, an amount equal to the list price of the equipment less all ownership credits which could have been earned under this rental. The foregoing rights shall be in addition to and not in limitation of the rights of a Secured Party as set forth in the Uniform Commercial Code of the applicable jurisdiction. Should Customer fail to make such payment after this notice and demand, Owner shall be antitled to institute appropriate legal proceedings against Customer with the Customer being responsible for said rentals, charges, expenses and reasonable attorney fees to the extent allowed by applicable law. In the event Owner shall exercise any of its rights as above set forth, Customer shall be obligated to pay, as interest, a sum equal to two percent (2%) per month, or any part thereof, on the aggregate unpaid rental payments due hereunder or under any other lease in default by reason hereof or otherwise, or until all arrears of rent are satisfied, provided said interest payments are allowed by law, and if not allowed by law, the maximum rate of interest permissible in the applicable jurisdiction. The rights granted the Owner herein shall be cumulative and an action upon one shall not be deemed to constitute an election or waiver of the other right of action to which Owner may be entitled. All sums due as herein above stated shall become immediately due and payable to be construed as liquidated damages rather than a penalty provision.

13. **LATE CHARGES.** In the event payment is not made when due hereunder and remains unpaid for any period of 15 days and Owner has not exercised its right pursuant to Paragraph 12 hereof, the Customer promises to pay (1) a late charge to the Owner or its assigns not later than one month thereafter, in an amount calculated at the rate of five cents per $1.00 of each such delayed payment, and (2) interest to the Owner upon each such delayed payment calculated at the rate of two (2%) per cent per month, or any part thereof, commencing one month after the due date of the first delayed payment. The late charge and/or the interest payments set forth in this paragraph shall apply only when permitted by law and, if not permitted by law, the late charge and/or interest payment shall be calculated at the maximum rate permissible in the applicable jurisdiction.

14. **MISCELLANEOUS.** Time is of the essence. The omission by the Owner at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants or provisions hereof by the Customer at any time designated, shall not be a waiver of any such default or right to which the Owner is entitled, nor shall it in any way affect the right of the Ownar to enforce such provisions thereafter. The Owner may exercise all remedies simultaneously pursuant to the terms hereof, and any such action shall not operate to release the Customer until the full amount of the rentals due and to become due and all other sums to be paid hereunder have been paid. The Customer acknowledges that he has read and understands this agreement, that he agrees to be bound by its terms and conditions, and further acknowledges that this agreement is the complete and exclusive statement of the agreement between the parties, which supersedes all proposals (oral or written), all order forms and all other communications and documents between the parties relating to the subject matter of this agreement. Paragraph headings set forth in this rental in no way alter or effect the terms and conditions of this rental and are not part of such terms and conditions.

15. **SECURITY INTEREST.** To the extent that Customer has, mey have or shall have any interest in the equipment, Customer grants to Owner a security interest in and lein on the equipment, which security interest and lein shall secure all of Customer's obligations to Owner, whether arising hereunder or otherwise.

It is agreed that any amount to be retained by Holder and the balance to be paid by Buyer under this paragraph shall not be as a penalty but as liquidated damages for the breach hereof. The remedies provided for herein may be exercised, to the extent permitted by law, successively or concurrently and the exercise of one shall not bar the other. Buyer and Holder waive any and all right to a trial by jury in any action or proceeding based hereon. Buyer hereby irrevocably authorizes any attorney of any court of record to appear for and confess judgment against Buyer (except in any jurisidiction where such action is not permitted by law) for the Balance and other monies due to Holder, plus expenses and 20% added for attorney's fees, without stay of execution, and Buyer hereby waives and releases relief from any and all appraisement, stay or exemption laws then in force and further waives, with full knowledge of Buyer's rights and the effect of this waiver, any right to a hearing prior to any retaking of collateral by Holder. Holder is hereby authorized to file one or more financing statements or a reproduction hereof as a financing statement. All security interests shall attach to any proceeds. In its sole discretion Holder may apply and/or change applications of any sums paid and/or to be paid by or for Buyer under any agreements, to any obligations of Buyer to Holder, presently existing or otherwise. Each person signing this contract warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the Balance hereunder. Late charges shall be calculated at one-fifteenth of 1% per day but not exceed any maximum permitted by applicable law.

