#### ADULT DISEASE CONTROL SERVICES

John W. Southard, M.D., *Chief*

201 W. Preston Street,  
Baltimore 21201 Telephone: 383-2721

These services concentrate on programs for the early detection and prevention of diseases such as cancer, diabetes, hypertension, tuberculosis, and for the protection of employee health and prevention of diseases related to occupation.

#### KIDNEY DISEASE PROGRAM OF MARYLAND

Edwin Green, *Chief*

201 W. Preston Street,  
Baltimore 21201 Telephone: 383-6460

This program provides services to individuals who have lost the function of their kidneys, and as a result require specialized treatment such as kidney transplantation or hemodialysis. It is concerned with both privately owned and State operated facilities, and with such activities as certification of the need of the patients for care, certification of the facilities as meeting State and Federal standards, and payment for patient care under some circumstances, etc.

#### SERVICES TO THE AGING

Patricia Smith, M.D., *Chief*

201 W. Preston Street,  
Baltimore 21201 Telephone: 383-3234

These services include geriatric evaluation, day care for the elderly, home health services and nursing home care in two units on the grounds of Spring Grove Hospital Center.

#### HOSPITAL TREATMENT SERVICES

Carl A. Fischer, M.D., *Chief*

201 W. Preston Street,  
Baltimore 21201 Telephone: 383-2286

These services provide hospital level care primarily for patients in need of rehabilitation services, or for those inflicted with chronic illness. A limited number of nursing home beds and outpatient services are provided for selected patients, for example, those needing hemodialysis or day care for the elderly.
