May It please Your Excellency and Honours

Your message of Saturday by the Honble Col Addison & L^t Col Tilghman about the 12^d p^h being read We are glad to find you concur with us in our proposals about the same And must own that the kind & generous offer made by his Excellency therein to settle the Affair about reducing the Number of the Receivers of the King's Revenue in this Province to one with the proper Officer on his Arrival in all likelihood will tend to great Advantage to this Province for Which we return his Excellency our hearty Thanks & Entirely relying on the good Consequence we expect from his Excellency's Efforts that way we acquiesce without troubling his Excellency with any further Application at this Time
