

said county, without distinction, discrimination or difference, and any parent may send to said schools any one or more of his children without cost or expense.

164\*. The county commissioners of Prince George's county are hereby directed to deliver to the board of trustees of primary schools the books containing the metes and bounds, courses and distances, of the original school districts erected in said county.

165\*. The board of trustees of primary schools shall lay out new school districts, build school houses therein and condemn any land on which to erect the same.

166\*. They shall appoint three commissioners for each school district of which the boundary lines are not now recorded, or for such school district as may hereafter be laid out, whose duty it shall be to lay off and clearly define the metes and bounds of each of said school districts and report the same to the board of trustees; and if three or more of the taxable inhabitants or patrons of such school districts shall be aggrieved by the report of said commissioners, they may be heard before the board of trustees within twelve months from the time of filing of said report or reports; and said board of trustees may in their discretion reject the reports and return the same to the commissioners aforesaid for such amendments as the board may direct, and the commissioners shall receive the sum of two dollars per day each for said service, to be paid out of the school fund of the county.

167. The Orphans' Court for said county shall pay to the trustees of the Bladensburg academy the sum of three hundred dollars annually, out of the interest upon the free school fund of said county, the said sum to be paid semi-annually, upon the draft of the general board of trustees, at their regular meetings in July and December.

168. The sum paid, under the preceding section, shall be applied by the trustees of the Bladensburg academy to the necessary repairs of the academy and lot, and such other uses as may, in the judgment of the trustees, best promote the interests of the academy.

169. The trustees of the said academy shall, upon application, receive into said academy for instruction one pupil from each election district in said county free of charge for tuition, and if
