

The Governor, with the consent of the Senate, appoints nine Regents for a term of nine years from the first Monday in June.

The first appointments were made in 1916 for terms of 1, 2, 3, 4, 5, 6, 7, 8 and 9 years, and as these terms expire a successor is appointed for a full term of nine years. (Ch. 372, 1916.)

This Board of Regents displaces the old Board of Trustees of the Maryland State College.

Under Chapter 480, Acts 1920, the old University of Maryland was, on July 1, 1920, consolidated with the Maryland State College, under the former name.

THE UNIVERSITY OF MARYLAND.

The University of Maryland is located at College Park, in Prince George's County, Maryland, on the Baltimore and Ohio Railroad, eight miles from Washington and thirty-two miles from Baltimore. College Park is easily accessible from all parts of the State. The campus fronts on the Baltimore and Washington Boulevard.

The Professional Schools of Medicine, Nursing, Pharmacy, Dentistry, and Law and the University Hospital are located in Baltimore in the vicinity of Lombard and Greene Streets.

Administration.

The government of the University is vested by law in a Board of Regents, consisting of nine members appointed by the Governor each for a term of nine years. The administration of the University is vested in the President. The University Senate acts in an advisory capacity to the President.

The University organization comprises the following administrative divisions:

- College of Agriculture.
- Agricultural Experiment Station.
- Extension Service.
- College of Arts and Sciences.
- College of Education.
- College of Engineering.
- College of Home Economics.
- Graduate School.
- Summer School.
- Department of Military Science and Tactics.
- School of Dentistry.
- School of Law.
- School of Medicine.
- School of Nursing.
- School of Pharmacy.
- The University Hospital.

The College of Agriculture includes the following departments: Agricultural Economics; Agronomy (including Crops and Soils); Animal Husbandry; Bacteriology; Botany, Dairy Husbandry; Entomology and Bee Culture; Farm Forestry; Farm Management; Farm Mechanics; Genetics and Statistics; Horticulture (including Pomology; Vegetable Gardening, Landscape Gardening and Floriculture); Plant Pathology; Plant Physiology and Bio-chemistry; Poultry Husbandry.
