

1 that with respect to 7.03 there could be a law changing the
2 county boundaries and there may be a dispute as to whether
3 this is a public general law, or some other kind of law,
4 and I take it that with respect to the sentence in 47, "If
5 a law consolidated counties or changed the boundaries, and
6 this provided or required a change in the instrument of
7 government of the county, as it may, that such amendment could
8 be proposed by a law which was not a public general law."

9 DELEGATE PENNIMAN: That is correct.

10 THE PRESIDENT: But that if a law was providing a
11 general means or method by which amendments could be
12 adopted, that could only be a public general law.

13 DELEGATE PENNIMAN: That is correct.

14 THE PRESIDENT: Delegate Moser.

15 DELEGATE MOSER: Mr. President, I was only going
16 to suggest a way for Delegate Bamberger to inform himself
17 as to where a public general law was meant. That is if you will
18 look before the word "law" wherever it appears, if you come
19 to a section and it has "public general" before it, and those
20 words are stricken out, it would indicate that it is the
21 committee's intention that that be by public general law.
