

47*. The following shall be the boundaries of Tangier district, or election district number fifteen, and Dame's Quarter district, or election district number four. Beginning at the north-east side of the mouth of the creek commonly called Rock Creek, and thence running southwardly until it intersects in a straight line another creek commonly called Fishing Creek, all that portion lying west of said line and included in what was formerly called "Dame's Quarter" district, to constitute Tangier district, or election district number fifteen, and all lying east of said line to constitute Dame's Quarter district number four, as heretofore.

48. The return judges of election in said county shall, in addition to their per diem, be entitled to six and a quarter cents a mile for every mile their places of residence shall be distant from the county town, to be allowed them both for going and returning.

OFFICERS' FEES.

49. The fees of officers in Somerset county may be sent out for collection between the first day of January and the fifteenth day of July in each year, and the sheriff of said county shall be allowed until the first day of January then next ensuing to account for and pay over said fees.

FENCES.

50. The partition fences between the adjoining fields of different proprietors now existing, or which may hereafter be established by mutual consent in said county, shall be made and repaired by the parties respectively owning or occupying the fields at their joint and equal expense.

51. Upon failure of a party to make or repair and keep in good order his proportion of such fence, or to pay his equal share of the cost thereof, he shall be answerable therefor in an action of debt before a justice of the peace.

52. The person desiring such partition fence to be repaired shall give at least thirty days' notice to the owner of the adjoining land and joint owner of the fence, of such repair being necessary, and of his intention to proceed to make the same, and if the said joint owner shall not before the expiration of the thirty days repair the same, he may repair and construct the same out of the usual materials and in the ordinary way, and the
