Sir. We enclose you the Licences desired—The Accounts we have of the Purchase from every Part agree pretty much with the State of it in yours. As you have wrote to Col. Blaine on the Subject of Col. Hemsley's Flour, we hope he'll give you precise Orders with Respect to it; for our Parts we cannot bring ourselves to advise Contracts for Prices to depend on Contingencies; the Power of the Assembly only is adequate to the Occasion, and much depends on their exerting it—
