

This Board was first established by Chapter 719, Acts of 1900. Consisting of five members, the Board is appointed by the Governor with the advice of the Secretary of Licensing and Regulation. Three members must be currently enrolled certified public accountants. One member must be a full-time college professor in the field of accounting at an accredited institution and hold a Maryland certificate. One member must be a practicing attorney at law. Each member serves a three-year term.

The Board examines applicants for certificates as certified public accountants, passes on applications by certified public accountants of other states for reciprocal certificates, and enrolls certified public accountants and registered public accountants.

Examinations are held in May and November of each year. Certificates are issued by the Board to those persons who pass the examinations or whose applications for reciprocal certificates are approved. The Board may for specified causes revoke or suspend any such certificate, registration, or enrollment after written notice to the holder and reasonable opportunity for a hearing. The 1970 General Assembly updated the laws that provided for the minimum educational requirements to not less than a baccalaureate degree with a major in accounting to become effective in July 1974. The new law also gave the Board jurisdiction over professional ethics (Code 1957, Art. 75A, secs. 1-23A).
