Lib. No. 33

May it please your Honours

This house is of Opinion that it will be of Service to the Countrey to pay the publick charge of this Province which will be due at the end of this Session out of the Bills of Credit remaining in the Office because it will not only prevent any Delay in Paym^t to the Prejudice of such persons as are in immediate Want but also because it will tend to a different Circulation of the said Bills of Credit And thereby render them the more useful to all the Inhabitants of this Province who are by the Laws thereof Obliged to provide a Sufficient fund to sink the said Bills of Credit and therefore desire your Honours Concurrence in having such payment made out of the Bills of Credit now in the Office accordingly.
