

1 Delegate Hanson, do you desire to speak in
2 opposition?

3 DELEGATE HANSON: I have a point of parliamentary
4 inquiry.

5 THE CHAIRMAN: State the inquiry.

6 DELEGATE HANSON: I would like to preface my
7 inquiry with a very brief statement and that is I would
8 very much be in favor of a policy change which this
9 section recommends, but I can see some very severe problems
10 with its immediate implementation upon the adoption of
11 the Constitution and I should like to inquire of the Chair
12 or the chairman of the committee whether, should Section
13 7 as reported be adopted, the Committee would recommend
14 and recommend strongly to the Convention that the
15 transitional legislation to accompany the Constitution or
16 the schedule for the effectuation of the Constitution
17 contain a provision that this section would not become
18 effective until the General Assembly had an appropriate
19 opportunity to review the status of liability and provided
20 adequate laws to make this reversal a useful and easy
21 one.
