

1 we had no discussion today about the felony murder decision.  
2 Judge Brune's answer was we are going to get rid of the  
3 felony murder rule. If we are to change the criminal  
4 law in this state, and I haven't heard anybody saying it  
5 is a horrible way we try cases in this state, we ought to  
6 do it with study and know what we are doing and make sure  
7 these problems are covered.

8 If we just remove this, we will leave the door  
9 wide open for the judges to do whatever they decide to  
10 do in this area with no restriction on them.

11 THE CHAIRMAN: Delegate Singer.

12 DELEGATE SINGER: I have a question for Delegate  
13 Henderson, if he will yield.

14 THE CHAIRMAN: Delegate Henderson, would you  
15 take the floor to yield to a question?

16 DELEGATE HENDERSON: I will.

17 THE CHAIRMAN: Delegate Singer.

18 DELEGATE SINGER: What problems have been  
19 encountered in states which do not have such a constitutional  
20 prohibition in the administration of criminal trials, if  
21 you know?
