May it please Your Honours

This House being of Opinion that it will be of very great Ser-
vice to the Province in General, that the Circulation of the Bills of
Credit be as speedy as possible, especially so much of them as may
enable the People to discharge such Part of their Levies as they
legally may in the said Bills, And therefore we propose that the
Commissioners be empowered to employ such and so many Clerks
as they shall think proper to assist in dating and numbering the
Bills of Credit at the publick Charge and desire Your Concurrence
therein
