On reading a letter from the committee of observation for Somerset county, *Ordered*, That major Price take command of, and direct so many of the independent companies on the eastern shore to march immediately to the lower part of Somerset county, as he may think proper; and that if necessary, he be assisted with, and command such of the militia as shall be called on by a committee to be appointed by this convention; that he proceed to disarm all such persons in that county as shall from good grounds appear to such committee to be disaffected, and to take into custody all such disaffected persons as shall be ordered by the said committee.
