

1 understand the suggestion?

2 DELEGATE TAYLOR: Yes, I understand. But I feel
3 that I was trying to do as the minority did, and the
4 majority did to some extent, just copy the language from
5 the United States Constitution, and I felt that this would
6 not really complicate matters.

7 THE CHAIRMAN: I take it that you do not accept
8 the suggestion, then?

9 DELEGATE L. TAYLOR: That is right.

10 THE CHAIRMAN: Very well.

11 Does any other delegate desire to speak in favor
12 of the amendment.

13 Delegate White.

14 DELEGATE WHITE: Mr. Chairman, I was just reminded
15 of something I learned a long time ago.

16 If I were in Delegate Taylor's shoes, I would
17 beware of Greeks bearing strange gifts. (Laughter.)

18 THE CHAIRMAN: Do you desire to speak in opposi-
19 tion? Does any delegate desire to speak in opposition?

20 Does any delegate desire to speak in favor?

21 Delegate Roger.
