Sir

Mr Samuel Gerock brought down an Account of the Hospital at Baltimore which, though it may be very just, is more than we expected it would have amounted to. Possibly it may be, in some Measure, owing to People's remaining there who might be returned to their Duty or of others who are not likely to be fit for Duty. We therefore request you'll send us a List of those who are in the Hospital, noting what Service they belong to, and whether they are likely to be again fit for Service.

We are &<sup>ca</sup>

To Doct<sup>r</sup> Gale, Baltimore.

In Council 24<sup>th</sup> Dec<sup>r</sup> 1777.

Gent.

We inclose you a Copy of a Resolution of the General Assembly and, in Consequence of it, an Appointment to adjust and settle the Militia Accounts, which, we flatter ourselves, you will take the Trouble to execute, as it will contribute greatly to the Ease and Convenience of the Claimants, who have deserved well of their Country. Nothing very material occurs to us at present but to request you'll make no Allowance to any of the Militia who deserted or came away before their Time had expired, without Leave, and that you will preserve and transmit to us, all the Accounts and Vouchers that this State may have due Credit in our Account with the Continent. If any Difficulties should arise, on its being proposed, we shall be ready to give you our Sentiments thereon.
