Mr. Edward C. Papenfuse
State Archivist and Commissioner
of Land Patents
P. O. Box 828
Annapolis, Maryland 21404

Dear Mr. Papenfuse:

Allow me to acknowledge receipt of your letter of June 8 agreeing to the conditions stated in my letter of June 3 relative to micro-filming our parish records. I am only too happy to clarify the points you raised.

You are quite correct in noting that my understanding is that access to records less than 100 years old is being restricted. In fact a clarification is needed here as well. The records which are being restricted are not those concerning marriages and deaths but only baptismal records. The purpose of this restriction is related to such matters as adoption and illegitimacy.

Permission is readily granted to have a member of your professional staff examine reels of film containing restricted records for a search of records dating before 1877 on an individual request basis. It is understood that these reels will not be available to the public. You may sell to the Maryland Historical Society those reels which contain restricted as well as unrestricted records only if they are able to guarantee the same understanding.

Hoping that this presents any clarification needed, I am

Sincerely yours,

William D. Borders

Archbishop of Baltimore

ROMAN CATHOLIC CHURCH
ARCHDIOCESE OF BALTIMORE

St. Michael Parish
Frostburg

St. Michael was established as the first Roman Catholic Parish in Frostburg in 1852. Until that time Catholics in the area were served by priests from St. Patrick Church at Mount Savage which, at that time, included Frostburg (then called Mount Pleasant). About 1850 Father Michael Slattery was sent to Frostburg, where he first held Mass in local residences. Arrangements were soon made for the purchase of the abandoned Highland Hotel, a large building in the center of town. This structure was remodeled: part was used as a church and part as a rectory. After Father Slattery left St. Michael in 1860 the parish again became a mission of St. Patrick in Mount Savage. For a few years the Redemptorist Fathers from Cumberland took charge at Frostburg, and by 1868 the old church structure was replaced by a brick and stone edifice. Set in the midst of a growing mining and railroad community the parish continued to expand. A pastoral residence was built on the site of the former hotel and cemetery land was purchased on McCulloh's Hill.

September 14, 1956.

Dear Fatjer Montgomery:

Received the birth certificate which I requested and I want to thank you very much. However,

I am returning, herewith, for the reason that there appears to be an error, unless, of course, the records are in error, as to the name of the Mother. It should be ROSARIA MARRA. I was going to erase it and insert it, in order to save you an extra inconvenience, but thought better of it because of its official significance.

Sorry to cause you extra correspondence, but I do appreciate your cooperation.

Very truly yours,

Eileen Leskey

P. S. A small "offering"
enclosed for all
your trouble.