This contract note contains the entire agreement of the parties and may not be modified except in writing. Seller shall not by acceptance of overdue payments or by any act or omission to act be deemed to have waived any right hereunder. A waiver on one occasion shall not operate as a waiver on a future occasion. As part of the consideration for Seller's entering into this contract, Buyer hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Buyer's true and lawful attorney-in-fact and agent for Buyer and in Buyer's name, place and stead to accept service of any process within the State of New York, Holder agreeing to notify Buyer, at Buyer's address shown herein, by certified mail, within three days of such service having been effected. The parties hereto agree to the venue and jurisdiction of any court in the State of New York regarding any matter arising hereunder. Any provision hereof violating the law of any jurisdiction shall when governed by the law of such jurisdiction, be deemed void to the extent of such prohibition, but without invalidating the remaining provisions hereof. The parties each warrant and agree that Buyer has not received possession of the property prior to the date hereof. Intending that each and every provision of this contract note be fully effective according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state of residence or principal place of business of the Buyer, Seller or Holder, whichever renders each such provision effective. This contract shall be binding upon the heirs, administrators, legal representatives and successors of the Buyer.

In consideration of Assignee accepting this assignment/endorsement, Seller hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Seller's true and lawful attorney-in-fact and agent for Seller and in Seller's name, place and stead to accept service of any process within the State of New York, Assignee agreeing to notify Seller at its address shown in the contract by certified mail within three days of such service having been effected. Assignee may at any time, without prior notice or demand to Seller, appropriate and apply toward the payment of any of Seller's obligations to Assignee, any and all balances, sums, property, credits, accounts, reserves, collections, checks or instruments belonging or payable to Seller in Assignee's possession, and for such purposes endorse the name of Seller on any instrument payable to Seller. Seller agrees that Assignee may audit Seller's books and records relating to all paper sold to it and agrees that without notice to and without releasing the liability of Seller hereon Assignee may release any rights against, grant extensions of time of payment to, and compromise claims with Buyer or any other obligor on the contract and repossess and resell any property, and Seller waives presentment and demand for payment, protest and notice of protest hereof and as to any other note or notes endorsed or hereafter to be endorsed by Seller, and Seller expressly waives the benefits of any present or future provisions of law which might extend the obligation of Seller as the result of any extension obtained by Buyer in any proceedings under any present or future provisions of law.

Seller warrants that the contract is genuine and in all respects what it purports to be; that all statements therein contained are true; that the contract is fully enforceable and the only contract and note executed for the property; that at the time of the execution of this assignment and endorsement Seller had good title to the property and the right to transfer title thereto; that the property has been duly delivered and accepted in accordance with the terms of the contract; that all parties to the contract have capacity to contract; that Seller has no knowledge of any facts which impair the validity of said contract or render it less valuable or valueless; that there is unpaid and owing thereon the whole of the balance due and Seller warrants against all liens, claims, defenses and counterclaims, real or claimed; Seller warrants compliance with all filing and recording requirements and all Federal, State and Municipal laws and rules, orders or regulations regarding conditional sale contracts, security agreements, notes and installment paper, hereby agreeing that any filing or recording or renewals thereof which Assignee may undertake at Seller's request, or otherwise, shall be at Seller's expense and without any responsibility whatsoever on Assignee's part for any omission or invalid accomplishment thereof, whether through Assignee's failure, neglect or for any reason, and such omission or invalid accomplishment shall not relieve Seller of any responsibility to Assignee. Assignee is hereby authorized to file one or more financing statements against or in the name of Seller. Seller expressly represents and warrants that the contract arises out of a bona fide sale in the first instance of the property by Seller to Buyer and that title to the property originated with Seller and not with Buyer and that prior to the execution of the contract, Buyer did not either directly or indirectly have any interest in the property, and that an actual delivery to and acceptance by Buyer has been made for Buyer's proper uses and purposes, and that any down payment was made by Buyer in cash and not its equivalent unless otherwise specifically stated in the contract and that no part thereof was loaned directly or indirectly by Seller to Buyer; Seller will not advance, give, or loan to Buyer directly or indirectly any part of the unpaid purchase price; that Buyer has not and will not either directly or indirectly receive from or through Seller any part of the consideration for this assignment and that Seller shall be fully liable for payment of all of Buyer's obligations in the event Buyer fails to pay its obligation under the contract in full immediately upon the sale, transfer, assignment or conversion of the property. Seller shall have no authority without Assignee's prior written consent to accept collection and/or repossess and/or consent to the return of the property and/or modify the terms of the contract. Pay to the order of Credit Alliance Corporation.

