

DELEGATE J. CLARK: Mr. Chairman —

THE CHAIRMAN: The tally shows you are not voting. The Chair understands you were voting Nay, but your switch is not working.

DELEGATE J. CLARK: Of late my switch usually stops at 5:00 P.M. It stopped a little later today.

THE CHAIRMAN: Which way did you vote, sir?

DELEGATE J. CLARK: Aye.

*(Applause.)*

THE CHAIRMAN: There being 60 votes in the affirmative and 59 in the negative, the motion carries. The amendment is adopted.

DELEGATE JAMES: Sixty votes in the affirmative and 59 in the negative.

THE CHAIRMAN: Are there any further amendments to Committee Recommendation EB-2? The Chair hears none.

The question now rises on the adoption, on the approval of Committee Recommendation EB-2, as amended. Are you ready for the question?

*(Call for the question.)*

The Clerk will ring the quorum bell.

The question arises on the approval of Committee Recommendation EB-2.

A vote Aye is a vote in favor of the approval of the recommendation as amended. A vote No is a vote against.

Cast your votes.

Has every delegate voted? Does any delegate desire to change his vote?

*(There was no response.)*

The Clerk will record the vote.

There being 100 votes in the affirmative and 15 in the negative—

READING CLERK: Delegate Clark's vote did not show again.

THE CHAIRMAN: Delegate Clark, will you indicate your vote orally?

DELEGATE J. CLARK: Aye.

THE CHAIRMAN: There being 101 votes in the affirmative and 15 in the negative, the motion carries. The Recommendation is adopted.

We misinformed you by indicating that the consideration of this amendment would take one-half hour. We thank you very much for your patient consideration and able presentation.

The next item on the calendar for the Committee of the Whole is the resumption of Committee Recommendation R&P-1.

At the time of the recess on consideration of this recommendation yesterday we had concluded the presentation by the Chairman of the Committee. We now enter the period of questions to the Chairman of the Committee. I will request Delegate Kiefer to come forward.

May the Chair take this opportunity to remind you that the period of questioning of the Committee Chairman is not a period of debate, and engaging in extensive colloquy with the Chairman of the Committee interferes with the presentation of the report.

The purpose of the question period is to make abundantly clear the meaning of the report and the intent of the Committee in presenting it.

Will you therefore please keep your questions confined to that purpose?

Will you please also keep in mind that when other delegates are seeking the floor to ask questions you should reduce the number of your questions as much as possible?

Are there any questions of the Committee Chairman with respect to Committee Recommendation R&P-1 or the committee recommendation in support thereof?

Delegate Sybert.

DELEGATE SYBERT: Mr. Chairman, I noticed section 1 in the report is "Freedom of Expression." I wonder if this would be the appropriate place to inaugurate a gag rule while we are considering this "Freedom of Expression," in order to shorten debate.

THE CHAIRMAN: I am all for that, Delegate Sybert.

Are there any other questions of the Committee Chairman?

DELEGATE GRANT: Mr. Chairman, in section 5 under "Rights of the Accused," the section says a person accused of a crime shall so forth and so on, and my question was, how broad an interpretation the Committee intended to place on the words "accused of a crime"?
