

geographic representation from all parts of Maryland and from various elements of the private sector. The full Commission meets four times a year at the call of the Secretary (Code 1957, 1971 Repl. Vol., Art. 41, sec. 257H).

### **SOUTHERN INTERSTATE NUCLEAR BOARD**

Levio E. Zeni, *Member of the Board from the State of Maryland*

#### **OFFICERS OF THE BOARD**

*Chairman:* Peter B. Turnham, Alabama

*Vice Chairman:* Otto Henry Zinke, Arkansas

*Treasurer:* Herbert O. Funsten, Virginia  
Kenneth J. Nemeth, *Secretary*

Suite 104, 7 Dunwoody Park,  
Atlanta, Georgia 30341

Telephone: 404-394-9310

The Southern Interstate Nuclear Board operates under the terms of the Southern Interstate Nuclear Compact of 1961 (Public Law 89-563), which was ratified by the legislature of Maryland by Chapter 680, Acts of 1963. In addition to Maryland, seventeen states and the Commonwealth of Puerto Rico have ratified the Compact. The purpose of the Southern Interstate Nuclear Board is to assist the member states and the region to achieve benefits and meet responsibilities of nuclear energy, space, and related technologies through direct staff services and the pooling of energy, resources, special skills and talents of personnel and physical capabilities.

The Southern Interstate Nuclear Board provides assistance to state and local governments in areas of industry, agriculture, medicine, labor, legislation, public health, public information, electric power, education, transportation and environmental quality. The Maryland representative on the Board serves for a term which runs concurrently with that of the appointing Governor (Code 1957, 1971 Repl. Vol., Art. 41, secs. 319-332 and 356).

### **MARYLAND ADVISORY COMMISSION ON ATOMIC ENERGY**

*Chairman:* Levio E. Zeni, 1980

John C. Geyer, 1977; T. Edgie Russell III, 1977; Jean Stifler, M.D., 1977; Dominic N. Fornaro, 1978; Richard H. Kent, 1978; Peter J. Vogelberger, Jr., 1978; Leonard W. Dayton, 1979; Curtis Marshall, M.D., 1979; Young D. Hance, 1980; Joseph L. Marchello, 1980.

Department of Natural Resources,  
Tawes State Office Bldg.,  
Annapolis 21401 Telephone: 269-2788

The Maryland Advisory Commission on Atomic Energy was created by Chapter 188, Acts of 1966. The Commission consists of eleven members, appointed by the Secretary of Economic and Community Development with the approval of the Governor for four-year terms, with one member representing each of the following fields: agriculture, atomic energy, industry, education, law, medicine, Maryland Port Administration, power, public health, transportation, and sanitary engineering. The Chairman is designated by the Secretary of Economic and Community Development with the approval of the Governor.

The Commission was created to advise the Governor and State officials on matters arising from the peaceful application of atomic energy. Application of atomic energy to peaceful pursuits can result in situations involving governmental responsibility of the State which are novel and without precedent. Ready access to the advice of qualified experts representing these various scientific disciplines, professions, productive arts and sectors of economic activity enables the State government to cope with the new situations or grasp new opportunities for economic development which arise from the peaceful application of atomic energy (Code 1957, 1971 Repl. Vol., Art. 41, sec. 359A).
