[Council to Delegates in Congress]

Gentⁿ We have sent by M^r Isaac McHard 200,000 Continental Dollars, to be delivered over to the Continental Treasurer in Philadelphia, being in Part of the 1.234.350 Dollars required of our State by the Resolution of Congress of the 19th of May last. We are much concerned it is not in our Power to comply fully with that Demand at this Time. When that Requisition was received, our Treasury was quite exhausted, owing chiefly to the continental Drains by Payments of considerable Sums, for the Use of Congress, the Assessments imposed, previous to the Resolution, have not yet been collected; the sum remitted was procured by Loan. We must request you to represent these Facts to Congress, and to inform them that this State, from a Sense of the vast Importance of complying with the Resolution to the Extent, have made every Exertion to procure the Money and that we shall not remit our Attention, til the whole is forwarded