Notice of the acceptance hereof is hereby waived, and none of the terms hereof shall be modified except by a writing signed by an officer of Assignee. This assignment and endorsement has been executed and delivered to Assignee pursuant to and in furtherance of an existing agreement, if any, between Seller and Assignee. the property in danger of misuse, concealment, or misappropriation, or if Holder shall deem itself insecure, then Holder may, without notice or demand, declare the entire unpaid balance hereunder together with interest, collection and late charges, attorneys' fees and any and all other sums owing to Holder (all collectively called the "Balance") immediately due and payable, whereupon Balance shall immediately be due and payable, and Buyer will immediately deliver possession of the collateral to Holder who may, without notice or demand or legal process, to the extent permitted by law: (1) recover the Balance; (2) repossess the collateral, which Buyer shall assemble at and deliver to a place designated by Holder (Buyer hereby authorizes and empowers Holder, or its designee, to enter upon any premises where the collateral may be found and take possession and carry away same without process of law) and (A) retain collateral and all payments made hereunder, or (B) retain all payments and sell collateral at public or private sale (all without publication or notice to Buyer and with the right in Holder to purchase any collateral at such sale), applying the net proceeds to all charges and expenses incurred by Holder in connection with the repossession, storage, repair, refurbishing and sale, including attorneys' fees, then to the Balance plus late charges thereon, then to any other amounts owing by Buyer to Holder, and then pay any overplus to Buyer, who shall remain liable for any deficiency with interest at the highest lawful contract rate, or (C) retain the collateral and all payments made hereunder, credit Buyer with the then reasonable value of the collateral and recover from Buyer any deficiency together with any late charges, expenses and interest at the highest lawful contract rate, or (D) pursue any other remedy permitted by law or equity. It is agreed that any amount to be retained by Holder and the balance to be paid by Buyer under this paragraph shall not be as a penalty but as liquidated damages for the breach hereof. The remedies provided for herein may be exercised, to the extent permitted by law, successively or concurrently and the exercise of one shall not bar the other. Buyer and Holder waive any and all right to a trial by jury in any action or proceeding based hereon. Buyer hereby irrevocably authorizes any attorney of any court of record to appear for and confess judgment against Buyer (except in any jurisidiction where such action is not permitted by law) for the Balance and other monies due to Holder, plus expenses and 20% added for attorney's fees, without stay of execution, and Buyer hereby waives and releases relief from any and all appraisement, stay or exemption laws then in force and further waives, with full knowledge of Buyer's rights and the effect of this waiver, any right to a hearing prior to any retaking of collateral by Holder. Holder is hereby authorized to file one or more financing statements or a reproduction hereof as a financing statement. All security interests shall attach to any proceeds. In its sole discretion Holder may apply and/or change applications of any sums paid and/or to be paid by or for Buyer under any agreements, to any obligations of Buyer to Holder, presently existing or otherwise. Each person signing this contract warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the Balance hereunder. Late charges shall be calculated at one-fifteenth of 1% per day but not exceed any maximum permitted by applicable law.

This contract note contains the entire agreement of the parties and may not be modified except in writing. Seller shall not by acceptance of overdue payments or by any act or omission to act be deemed to have waived any right hereunder. A waiver on one occasion shall not operate as a waiver on a future occasion. As part of the consideration for Seller's entering into this contract, Buyer hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Buyer's true and lawful attorney-in-fact and agent for Buyer and in Buyer's name, place and stead to accept service of any process within the State of New York, Holder agreeing to notify Buyer, at Buyer's address shown herein, by certified mail, within three days of such service having been effected. The parties hereto agree to the venue and jurisdiction of any court in the State of New York regarding any matter arising hereunder. Any provision hereof violating the law of any jurisdiction shall when governed by the law of such jurisdiction, be deemed void to the extent of such prohibition, but without invalidating the remaining provisions hereof. The parties each warrant and agree that Buyer has not received possession of the property prior to the date hereof. Intending that each and every provision of this contract note be fully effective according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state of residence or principal place of business of the Buyer, Seller or Holder, whichever renders each such provision effective. This contract shall be binding upon the heirs, administrators, legal representatives and successors of the Buyer.

