The Air Quality Control Advisory Council was created by Chapter 143, Acts of 1967, to supersede the Air Pollution Control Council which had been created by Chapter 806, Acts of 1963. The present Council was established to adopt rules and regulations for the control of air pollution in the State. The Council consists of not more than eleven members appointed by the Secretary of Health and Mental Hygiene for terms of five years. Membership must include a mechanical engineer, a chemical engineer, two members experienced in air pollution control matters chosen from lists submitted by the Baltimore Chamber of Commerce, one doctor of medicine, and one member each chosen from lists submitted by the University of Maryland, The Johns Hopkins University, the Council of Governments of Metropolitan Washington, and the AFL-CIO.

The Council serves in an advisory capacity to the State Department of Health and reviews recommended regulations for the establishment of standards for emissions into the air or for ambient air quality, and advises the Department prior to their submission to the Secretary of Health and Mental Hygiene prior to their adoption (Code 1957, 1971 Repl. Vol., Art. 43, secs. 690-706).

THE ANATOMY BOARD OF MARYLAND

Chairman: Lloyd Guth, M.D., *University of Maryland School of Medicine*

Vice Chairman: E. B. Hall-Craggs, M.D.
Vincent D. Provenza, M.D.; Miguel Schoen, M.D.; Leon Weiss, M.D.

29 South Greene Street,
Baltimore 21201 Telephone: 547-1222

The Anatomy Board of Maryland, an ex officio body, originally created by Chapter

669, Acts of 1947, had its membership altered by Chapter 436, Acts of 1975. The Board now consists of two members who represent the medical schools in the State, and a representative of the Department of Anatomy of the University of Maryland School of Dentistry. The members of the Board are designated by the administrative officers of each school. The purpose of the agency is to insure the proper distribution of bodies to qualified hospitals, medical schools and other agencies engaged in medical education and research. Such bodies are used only for medical education and research. If, however, the body is claimed for burial by relatives, it is surrendered for interment. The Board also carries out the provisions in the laws regulating Consent to Post Mortem Examination (Chapter 315, Acts of 1961), and the New Anatomical Gift Act (Chapter 457, Acts of 1968). Bodies are distributed chiefly to The Johns Hopkins University School of Medicine and the University of Maryland Schools of Medicine and Dentistry according to an arranged plan (Code 1957, 1971 Repl. Vol., 1975 Supp., Art. 43, secs. 158-161).

BOARD OF EXAMINERS FOR AUDIOLOGISTS

William G. Hardy, Ph.D., 1977; Hubert G. Skinner, M.D., 1977; Beth J. Urban, Ph.D., 1977; Nicholas Webb Bankson, 1980; David M. Resnick, Ph.D., 1981.

201 W. Preston Street,
Baltimore 21201 Telephone: 383-6461

The State Board of Examiners for Audiologists created by Chapter 547, Acts of 1972 consists of five members appointed by the Secretary of Health and Mental Hygiene, for five-year terms, one term expiring each year. The members of the Board must be residents of Maryland. Three members must have paid work experience in audiology for at least five years, hold the certificate of clinical competence in audiology of the American Speech and Hearing Association or the equivalent and be approved by the Maryland Speech and Hearing Association. One member must have paid work experience in speech pathology for at least
