

1 in the city of Baltimore that is on that level, designed  
2 to accomodate the jury.

3 I can see that there is no jury commissioner now  
4 in existence to handle this jury. I can see the spending  
5 of all kinds of money for this type of provision. I  
6 strongly urge the rejection of this amendment and I  
7 strongly urge all delegates to give serious consideration  
8 of this business of the four-tier court system.

9 THE CHAIRMAN: Any other delegate desire to  
10 speak in favor of the amendment?

11 Delegate Bennett.

12 DELEGATE BENNETT: I just want to respond. What  
13 is  
14 Mr. Ryczynski is saying/that a jury trial should be  
15 discouraged. It is pretty hard to discourage jury trials  
16 in Baltimore where 98 percent of the cases there are  
17 tried on a verdict of guilty.

18 If we want to grant the jury trial and you  
19 believe in jury trials, the thing to do is to vote in  
20 favor of this amendment.

21 THE CHAIRMAN: Delegate Borom, do you desire to  
speak in opposition?
