

powerless, to place the welfare of the people above every other consideration.

Hear our plea and answer our prayer.

Amen.

THE PRESIDENT: Roll Call.

The Chair recognizes Delegate Powers, Chairman of the Committee on Calendar and Agenda.

DELEGATE POWERS: Mr. Chairman, I move that the rules be suspended so that we may consider in today's calendar Committee Recommendation EB-2 on the attorney general. That is the only remaining matter in the executive branch article and it was felt that it would be highly desirable to have that concluded so that Style Drafting and Arrangement may conclude its work on that.

Rule 33 provides that it must lay over to the third day. This is only the second day, so I move that rule be suspended and that the daily calendar be adopted.

THE PRESIDENT: Is there a second?

*(Whereupon, the motion was duly seconded.)*

THE PRESIDENT: The question arises on the motion to suspend the rules and permit consideration this morning of Committee Recommendation EB-2 and to approve the calendar and agenda for the day.

This will require a roll call vote.

Is there any discussion?

*(There was no response.)*

A vote Aye is a vote in favor of suspending the rules. A vote No is a vote against.

Has every delegate voted? Any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 93 votes in the affirmative and 2 in the negative, the motion carries. The rules are suspended to permit consideration of Committee Recommendation EB-2 and the calendar is approved.

The Chair recognizes Delegate Hutchinson.

DELEGATE HUTCHINSON: Mr. President, I would like to take this opportunity to welcome a group of young ladies who are the representing the Youth for Better Government Organization from Baltimore Coun-

ty, Fifth District. Along with them are their advisors, Mrs. De Fort and Mr. Al Clasing, who happens to be one of the very few Republicans in the district and yet, he is still one of the finest men in the district.

I also would like to introduce and welcome Miss Peggy Huffman, who is not with this group, but who does hold a special place in my heart.

*(Applause.)*

THE PRESIDENT: Reports of standing committees.

Mr. Clerk.

There being no reports other than on Resolution No. 24 —

Delegate Koss.

DELEGATE KOSS: Mr. Chairman, may I rise on a note of personal privilege?

THE PRESIDENT: State the privilege.

DELEGATE KOSS: In the gallery today visiting and observing are a group of students from Springbrook High School in Montgomery County, accompanied by their advisor, Mr. Sage. I would hope that this body would welcome them. Thank you.

*(Applause.)*

THE PRESIDENT: Delegate Mitchell.

DELEGATE MITCHELL: Mr. President, I also rise for a personal privilege.

THE PRESIDENT: State the privilege.

DELEGATE MITCHELL: To announce the presence in the gallery of Mr. Albert I. Cassell, Architect of Howard University, Washington, D. C., who has designed most of the buildings at Morgan State College and other buildings for the State. He is the father of eight children, of which three are architects, others in Medicine and Law, and is a very distinguished citizen of this State. Mr. Cassell is visiting in the rear balcony. Also observing today is Mrs. Thelma Parker, the daughter of Mr. Earl Coka who assists her father in his insurance brokerage office.

*(Applause.)*

THE PRESIDENT: The next item on the calendar is consideration of Resolution No. 24 by the Committee on Local Government and the report of the Committee with respect thereto.

The Chair recognizes Delegate Moser, Chairman of the Committee.