For valuable consideration, the receipt whereof is hereby acknowledged, the undersigned ("Seller") hereby sells, assigns, endorses, transfers and sets over to CREDIT ALLIANCE CORPORATION ("Assignee"), its successors and assigns, the within conditional sale contract note (the "contract") and all right, title and interest in and to the property therein described (the "property"), and all rights and remedies therein, including the right to collect installments due thereon, and the right either in Assignee's own name, or in Seller's name, to take such legal proceedings or otherwise as Seller might have taken save for this assignment and endorsement, and warrants the payment when due of each sum payable thereunder and the payment on demand of the entire unpaid balance, in the event of nonpayment by the Buyer therein named ("Buyer") of any payment at its due date, or of any other default by Buyer without first requiring Assignee to proceed against Buyer. Seller will reimburse Assignee for all expenses not paid by Buyer, in connection with enforcing its rights hereunder, including but not limited to, attorneys' fees, court costs, expenses of repossession and sale and interest on overdue payments. In consideration of Assignee accepting this assignment/endorsement, Seller hereby designates and appoints Stuart B. Glover, Esq., New York, New York, and C-A Credit Corp., New York, New York, or either of them, as Seller's true and lawful attorney-in-fact and agent for Seller and in Seller's name, place and stead to accept service of any process within the State of New York, Assignee agreeing to notify Seller at its address shown in the contract by certified mail within three days of such service having been effected. Assignee may at any time, without prior notice or demand to Seller, appropriate and apply toward the payment of any of Seller's obligations to Assignee, any and all balances, sums, property, credits, accounts, reserves, collections, checks or instruments belonging or payable to Seller in Assignee's possession, and for such purposes endorse the name of Seller on any instrument payable to Seller. Seller agrees that Assignee may audit Seller's books and records relating to all paper sold to it and agrees that without notice to and without releasing the liability of Seller hereon Assignee may release any rights against, grant extensions of time of payment to, and compromise claims with Buyer or any other obligor on the contract and repossess and resell any property, and Seller waives presentment and demand for payment, protest and notice of protest hereof and as to any other note or notes endorsed or hereafter to be endorsed by Seller, and Seller expressly waives the benefits of any present or future provisions of law which might extend the obligation of Seller as the result of any extension obtained by Buyer in any proceedings under any present or future provisions of law.

Seller warrants that the contract is genuine and in all respects what it purports to be; that all statements therein contained are true; that the contract is fully enforceable and the only contract and note executed for the property; that at the time of the execution of this assignment and endorsement Seller had good title to the property and the right to transfer title thereto; that the property has been duly delivered and accepted in accordance with the terms of the contract; that all parties to the contract have capacity to contract; that Seller has no knowledge of any facts which impair the validity of said contract or render it less valuable or valueless; that there is unpaid and owing thereon the whole of the balance due and Seller warrants against all liens, claims, defenses and counterclaims, real or claimed; Seller warrants compliance with all filing and recording requirements and all Federal, State and Municipal laws and rules, orders or regulations regarding conditional sale contracts, security agreements, notes and installment paper, hereby agreeing that any filing or recording or renewals thereof which Assignee may undertake at Seller's request, or otherwise, shall be at Seller's expense and without any responsibility whatsoever on Assignee's part for any omission or invalid accomplishment thereof, whether through Assignee's failure, neglect or for any reason, and such omission or invalid accomplishment shall not relieve Seller of any responsibility to Assignee. Assignee is hereby authorized to file one or more financing statements against or in the name of Seller. Seller expressly represents and warrants that the contract arises out of a bona fide sale in the first instance of the property by Seller to Buyer and that title to the property originated with Seller and not with Buyer and that prior to the execution of the contract, Buyer did not either directly or indirectly have any interest in the property, and that an actual delivery to and acceptance by Buyer has been made for Buyer's proper uses and purposes, and that any down payment was made by Buyer in cash and not its equivalent unless otherwise specifically stated in the contract and that no part thereof was loaned directly or indirectly by Seller to Buyer; Seller will not advance, give, or loan to Buyer directly or indirectly any part of the unpaid purchase price; that Buyer has not and will not either directly or indirectly receive from or through Seller any part of the consideration for this assignment and that Seller shall be fully liable for payment of all of Buyer's obligations in the event Buyer fails to pay its obligation under the contract in full immediately upon the sale, transfer, assignment or conversion of the property. Seller shall have no authority without Assignee's prior written consent to accept collection and/or repossess and/or consent to the return of the property and/or modify the terms of the contract. Pay to the order of Credit Alliance Corporation.

Notice of the acceptance hereof is hereby waived, and none of the terms hereof shall be modified except by a writing signed by an officer of Assignee. This assignment and endorsement has been executed and delivered to Assignee pursuant to and in furtherance of an existing agreement, if any, between Seller and Assignee. All representations, warranties and agreements therein contained are incorporated herein by reference and are deemed repeated by Seller as as to induce Assignee to accept this assignment and endorsement.

