

1 could of course include municipalities and to me it could
2 mean only that a law of the General Assembly granting powers
3 may include all political subdivisions -- in other words,
4 all municipalities -- or one or more municipalities.

5 In other words, it could be a local law insofar
6 as granting taxing powers is concerned. It seems to me
7 if that is dropped out of the Constitution, and we rely
8 solely on Section 7.07, then we have made a substantive
9 change.

10 Mr. Penniman says that he thinks that was cleared
11 up on the floor. I don't recall that, but maybe Delegate
12 Case will.

13 THE PRESIDENT: I don't know that now is the
14 proper time to discuss it, because you don't have before you
15 the report of the Committee on Style, Drafting and Arrange-
16 ment as to Section 8.01.

17 There is, I take it, no question so far as this
18 particular point is concerned under Section 7.04, is there?

19 DELEGATE MACDONALD: That is correct, Mr.
20 Chairman. I think the situation as far as 7.04 is concerned
21 is all right subject to the mild reservation that it is
