

**COMMISSION TO MAKE SURVEY OF ELEMENTARY
AND HIGH SCHOOLS**

(Chapter 610—Acts of 1939)

The Governor is authorized, empowered and directed to appoint a commission of five (5) members to make a survey of the public elementary and high schools and State Teachers' Colleges of the State of Maryland, to study the obligations of the public school system of Maryland with a view to defining these and to adjusting the school program to present conditions; and to study such problems as the length and scope of the school program (including curriculum offerings; vocational preparation and guidance; adult education; recreational, aesthetic and cultural opportunities; health and social services; and adjustment to higher education); the adequacy of the physical plant for the services to be performed, and the financial implications of any proposed revision of the program; and said Commission is hereby directed to report its findings, with recommendations, to the Governor; which report shall be transmitted by the Governor to the General Assembly at its session in 1941.

The report, in book form, was submitted in accordance with the law.