AGREEMENT made March 15, 1984 between Stephen R. Brown and Anna Lena Brown (the "Lessor") and Stephen R. Brown, M.D., P.A. (the "Lessee").

1. Subject. The Lessor leases to the Lessee, and the Lessee hires from the Lessor, an Ultrasound Imaging Device known as a Diasonics Universal Doppler as further described on quotation No. J0100984LH.

2. Term and rent. This lease is for the term of 30 months, commencing March 15, 1984 and ending September 15, 1986 for the total rent of $41,886; to be paid by the Lessee to the Lessor in 30 equal monthly installments of $1,396.20 each on the first day of each month during the term thereof. Interest at the rate of 14% per annum shall be paid on each delinquent installment of rent from a date seven days after the due date for the period such payment remains past due, together with reasonable charges and expenses for collecting such delinquent installments, including attorneys' fees, and this shall be in addition to all other remedies that the Lessor may have against the Lessee for default in the payment of rent.

3. Title. This agreement creates a lease or bailment only of the equipment and is not a sale or the creation of a security interest. The Lessor shall remain the sole owner of the equipment and nothing contained herein or the paymnet of rent hereunder shall enable the Lessee to acquire any right, title, or other interest in or to the equipment other than that of a bailee for hire.

4. Taxes and other charges. (a) The Lessee shall pay all personal property taxes, or other direct taxes imposed on the ownership, possession, use, or operation of the equipment or assessed in connection with the execution, filing, or recording of this agreement.

(b) The Lessor retains all responsiblity and the cost and expense for all licensing, registrations, permits, and such other certificates as may be required for the lawful operation of the equipment. All certificates of title or registration applicable to the equipment shall be applied for, issued, and maintained in the name of the Lessor, as owner, and the Lessee shall pay all costs in relation thereto.

(c) The Lessee shall observe all safety rules and other requirements of regulatory bodies having jurisdiction and shall pay all fines due to overload, overlength, overweight, lack of plates or permits, speeding, and similar charges that may be duly and lawfully imposed or assessed by reason of the Lessee's failure to comply with the rules, regulations, and orders of regulatory bodies having jurisdiction.

(d) If the taxes, licensing, registration, or permit fees, fines, or other charges that the Lessee is responsible for under this paragraph 4 are levied, assessed, charged, or imposed against the Lessor, it shall notify the Lessee in writing of such fact. The Lessor shall have the option, but not the obligation, to pay any such tax, licensing, registration, or permit fee, fine, or other charge, whether levied, assessed, charged, or imposed against the Lessor or the Lessee. In the event such payment is made by the Lessor, the Lessee shall reimburse the Lessor within seven days after receipt of an invoice therefor, and the failure to make such reimbursement when due shall be deemed a default under paragraph 9.

5. Delivery and inscription. The equipment shall be delivered to the Lessee at the Lessor's place of business.

6. Maintenance and repair. The Lessor shall pay all operating expenses including the cost of supplies necessary to keep the equipment in good running order. The Lessor shall pay the maintenance expense to keep the equipment in good repair, and running order.

7. Insurance. The Lessor shall be responsible for maintenance of an insurance policy on said equipment which shall insure the property against:

(a) The loss of or damage to the equipment because of fire, theft, collision, lighting, flood, windstorm, explosion, or other casualty; or

(b) The death of or injury to the person or property of any third person as a result, in whole or part, of the use or maintenance of the equipment during the term of this lease.

8. Operators. The Lessee shall employ and have absolute control and supervision over the operator or operators of the equipment and will not permit any person to operate the equipment unless such person is a competent and careful licensed driver.

9. Default. In the event the Lessee fails to perform any of the terms, conditions, and covenants in the manner and at the time or times required, including, but not limited to, the payment in full of any rental payment or the reimbursement of the Lessor for any disbursement made hereunder, or if any proceeding in bankruptcy or insolvency is instituted by or against the Lessee, or if reorganization of the Lessee is sought under any statute, state or federal, or a receiver appointed for the goods and chattels of the Lessee, or the Lessee makes an assignment for the benefit of creditors or makes an attempt to sell, secrete, convert, or remove the equipment or if any distress, execution, or attachment be levied thereon, or the equipment be encumbered in any way, or if at any time in the Lessor's judgment its rights in the equipment shall be threatened or rendered insecure, the Lessee shall be deemed to be in default under this agreement, and the Lessor shall have the right to exercise either of the following remedies:

(a) To declare the balance of the rental payable hereunder to be due and payable whereupon the same shall become immediately due and payable; or

