

Park Commissioner; of the other Montgomery County members, \$1,200; and of the Prince George's County members, \$500. The Commission appoints a Secretary-Treasurer at an annual salary of \$2,000, and a General Counsel at a salary of \$3,000. Offices are maintained in both counties.

Within the Maryland-Washington Metropolitan District, the Commission is empowered to acquire, develop, maintain, and operate a park system with recreational facilities, expense of which is paid from a separate park tax levied within the District. A recreational program has been authorized in the parks and other public places, revenue for which may be obtained from a special recreation tax or county grants. The Commission is authorized to cooperate and negotiate with Federal agencies for financial assistance under the terms of the Capper-Cramton Act of the 71st Congress, and with other agencies in the park development program.

Within the Maryland-Washington Regional District, which includes and extends beyond the Metropolitan District, the Commission is empowered to make, adopt, and amend a general plan for the physical development of the Regional District, including all factors of urban, suburban, rural, and regional planning. Plans and specifications for the construction of public works improvements and facilities are authorized to be prepared by the Commission. It is given specific subdivision control power, and jurisdiction over building inspection and permits, over street grades and locations, public buildings and utilities after the adoption of a major road plan, over street naming and house renumbering, and the Commission has advisory zoning powers. The zoning ordinances and amendments, however, are enacted by the respective Board of County Commissioners sitting as a District Council for that portion of the District within each County. The Commission recommends land use or zoning ordinance building regulations and similar ordinance subject matters to the respective District Councils. The Building Inspector's departments of both counties function under the jurisdiction of this Commission. The administrative expenses of the Commission are paid from an administrative tax levied within the District.
