-------------------------	-----------

Governor, with consent of Senate, appoints one for two years from 1st Monday in May. (Ch. 123, 1898.)

LIQUOR LICENSE COMMISSIONERS.

Note:—There being no further duties for the purposes for which this Board was created, by reason of the enactment of the Federal Prohibition Law, no appointments thereon were made by the Governor in 1920.

Joseph Y. Brattan, Chairman.....	Baltimore
John M. Kerr.....	Baltimore

The Commission under the State law consists of three members. On the adoption of the Prohibition amendment to the Federal Constitution two of the former commissioners resigned. Joseph Y. Brattan continued in office without pay until the decision of the Court of Appeals was rendered declaring that despite the Constitutional amendment all persons or concerns dealing in liquors in this State under the Volstead law were still required to obtain Maryland licenses. In the interest of economy at the request of the Board of Estimates of Baltimore Governor Ritchie decided to reappoint Mr. Brattan as chairman of the board, and further named Mr. Kerr to membership with the understanding that he was to attend to the clerical duties of the board, leaving vacant the position of third member of the board and obviating the necessity of employing clerical help.
