

of the university or those who had nothing to do with it, did attest to the fact that it has been a tremendous boon to the work of the university and certainly I share the sympathies and the sentiments expressed by Delegate Hopkins in that respect.

At this time in keeping with the spirit of the season, I would now call for Amendment KK which I assume stands for Kris Kringle.

THE CHAIRMAN: Absolutely correct.

Pages will please distribute Amendment Kris Kringle.

The Clerk will read Amendment No. 10.

READING CLERK: Amendment No. 10 to Committee Recommendation GP-6 by Delegates Boyer, Wheatley, Blair, Caldwell, E. J. Clarke, Jett, Key, Kirkland, Lord, Pullen, Ritter, K. L. Robie, Singer, Sosnowski and Vecera:

On page 3 strike out all of lines 8 through 10, inclusive, comprising all of section 9.

THE CHAIRMAN: The amendment having been duly made and seconded, the Chair recognizes Delegate Wheatley.

DELEGATE WHEATLEY: Mr. Chairman, ladies and gentlemen of the Convention, I shall be brief.

In order to put together a document which we believe will be structurally sound as well as in good form, we believe we should have one section so specific in nature, after having much more general sections, and for that reason the majority and minority have joined in their interpretation that the language originally adopted relating to educational institutions and services should include libraries, and therefore at this time it would be somewhat in keeping with that original language to move that the specific inclusion of libraries as distinct from services of education nature should not be separately stated. I therefore move the adoption related to the striking of section 9.

THE CHAIRMAN: Is there any discussion?

*(There was no response.)*

Are you ready for the question?

DELEGATE BOYER: Mr. Chairman, to your expression of thanks I would like to add my personal thanks to Delegate Wheatley and Delegate Lord, and also to the Committee of the Whole for their assistance in helping steer us through this thorny and sticky thicket of education.

I hope that you all feel as we do that we pass this stage with perhaps a sense of relief but certainly of accomplishment, and in recognition of the adroit and articulate manner in which the matter was presented
