

1 to each such report to the Committee on Style and second
2 reader of the Committee Recommendation to consider first
3 section by section where there is more than one section,
4 the amendments proposed by the Committee on Style and
5 we will consider as germane only amendments which go to
6 questions of style.

7 If a Delegate desires to change language
8 suggested by the Committee on Style for stylistic reasons
9 or change other language not changed by the Committee
10 on Style for stylistic reasons, he should do so by
11 written and printed amendment submitted in accordance
12 with the procedures indicated yesterday.

13 If a Delegate desires not to submit suggested
14 changes, but merely disagrees with the recommendation
15 of the Committee on Style and desires to submit to the
16 Convention the question of deletion of the change
17 suggested, this can be more simply accomplished not by
18 having an amendment to delete ~~it~~ but simply by having
19 any such Delegate request that the amendment of the
20 Committee on Style be submitted to separate vote.

21 If the amendment is approved by a majority,
