

1 President of the Baltimore County Parent Teachers
2 Association, Mrs. Lee Wuerfel and Mr. R. R. Richards
3 of the Parent Teachers Association of Baltimore County. (Applause)

4 THE CHAIRMAN: Delegate Ulrich,

5 DELEGATE ULRICH: Mr. President, I rise for
6 a point of personal privilege. I want to welcome some
7 more students from the North Glen Elementary School
8 along with their teachers, Mrs. Perkins, Mrs. Pearson,
9 Mrs. Harris and Mr. Muntain.

10 I hope the Convention will welcome them at this
11 time. (Applause.)

12 THE CHAIRMAN: Delegate Maurer, do you have a fur-
13 ther question?

14 DELEGATE MAURER: Yes, is it not true that the
15 State, by law which was passed deals only with the
16 right of the members of a particular organization to consult
17 with the school board and still leaves open the question I
18 raised about the rights of other organizations to claim that
19 under this wording they still have a right to negotiate
20 with the board, too. I think we have an interim problem
21 here which the State, by law, does not address itself to.
