It is quite uncertain whether it may not be necessary to keep up a Body of our Militia at Camp and the Time of those who are now there being nearly expired we request you will immediately order the first and second Class of the Militia of your County to march. They will do well to take each of them a Blankett, we have none with which we can supply them; and, such as can, a Gun. The Arms, Tents, Camp Kettles and Accoutrements in the Use of those at Camp, will be put into the Hands of those who are to supply their Place but probably, as is too common, some of the Arms may be carried away and others abused, so as not to be immediately serviceable. Through Baltimore Town will be the best Rout and we shall be glad that an Officer from each Company should come to us here, by the Time the Militia get to Marlbro. We wish all Expedition to be used as, eventually, it may be necessary to form a large Body of Militia, or what is indeed to be wished our Affairs may be in such a Situation as to allow us to dismiss them on the Way.
