

1 of intergovernmental authorities.

2 What we are doing here is strengthening the  
3 intergovernmental authority as a unit of government and  
4 avoiding the day when we will have something that is far  
5 more preferable, far more clearcut, far more directly  
6 related to multi-purpose functions than these intergovern-  
7 mental units, which, true, may be multi-purpose, but us-  
8 ually are employed for single purposes.

9 To avoid that proliferation, to avoid that  
10 strengthening, to avoid that increased use of intergovern-  
11 mental units, I strongly urge we not give any additional  
12 power to it.

13 THE CHAIRMAN: Are we ready for the question?

14 The question arises on adoption of Amendment  
15 No. 10. A vote Aye is a vote in favor of the adoption of  
16 Amendment 10. A vote No is a vote against. Cast your  
17 votes.

18 Have all delegates voted? Does any delegate  
19 desire to change his vote?

20 Doorkeeper, are there any delegates immediately  
21 outside the door?
