The Commission on Interracial Problems and Relations was created by Chapter 548, Acts of 1951 to supersede the Governor's Commission on Problems Affecting the Negro population. The Commission consists of nine members appointed by the Governor with the advice and consent of the Senate for six-year terms so staggered that three terms expire every two years. The Governor designates the chairman of the Commission. The Executive Secretary of the Commission is appointed by the Commission. The Commission makes surveys and studies of problems affecting the Negro population of the State and the betterment of interracial relations. The Commission submits an annual report to the Governor and General Assembly together with recommendations, if any, for additional legislation (Code 1957, Art. 49B, secs. 1-3; Acts 1959, chap. 201).

Appropriations	1961	1962

The State Coordinating Commission on Problems of the Aging was created by Chapter 1, Acts of 1959, in response to problems created by the rapidly increasing population of older persons. The Commission consists of sixteen members, of whom ten are appointed by the Governor for staggered six-year terms. Of these ten, one must be a member of the Maryland State Senate, and one, a member of the Maryland House of Delegates. One must represent the Medical and Chirurgical Faculty, and one, the Baltimore City Medical Society. In addition, one must represent labor, one must represent industry, one must be specially knowledgeable in research, one must be associated with the work of charitable organizations, and two must be selected because of their interest in the problems of the aging. The remaining six members must be, ex officio, the Commissioner of the State Department of Health, the Commissioner of the Department of Mental Hygiene, the Director of the State Department of Public Welfare, the State Superintendent of Schools, the Executive Director of the Department of Employment Security, and the Chairman of the State Planning Commission. The Commission appoints an Executive Director,
