

1 Where there are no such words, it would indicate
2 that the committee's intention would be that it be any
3 kind of law.

4 At least, this is the way that the article was
5 drafted, and the change which is being made in old 7.06
6 will eliminate the necessity of putting that in and, in
7 fact, will adopt a different procedure.

8 Now, that basically -- I hope it doesn't tend to
9 confuse you but this is the Local Government Committee's
10 intention as the matter was passed here on the floor by
11 the Committee of the Whole.

12 THE PRESIDENT: Delegate Bamberger.

13 DELEGATE BAMBERGER: I understand that the words
14 "public general" stricken out are at least an indication
15 of what was the intention of the committee. I think it
16 might still help us when we go through here when one of
17 these is to be an exception of the rule, if you will indicate
18 that to us.

19 DELEGATE PENNIMAN: All right, I will try to do
20 that.

21 THE PRESIDENT: Delegate Marion.