(b) To retake and retain the equipment without demand or legal process free of all rights of the Lessee, in which case the Lessee authorizes the Lessor or its agents to enter upon any premises where the equipment may be found for the purpose of repossessing the same and the Lessee specifically waives any right of action it might otherwise have arising out of such entry and repossession whereupon all rights of the Lessee in the equipment shall terminate immediately. If the Lessor retakes possession of the equipment and at the time of such retaking there shall be in, upon, or attached to the equipment any property, goods, or things of value belonging to the Lessee or in the custody or under the control of the Lessee, the Lessor is hereby authorized to take possession of such property, goods, or things of value and hold the same for the Lessee, or place such property, goods, or things of value in public storage for the account of, and at the expense of, the Lessee.

10. Waiver. Forbearance on the part of the Lessor to exercise any right or remedy available hereunder upon the Lessee's breach of the terms,

covenants, and conditions of this agreement or the Lessor's failure to demand the punctual performance thereof shall not be deemed a waiver:

(a) Of such right or remedy;

(b) Of the requirement of punctual performance; or

(c) Of any subsequent breach or default on the part of the Lessee.

11. Assignment. (a) Neither this Lease nor the Lessee's rights hereunder shall be assignable by the Lessee without the prior written consent of the Lessor. In the event that the Lessor consents to an assignment, the assignee shall become bound by all of the terms, covenants, and conditions of this lease on the Lessee's part to be performed.

(b) The Lessor shall have the right to sell or assign this lease including its right, title, and interest to the equipment and the rent reserved herein. In the event of any assignment by the Lessor, the assignee shall acquire all of the rights and remedies possessed by or available to the Lessor. Upon receiving proper notice of any assignment, the Lessee shall thereafter make rental payments and redelivery of the equipment as therein directed.

12. Entire agreement. This instrument contains the entire agreement between the parties and shall be binding on their respective heirs, executors, administrators, legal representatives, successors, and assigns. This agreement may not be amended or altered except by a writing signed by both parties.

IN WITNESS WHEREOF the parties hereto have executed this agreement the day and year first above written.

(g) If Mortgagor is a corporation, the execution of this Mortgage has been duly consented to and authorized by all of the stockholders of Mortgagor and duly authorized by its Board of Directors. Mortgagor agrees to deliver to Mortgagee evidence thereof satisfactory to Mortgagee immediately upon request.

4. If Mortgagor shall default in the performance or fulfillment of any of the terms, conditions, promises, covenants, provisions and warranties on Mortgagor's part to be performed or fulfilled under or pursuant to this Mortgage, Mortgagee may, at its option, without waiving its right to enforce this Mortgage according to its terms, immediately or at any time thereafter, and without notice to or demand upon Mortgagor, perform or fulfill the same, or cause the performance or the fulfillment of the same, for the account and at the sole cost and expense of Mortgagor, and the cost and expense thereof (including reasonable attorneys' fees) shall be a lien on the Mortgaged Property, added to the amount of the Mortgage Obligations, and shall be payable on demand with interest at the rate specified in Paragraph 3 hereof. This Mortgage may be assigned along with any and all Mortgage Obligations without notice to Mortgagor and upon such assignment Mortgagor agrees not to assert against any assignee hereof any defense, set-off, recoupment, claim, counterclaim or cross complaint which Mortgagor may have against Mortgagee, whether arising hereunder or otherwise, and such assignee shall be entitled to at least the same rights as Mortgagor. Mortgagor hereby designates and appoints Stuart B. Glover, Esq., 530 Fifth Avenue, New York, New York and C-A Credit Corp., New York, New York or either of them as Mortgagor's true and lawful Attorney-in-Fact and agent for Mortgagor and in Mortgagor's name, place and stead to accept service of any process within the State of New York, Mortgagee agreeing to notify Mortgagor at Mortgagor's address, as shown herein, by certified mail within three (3) days of such service having been effected and Mortgagor and Mortgagee hereby specifically agree to the venue and jurisdiction of any court in the State and County of New York regarding any matter arising hereunder and with respect to the Mortgage Obligations. At Mortgagee's request Mortgagor will furnish current financial statement satisfactory to Mortgagee in form, preparation and content.

