

## Executive Secretary:

Francis D. Friedlein.....Baltimore

The functions of this Commission are to prepare or coordinate plans for the physical development of the State including, among other things, plans for complete systems of State or regional highways, expressways, parkways, parks, water supply and forest reservations and airways and air terminals; to advise with State departments and bureaus, local authorities and individuals, with a view to the coordination of all physical development plans related to State activities; to make surveys of rural land utilization to determine areas suitable for field crops, reforestation, watershed protection, recreation, summer residence, and urban expansion; to prepare a long-term development program of major State improvements; and, generally, to make available information on subjects affecting the health and welfare of the people of Maryland and recommendations thereon.
