Sir The Distress of the State for Money has been so very great, that the General Assembly to supply the Officers to enable them to bear their Expences on their March to the Southward, have been constrained to Solicit a Loan of £200,000 from the Inhabitants of Baltimore Town. We are not so sanguine as to expect this Requisition will be fully complied with and therefore have sent this Express for all the Money you can spare, to make up the Deficiency of the £200,000 and to answer the ordinary Demands on the Treasury. As this Money is to be paid in three Weeks, we have wrote to the Collectors of the several Counties to make Payment of the five Pound Tax, as soon as possible, and hope you will use every Method to induce them to bring in the Money without Delay and for that Purpose request you to forward the Letters herewith sent.