5. If Mortgagor shall default in the prompt payment, performance or fulfillment of any of the Mortgage Obligations, or if Mortgagor shall cease doing business, or shall become insolvent, or make an assignment for the benefit of creditors, or if bankruptcy proceedings or proceedings for arrangement or reorganization under any Bankruptcy Act or proceedings for the appointment of a receiver, trustee, liquidator, or custodian for Mortgagor or any of Mortgagor's property shall be commenced by or against Mortgagor, or if Mortgagor shall fail punctually and faithfully to fulfill, observe or perform any of the terms, conditions, promises, covenants, provisions and warranties contained in this Mortgage or in any present or future agreement or instrument between Mortgagor and Mortgagee, or if any of the warranties, covenants or representations made to Mortgagee be or become untrue or incorrect in any adverse respect, or if there shall be a change in the management, operations, ownership of its stock or control of Mortgagor, or if Mortgagee at any time deems the security afforded by this Mortgage unsafe, inadequate or at any risk, then in any such event all Mortgage Obligations shall at once, at the option of Mortgagee, become immediately due and payable without notice to Mortgagor, and in such event it shall be lawful for Mortgagee to take possession of the Mortgaged Property at any time, wherever it may be, and to enter any of the premises of Mortgagor with or without process of law, and search for, take possession of, remove, or keep and store the same in said premises, without liability for trespass nor charge for storage of the Mortgaged Property, until sold, and to sell the Mortgaged Property or any part thereof and all of Mortgagor's equity of redemption therein at public or private sale, without notice or advertisement, such notice or advertisement being expressly waived by Mortgagor, for cash or on credit, and on such terms as Mortgagee may in its sole discretion elect in such county and at such places as Mortgagee may elect and without having the Mortgaged Property at the place of sale; Mortgagee may bid or become the purchaser at any such sale and Mortgagor waives any and all rights of redemption from any such sale. The proceeds of any sale shall be applied first to pay all costs, expenses and charges for pursuing, searching, taking, removing, keeping, advertising, and selling the Mortgaged Property, including attorneys' fees equal to 20% of the unpaid Mortgage Obligations, and second to the payment, partly or entirely, of any of the Mortgage Obligations as Mortgagee may in its sole discretion elect, returning the overplus if any to Mortgagor, who shall remain liable to Mortgagee for any deficiency, and Mortgagor hereby irrevocably consents to the appointment of a receiver for the Mortgaged Property and/or all other property of Mortgagor, and of the rents, issues and profits thereof, after such sale and such receivership may continue until such deficiency is satisfied in full. Mortgagor expressly waives any right to notice or hearing in any action to recover possession of any or all of the Mortgaged Property. In any action in the nature of replevin or sequestration, Mortgagor agrees that if it contests such action it will post a bond written by a national insurance company authorized to execute such bonds in the state or territory of such proceedings, such bond to be no less than the value of the subject matter of such replevin or the unpaid balance then owing to Mortgagee, whichever be less. Mortgagor hereby irrevocably authorizes any attorney of any court of record to appear for and confess one or more judgments against Mortgagor (except in any jurisdiction where such action is not permitted by law) for all unpaid balances due under the Mortgage Obligations, any other monies due hereunder and any deficiency, without stay of execution, and waive the issue of process, all right of appeal and relief from any and all appraisement, stay or exemption laws then in force. Any notices relating hereto shall be in writing and delivered in person to an officer of the party to whom addressed or mailed by certified mail to such party at its address specified herein or at such other address as may hereafter be specified by like notice by either party to the other. Reasonable notification hereunder shall be any notification given or sent at least five (5) days prior to the event for which such notification is sent. Mortgagor and Mortgagee hereby waive any and all rights to a trial by jury in any action or proceeding based hereon or arising hereunder or any counterclaims, cross-claims, set-offs or recoupment claims whatsoever.

6. Mortgagee may at any time, with or without exercising any of the rights or remedies aforesaid and without prior notice or demand to Mortgagor, appropriate and apply toward the payment of the Mortgage Obligations any and all balances, sums, property, credits, deposits, accounts, reserves, collections, drafts, notes or checks coming into Mortgagee's hands and belonging or owing to Mortgagor, and for such purposes, endorse the name of Mortgagor on any such instrument made payable to Mortgagor for deposit, discount or collection. Such applications may be made or any monies paid to Mortgagee may be applied without notice to Mortgagor, partly or entirely to any of the Mortgage Obligations as Mortgagee in its sole discretion may elect. In its sole discretion, Mortgagee may apply and/or change applications of any sums paid and/or to be paid by or for Mortgagor under any circumstances to any obligations of Mortgagor to Mortgagee, presently existing or otherwise. The interest rates which may be provided for in any instrument evidencing one or more Mortgage Obligations are and/or may be related to the New York City

banks' prime money rate in effect on the date of Mortgagor's request of Mortgagee with respect to the particular Mortgage Obligation involved and if thereafter there be one or more increases or decreases in said prime rate, the aforesaid interest rates shall each be increased (or decreased respectively) on the effective date of any such change in prime rate to the extent of .30% for each .25% change in the prime rate; however, in no event shall any interest rate be less than any stated in the instrument evidencing any Mortgage Obligation nor shall such rate ever be more than any maximum permitted by applicable law.

7. If, after default by Mortgagor in the payment, performance or fulfillment of any of the Mortgage Obligations or of the entire unpaid amount of the Mortgage Obligations after the same become or are declared due and payable, Mortgagee fails to demand full payment, performance or fulfillment or otherwise to proceed, such failure shall not be deemed a waiver of the rights of Mortgagee to make subsequent demands for the immediate payment of the entire unpaid amount of the Mortgage Obligations, or to take immediate possession of the Mortgaged Property, or to foreclose at any time this Mortgage, or to demand full performance or fulfillment, or otherwise to proceed; and the acceptance by Mortgagee of any payments subsequent to such default shall not be deemed a waiver of any rights of Mortgagee. No delay or failure on the part of Mortgagee in exercising any right, privilege, remedy or option hereunder shall operate as a waiver of such or of any other right, privilege, remedy or option, and no waiver whatever shall be valid unless in writing, signed by an officer of Mortgagee and then only to the extent therein set forth. This Mortgage cannot be changed or terminated orally. The books and records of Mortgagee containing entries with respect to the Mortgage Obligations shall be admissible in evidence in any action or proceeding, shall be binding upon Mortgagor for the purpose of establishing the items therein set forth and shall constitute prima facie proof thereof. Mortgagee shall have the right to enforce any one or more remedies available to it successively, alternately or concurrently. Only a writing, signed by an officer of Mortgagee, shall be effective, but only to the extent therein specifically set forth, to change, modify or terminate any Mortgage Obligation, this Mortgage or any other agreement between Mortgagor and Mortgagee.

8. All of the rights, remedies, options, privileges and elections given to Mortgagee hereunder shall enure to the benefit of Mortgagee, any transferee or holder of this Mortgage, and their respective successors and assigns; and all the terms, conditions, promises, covenants, provisions and warranties of this Mortgage shall enure to the benefit of and shall bind the representatives, successors and assigns of the respective parties. Any and all security interests granted to Mortgagee shall attach to any and all proceeds and products. Each person signing this Mortgage warrants full authority to sign for the party named and said person, individually, together with the party named, shall be jointly and severally liable for the unpaid balance of the Mortgage Obligations in the event of the breach of the above provision and/or in the event Mortgagor fails to pay its obligations in full to Mortgagee immediately upon the sale, transfer, assignment or conversion of any of the Mortgaged Property and agrees that upon the request of Mortgagee after any default to segregate and hold all or any part of the Mortgaged Property in a fiduciary capacity and to adequately maintain service and insure said property and to protect same from use and/or abuse, all without charge to Mortgagee, such fiduciary duty to terminate only upon the actual delivery of the Mortgaged Property to Mortgagee. Mortgagor, recognizing that in the event of default no remedy at law would provide adequate relief to Mortgagee, agrees that Mortgagee shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damages.

9. Some of the Mortgaged Property may be in the hands of Mortgagor under one or more security agreements which are or may be held by Mortgagee and with respect to such Mortgaged Property, this Mortgage is only of any equity that Mortgagor may now or in the future have in such Mortgaged Property and Mortgagee by accepting this Mortgage shall not in any manner be considered as having waived any security interest arising independently of this Mortgage nor shall this Mortgage be construed as adversely affecting any rights of Mortgagee under any other security agreement nor as a waiver of any of the terms and provisions of any other security agreement, guaranty or endorsement, all of which shall remain and continue in full force and effect.

10. Intending that each and every provision of this Mortgage be fully effective and enforceable according to its terms, the parties agree that the validity, enforceability and effectiveness of each provision hereof shall be determined by the law of the state where the Mortgaged Property may be located or the residence or principal place of business of Mortgagor or Mortgagee, whichever renders each such provision effective, however, if any one or more provisions hereof are in conflict with any statute or law and therefore not valid or enforceable, then each such provision shall be deemed null and void but to the extent of such conflict only and without invalidating or affecting the remaining provisions hereof.

IN WITNESS WHEREOF, Mortgagor has caused these presents to be duly executed, the day and year first above written.
